THE INSTRUCTIONS TO SHAREHOLDERS FOR E-VOTING AND JOINING VIRTUAL MEETING ARE AS UNDER:

Step 1: Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode:
Step 2: Access through CDSL e-Voting system in case of shareholders holding shares in physical mode and non-individual shareholders in demat mode.

- (i) The voting period begins on Friday 26th September 2025 at 9.00a.m. and ends on Sunday 28th September 2025 at 5.00p.m. During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of Monday 22 September 2025 may cast their vote electronically. The e- voting module shall be disabled by CDSL for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders. In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

Step 1: Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode, (iv) In terms of SEBI circular no. EXPLANATORY STATEMENT PURSUANT TO SECTION 102(1) OF THE COMPANIES ACT, 2013**Item No. 3**

Pursuant to the amendment of Regulation 24(A) of 12 December 2024 to SEBI(LODR) Regulations 2015, 'LISTING REGULATIONS, Every Listed company is to undertake a Secretarial audit by a Secretarial Auditor being a peer reviewed Company Secretary and annex the Audit report to the Annual report of the company. Hence on the basis of the recommendation of the board of directors, a listed entity shall appoint an individual as Secretarial Auditor for a term of five consecutive years or a Secretarial Audit firm for two terms of five consecutive years, with the approval of the shareholders in its Annual General Meeting.

Pursuant to the above amendment, based on the recommendation of the Audit Committee, and pursuant to section 204 of the Companies Act 2013 the Board of Directors at their meeting held on Thursday 26 June 2025 decided to appoint CS Ashok Kumar Tripathy holding Peer review certificate and membership number F7319 and certificate of practice No 14003, of M/s A K Tripathy & Co, Company Secretaries (FRN 12014571238600) registered with the Institute of Company Secretaries of India, for a consecutive term of five years from FY 2025-26 till FY 2029-30, at a remuneration to be mutually agreed upon. The Secretarial auditor provides services under Company Law, Securities Law, FEMA, RBI regulations, SEBI regulations, Listing and Secretarial Audit Services and having adequate knowledge experience and professionalism in service. The Board recommends the appointment to the shareholders for approval at the ensuing 32nd Annual General Meeting.

The Board recommends the Ordinary resolution as set out in item No. 3 for the approval of the members

None of the directors and/ or key managerial personnel and their relatives except Mr. Ashok Kumar Tripathy are concerned or interested in the above resolution

Item No 4.

Mr Sudhir Surendrarao Halleppanavar (DIN 07787043), was appointed as an Additional Director at the Board meeting held on 1 September 2025. The appointment is placed for approval of the members for his appointment as an Non Executive Independent Director of the company by the members, for a term of 5 years commencing from the 32nd AGM 2024-25 till the 37th AGM to be held in the financial year 2029-30.

The company has received the consent and eligibility letter from Mr Sudhir Surendrarao Halleppanavar (DIN 07787043), as required under the provisions of section 149(6) of the Companies Act 2013 and the rules framed thereunder and Regulation 16(1) (b) of SEBI (LODR) Regulations 2015.

The company has also received a declaration confirming that he is not disqualified from being appointed as a Director in terms of section 164 of the Companies Act 2013.

In the opinion of the Board of Directors., Mr Sudhir Surendrarao Halleppanavar (DIN 07787043) fulfils the criteria of independence as specified under section 149 of the companies act 2013 and SEBI(LODR) Regulations 2015. The disclosure requirements under regulation 36(3) of SEBI(LODR) Regulations 2015 and Secretarial Standards 2 on General meetings issued by the Institute of Company Secretaries of India, is annexed hereto. A draft copy of the letter of appointment for Independent Directors is available for inspection of members at the Registered Office of the Company on any working day during working hours.

The Board recommends the Ordinary Resolution as set out in Item No. 4 for the approval of the members of the Company.

None of the Directors, Key Managerial Personnel and their relatives except Mr Sudhir Surendrarao Halleppanavar are concerned or interested in the above resolution.

Item No 5.

Your Company is primarily engaged in the business of development and sale of residential properties. The funding obligations of such entities are partially met out of the Company's cash flows. In addition thereto, the Company also provides security(ies) and corporate guarantee(s) to secure the borrowings and other facilities being availed by associate(s) companies. The Company also has existing and continuing contracts/arrangements in the ordinary course of business relating to transfer of rights, development agreements, building maintenance services, utilities and construction costs, etc., with the related party entities, which have continued to exist beyond 31st March, 2021.

As these are ongoing transactions, it is difficult to specifically assess the total value of such transactions at this stage, however, it is expected that the aggregate value of all such transactions would not exceed 100 crores. These would include both sums payable from the Company to these related party entities and vice-versa.

Going forward and in the ordinary course of business, the Company may enter into new transactions of similar nature i.e. lending, providing and receiving corporate guarantee(s) and security(ies) for existing/new credit facility(ies), building maintenance service(s), sale/purchase of material, transfer of right(s), construction cost(s), etc., with the related party entities as mentioned in annual accounts, which may exceed the materiality threshold limit annually individually and/or collectively.

Since some of the above transactions are not fixed for any particular term, it is not possible for the Company to ascribe an explicit monetary value to such transactions. However, approval of the Audit Committee and/or Board, wherever required, shall be obtained in terms of the provisions of the Section 188 Companies Act, 2013 and in terms of regulation 23 of SEBI (LODR) Regulations 2015.

The approval of the shareholders is being sought by way of a special resolution in respect of the existing contracts/arrangements. Further, approval is also being sought for the proposed transactions of Material nature.

The board recommends the resolution in Item No.5 for approval of the members as a Special resolution.

Item No. 6.

Ms. Shifali Kawatra is currently an Independent Director of the Company. Ms. Shifali Kawatra was appointed as an Independent Director of the Company at the 27th Annual General Meeting held on 29th September 2020 to hold office up to the 32ND Annual General Meeting to be held in September 2025. Ms. Shifali Kawatra is eligible for re-appointment for a second term on the board of the company as an Independent Director. Based on the recommendation of the NRC The board of directors propose the re-appointment of Ms. Shifali Kawatra as an Independent Director for a period commencing 29 September 2025 up to the 37th Annual General meeting to be held in 2030, subject to approval of members by special resolution.

Based on the performance evaluation of the Independent Director and as per the recommendations of the NRC and given the background, experience and contribution, the board is of the opinion that Ms. Shifali Kawatra's continued association would be of immense benefit to the company. In the opinion of the board, the Independent Director satisfies the conditions provided in the Act for such appointment pursuant to proviso to section 152(5).

The company has received consent and eligibility letter from Ms. Shifali Kawatra as required under the provisions of section 149(6) of the Companies Act 2013 and the rules framed thereunder and regulation 16(1)(b) of the Securities and Exchange Board of India (Listing Obligations and Disclosure requirements) Regulations 2015.

The Company has also received a declaration confirming that she is not disqualified from being appointed as a Director in terms of section 164 of the Companies Act 2013.

In the Opinion of the Board of Directors, Ms. Shifali Kawatra fulfills the criteria of independence as specified under section 149 of the Companies act 2013 and the SEBI (LODR) Regulations 2015. The disclosures required under regulation 36(3) of the SEBI(LODR) Regulations 2015, and secretarial Standard 2 on General Meetings (SS2) Issued by the Institute of Company Secretaries of India, is annexed hereto. A draft copy of the letter of appointment for the Independent Director is available for inspection by the members at the Registered Office of the Company on any working day during working hours.

Ms Shifali Kawatra is A Chartered Accountant by profession with experience in Finance and taxation besides being advisor in Banking and Funding.

The Board recommends the resolution as set out in Item No. 6 for the approval of the members of the Company as a special resolution.

None of the directors and/ or key managerial personnel and their relatives except Ms. Shifali Kawatra, are concerned or interested in the above resolution.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

As we reflect on the 2024 – 25 operation of your company, it is important to contextualize our company performance within the broader global and Indian economic landscape.

The world economy experienced a phase of cautious recovery this year with global GDP growth stabilizing at 3.1 % after the disruptions caused by the geopolitical tensions including the Ukraine Russia war and the Middle East war. Global inflationary while moderating compared to the peak levels seen in previous two years of 5.9 % and 6.8 %, has been only 4.5% in 2024. These inframammary pressure has affected commodity prices, interest rates and consumer spending patterns worldwide.

INDIAN ECONOMIC REVIEW

In India despite the global issues the economy demonstrated remarkable resilience. Our country's GDP growth was 6.5 % in financial year 2024-25 as against the world GDP growth of 3.1% this was because of the support of strong domestic demands, robust infrastructure investment and a flourishing service sector. With our GDP Growth of 6.5 %, we remained the fastest growing major economies of the world.

The inflation in India a key challenge was 4.6 %, and this was much better compared with the previous year inflation rate of 5.4 %. Indian per capita GDP has doubled from \$1438 to approximately \$2880 in the last decade. This increase in per capita income to \$ 2880 in 2025 reflects the countries sustained economic growth and raising income. However when compared with high income countries, our per capita income is too low and the Government vision is to bring this up to the level of developed countries by 2047 by making our economy a \$30 trillion economy.

INDIAN REAL ESTATE INDUSTRY.

The Indian Real Estate has seen phased recovery with rising urbanisation, increased disposable income, Government investment in different schemes and tax benefits and investment in infrastructure. These measures have helped the real estate industry to consolidate and grow. The bank loan facilities available to home buyers with low interest rate is another point because of which consolidation and growth in Real Estate Industry happened

Indian Real Estate market has scaled new heights. In 2023-24 the total residential unit's sale has been 459600 units.

With increasing urbanisation which is expected to go up to 42.50% from 36.50% in this decade the demand for urban residential units is on growth path.

Bangalore continues to be epic centre of innovation, and growth in Indian Real Estate land scape. Bangalore's unique blend of IT-driven economic growth, rich talent pool and cosmopolitan culture has sustained demand across the residential segments. Looking ahead, Bangalore Real Estate market offers tremendous opportunities propelled by demands from ever growing software companies and the new Global Capability Centres (GCC) which are recently being promoted by different companies.

COMPANY overview, OUTLOOK AND STRATEGY

At Alpine we have so far completed a 44 lakh sq. ft. of property development. We have started work on 1.6 lakh sq ft. of construction of Alpine IRIS project.

We, in Joint Development Agreement with M/s.Mile Stone (P) Ltd (Bharatya City) are soon launching a project of approximately 20 lakh sq. ft. in that we will be getting approximately six lakhs sq. ft. area on the basis of 30 % share. Infact as the agreement is revenue sharing agreement, we will be getting 30% out of the total revenue as we are the Land Lord of project.

In this project we have obtained all the clearance required such as change of land use, conversion amalgamation etc., and now the drawings are under sanctioning process and the project is expected to be launched in 4 to 6 months.

We are further scouting for projects both as Joint development and land purchase, once the finalization happens the same will be communicated to you all.

RAILWAY SLEEPER PROJECT

In this division we manufacture concrete railway sleepers from our plant at WADI Gulbarga district, Karnataka. In this plant we manufacture for Indian Railways products like Broad gauge concrete sleepers, main line wider sleepers , 1 in 12 turnout sleepers, 1 in 8 ½ turnout sleepers etc.,

We have orders of more than Rs. 50 crores pending to be executed and are expecting further orders from the railways. As railways are expanding their railway network on priority basis the demand for concrete sleepers is increasing and we are benefitting with this policy.

Independent Auditor's Report
To the Members of
Alpine Housing Development Corporation Limited
Report on the Audit of the Financial Statements

We have audited the accompanying financial statements of ALPINE HOUSING DEVELOPMENT CORPORATION LIMITED ("the Company"), which comprise the Balance Sheet as at March 31, 2025, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date and a summary of significant accounting policies and other explanatory information (hereinafter referred to as the "financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025 and its profit, total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing ("SA's") specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Key audit matter	How our audit addressed the key audit matter
<p>1. Revenue recognition for sale of residential units</p> <p>The Company applies Ind AS 115, Revenue from Contracts with Customers (Ind AS 115) for recognition of revenue from sale of residential units. Refer note 2.2 (c) -a to d and 25 to the financial statements for accounting policy and related disclosures.</p> <p>Revenue is recognised upon transfer of control of residential units to customers for an amount which reflects the consideration the Company expects to receive in exchange for those units. The point of revenue recognition is normally based on the terms as included in the intimation for the handover of unit to the customer on completion of the project, and substantial collection is received. The Company recognises the revenue at a point in time upon handover/deemed handover of the residential units.</p>	<p>Our audit procedures on revenue recognised from sale of residential units included, but were not limited to the following:</p> <ul style="list-style-type: none"> • Evaluated the appropriateness of accounting policy for revenue recognition on sale of residential units in terms of principles clearly stated under Ind AS 115; • Assessed the management evaluation of determining revenue recognition from sale of residential units at a point in time in accordance with the requirements under Ind AS 115; • Obtained and understood the revenue recognition process, evaluated the design and performed test of controls over revenue recognition including determination of point of transfer of control and completion of performance obligations on a sample basis; and

<p>For contracts involving sale of residential units, the Company receives the consideration in accordance with the terms of the contract in proportion of the percentage of completion of such real estate project and represents payments made by customers to secure performance obligation of the Company under the contract enforceable by customers. The assessment of such consideration received from customers involves significant judgment in determining if the contracts with customers involves any financing element.</p> <p>Ind AS 115 requires significant judgment in determining when 'control' of the residential units is transferred to the customer.</p> <p>Considering the significance of management judgements and estimates involved and the materiality of amounts involved, aforementioned revenue recognition is identified as a key audit matter</p>	<ul style="list-style-type: none"> For samples selected during the year, verifying the underlying documents – contracts with customers, invoices raised and collections from the customers;
<p>2. Revenue recognition for contractual construction projects</p>	
<p>The Company recognises revenue over a period of time in accordance with Ind AS 115, Revenue from Contracts with Customers (Ind AS 115). Refer note 2.2(c)- a to d and 25 to the financial statements for accounting policy and related disclosures</p> <p>The Company recognises revenue from construction contracts on the basis of stage of completion (input method) based on the proportion of contract costs incurred at reporting date, relating to the total estimated costs of the contract at completion. The recognition of revenue is therefore dependent on estimates in relation to total estimated costs of each such contract, which is subject to inherent uncertainty as it requires ascertainment of progress of the project, cost incurred till date and balance cost to be incurred to complete the project.</p> <p>Significant judgments are also involved in determining when the underlying performance obligations are satisfied and also determining expected losses, when such losses become probable based on the expected total contract cost. Cost contingencies are included in these estimates to take into account specific risks of uncertainties or disputed claims against the Company, arising within each contract. These contingencies are reviewed by the Management on a regular basis throughout the life of the contract and adjusted where appropriate.</p> <p>Considering the significance of management judgements and estimates involved and the materiality of amounts involved, revenue recognition from construction contracts is identified as a key audit matter.</p>	<p>Our audit procedures on revenue recognition for contractual construction projects included, but were not limited to the following:</p> <ul style="list-style-type: none"> Evaluated the appropriateness of accounting policy on revenue recognition for contractual construction projects in terms of principles enunciated under Ind AS 115; Evaluated the design and tested operating effectiveness of key controls around budgeting of project cost, approval of purchase orders, recording of actual cost, raising of invoices and estimating the cost to complete the project; Assessed management evaluation of determining revenue recognition for contractual construction projects over a period of time in accordance with the requirements of Ind AS 115; On a sample basis, tested costs incurred by examining underlying invoices and other applicable documents; For sample invoices raised during the year, verifying the underlying documents including invoices, work orders and customer acceptance; Compared actual cost with budgeted cost to determine percentage of completion of the project; and Assessed the adequacy of disclosures included in the financial statements in compliance with the requirements of Ind AS 115.
<p>3. Revenue recognition for Sale of products</p>	
<p>The Company applies Ind AS 115, Revenue from Contracts with Customers (Ind AS 115) for recognition of revenue from sale of products. Refer note 2.2 (c) -e and 25 to the financial statements for accounting policy and related disclosures.</p> <p>Revenue is recognised upon transfer of control of products manufactured by the company to customers for an amount which reflects the consideration the company expects to receive in exchange for those products. The point of revenue recognition is normally upon transfer of control to the customer on delivery of product.</p>	<p>Our audit procedures on revenue recognition for sale of products included, but were not limited to the following:</p> <ul style="list-style-type: none"> Evaluation of company's accounting policies for revenue recognition on sale of products manufactured, are in line with the applicable accounting standards; Evaluation of the design and implementation and testing the operating effectiveness of key controls around approvals of sale order received, invoice raised, intimation of delivery of product and controls over collection from customers;

<p>Considering the competitive business environment, there is a risk of revenue being overstated or understated in order to present consistent financial results. Since revenue recognition has direct impact on the company's profitability, there is a possibility of the company being biased, hence this is considered as a key audit matter.</p>	<ul style="list-style-type: none"> • For samples selected verifying the underlying documents – Sale order, invoice raised, good received note authorised by the customer and the collections; and • Cut-off procedures for recording of revenue in the relevant reporting period.
<p>4. Assessing the recoverability of carrying value of Inventories .</p>	
<p>Refer note 2.2(e), 10, 27, 29 to the financial statements for accounting policies on inventories and related financial disclosures.</p> <p>The inventories are carried at lower of cost and net realisable value ('NRV'). The determination of the NRV involves estimates based on prevailing market conditions and taking into account the estimated future selling price, cost to complete projects and selling costs.</p> <p>Inventories on construction of residential flats comprising ongoing and completed projects, initiated but unlaunched projects and land stock, represents a significant portion of the company's total assets. A project comprises multiple units, the construction of which is carried out over a number of years. The recognition of profit for sale of units, is therefore dependent on the estimate of future selling prices and construction costs.</p> <p>Forecasts of future sales are dependent on market conditions, which can be difficult to predict and be influenced by political and economic factors.</p> <p>Considering the significance of the amount of carrying value of inventories and the involvement of significant estimation, this considered as a key audit matter.</p>	<p>Our procedures in assessing the carrying value of the inventories but were not limited to the following:</p> <ul style="list-style-type: none"> • Evaluated the appropriateness of accounting policies with respect to inventories in terms of principles enunciated under applicable accounting standards. • Evaluated the design and tested operation of internal controls related to testing NRV/ net recoverable value with carrying amount of inventory. • Inquired with management to understand key assumptions used in determination of the NRV/ net recoverable value; and • Obtained and tested the computation/ assessment of the NRV/ net recoverable value on a sample basis. • Compared the NRV to recent sales in the project or to the estimated selling price; • Assessing the company's valuation methodology for the key estimates, data inputs and assumptions adopted in the valuation; • Compared the estimated construction costs to complete each project with the Company's updated budgets; and • For land stock, on a sample basis, obtained the fair valuation reports or the published guidance values and reviewed the valuation methodology, key estimates and assumptions adopted in the valuation.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance Report, and Shareholder information, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information we are required to report that fact. We have nothing to report in this regard.

Managements Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, including other comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(1) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books except for the matters stated in the paragraph h (vii) below on reporting under Rule 11(g).
- c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the books of account.
- d) In our opinion, the aforesaid financial statements comply with the Ind AS specified under Section 133 of the Act.
- e) On the basis of the written representations received from the directors as on March 31, 2025 taken on record by the Board Directors, none of the directors is disqualified as on March 31, 2025 from being appointed as a director in terms of Section 164 of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
- g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197 of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:

- i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements.
- ii. The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts.
- iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
- iv. (a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

- (b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- (c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
- v. As stated in Note No. 14 (f) to the financial Statements, the final dividend proposed in the previous year, declared and paid to the company during the year is in accordance with Section 123 of the Act, as applicable.
- vi. The qualification relating to the maintenance of accounts and other matters connected therewith are as stated in the paragraph 1 (b) above on reporting under Section 143(3)(b) and paragraph h (vii) below on reporting under Rule 11(g).
- vii. Based on our examination which included test checks, the company has used an accounting software for maintaining its books of account which has a feature of recording audit trail facility. The audit trail (edit log) feature of Accounting software used by the company to maintain books of account did not operate during the period from April 1, 2024 up to May 29, 2025. As the Audit trail feature (edit log) was not enabled during this period, we are unable to comment on the possibility of any tampering with the records prior to its activation.
- However, that the audit trail feature was enabled starting from May 30, 2024 to March 31, 2025. Based on our examination which included test checks, which has a feature of recording audit trail (edit log) facility and the same has operated for the said period all relevant transactions recorded in the software. Further, during the course of audit we did not come across any instance of audit trail feature being tampered with for the period May 30, 2024 to March 31, 2025.
- As the proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 is applicable from April 1, 2023, reporting under Rule 11(g) of the Companies (Audit and Auditor's) Rules, 2014 regarding the preservation of audit trail is required. However, since the company enabled the audit trail feature only from May 30, 2024, we are unable to comment on the record retention for the financial year 2023-24 as on the financial year ended March 31, 2025.
2. As required by the Companies (Auditor's Report) Order, 2020 (the "Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

Annexure "A" to the Independent Auditor's Report

(Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of Alpine Housing Development Corporation Limited of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 (the "Act")

We have audited the internal financial controls over financial reporting of ALPINE HOUSING DEVELOPMENT CORPORATION LIMITED (the "Company") as of March 31, 2025 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Management of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the ICAI and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material resp an adequate internal financial controls system over financial reporting and such internal financial controls over financial reportin were operating effectively as at March 31, 2025, based on the criteria for internal financial control over financial reporting establis by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financ Controls Over Financial Reporting issued by the ICAI.

Annexure 'B' to the Independent Auditor's Report

(Referred to in paragraph 2 under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of Alpine Housing Development Corporation Limited of even date)

To the best of our information and according to the explanations provided to us by the Company and the books of account and records examined by us in the normal course of audit, we state that:

i. In respect of the Company's Property, Plant and Equipment, Investment property and Intangible Assets:

- (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment and Investment properties.
- (B) The Company does not have intangible assets and hence reporting on maintenance of proper records for the same is not applicable.
- (b) The Company has a regular program of physical verification of its property, plant and equipment, right of use assets and investment property under which the assets are physically verified in a phased manner over a period of three years, which in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. In accordance with this program, certain property, plant, and equipment, right of use assets and investment property were verified during the year and no material discrepancies were noticed on such verification.
- (c) Based on our examination of the property tax receipts and lease agreement for land on which building is constructed, registered sale deed / transfer deed / conveyance deed provided to us, we report that, the title in respect of self-constructed buildings and title deeds of all other immovable properties (other than properties where the company is the lessee and the lease agreements are duly executed in favour of the lessee), disclosed in the financial statements included under Property, Plant and Equipment and Investment property are held in the name of the Company except the properties are mentioned below as at the balance sheet date.

Description of Property	Gross carrying value (In lakhs)	Held in the name of	Whether promoter, director or their relative or employee	Period held – I indicate range, where appropriate	Reason for not being held in name of company
Investment Property -Land- Alpine Eco Project	168.19				Refer * below
Investment Property -Building – Alpine Eco Flats	318.83				

*Alpine Eco Apartment is a residential project developed by the Company through joint development agreement with the landowner as part of the regular business of the Company. As per the terms of joint development agreement and subsequently entered supplementary agreement the built-up area and the apartments are shared between the landowner and the Company (the Developer). The said flats are developed by the Company as part of the regular business of the Company and they are treated as stock-in-trade. Out of the apartments shared to the Company, there are unsold stock of residential flats which the Company has converted into Property Plant & Equipment in the financial year 2013-14. Out of the unsold residential apartments which are treated as Investment property, there are forty two residential apartments which are unsold as on March 31, 2025 in Alpine Eco Apartments project. The gross carrying value of the said unsold forty two flats is Rs.487.02 Lakhs (the total gross carrying value is bifurcated into gross carrying value of land Rs.168.19 & gross carrying value of building Rs.318.83). The Company has the duly executed joint development agreement, supplementary agreement for sharing of the built-up area and the apartment in which the respective portions in the constructed area are identified and are agreed to be shared between the Developer and the landowner. Out of the identified and agreed share of the constructed area that belongs to the Company, it also includes these forty two flats which are included in Investment Property. However, the title deeds in respect of these flats are not yet been executed and registered in favour of the Company.

- (d) The Company has not revalued any of its Property, Plant and Equipment during the year.
- (e) No proceedings have been initiated during the year or are pending against the Company as at March 31, 2025 for holding benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.

ii. (a) In case of housing / construction division, the inventories held by the Company comprise stock of units in completed projects and work in progress of projects under development. Having regard to the nature of inventory, the management has conducted physical verification of inventory by way of verification of title deeds, site visits conducted and certification of extent of work completion by competent persons, at reasonable intervals during the year and no material discrepancies were noticed on such physical verification.

In case of railway sleeper manufacturing division, the inventory has been physically verified by the management during the year. In our opinion, the frequency of such verification is reasonable, and procedures and coverage as followed by management were appropriate. No discrepancies were noticed on verification between the physical stocks and the book records that were 10% or more in the aggregate for each class of inventory.

(b) According to the information and explanation provided to us, the Company has been sanctioned working capital limits in excess of Rs. 5 crores, in aggregate during the year, from banks or financial institutions on the basis of security of current assets. The quarterly statements filed by the Company with such banks or financial institutions are in agreement with the books of account of the Company.

iii. According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not made any investments, provided guarantee or security or granted any advances in the nature of loans, secured or unsecured, to companies, firms, limited liability partnerships or any other parties during the year and hence reporting under clause 3(iii)(a) to (f) of the Order is not applicable.

iv. According to the information and explanations given to us and on the basis of our examination of the records, the Company has not given any loans, or provided any guarantee or security as specified under Section 185 of the Companies Act, 2013 and the Company has not provided any guarantee or security as specified under Section 185 of the Companies Act, 2013.

v. In our opinion, and according to the information and explanations given to us, the Company has not accepted any deposits or there are no amounts which have been deemed to be deposits within the meaning of sections 73 to 76 of the Act and the Companies (Acceptance of Deposits) Rules, 2014 (as amended). Accordingly, reporting under clause 3(v) of the Order is not applicable to the Company.

vi. The Central Government has specified maintenance of cost records under sub-section (1) of section 148 of the Act in respect of the business activities of the Company. We have broadly reviewed the books of account maintained by the Company pursuant to the Rules made by the Central Government for the maintenance of cost records and are of the opinion that, prima facie, the prescribed accounts and records have been made and maintained. However, we have not made a detailed examination of the cost records with a view to determine whether they are accurate or complete.

vii. In respect of statutory dues:

(a) In our opinion, undisputed statutory dues including, employees' state insurance, income-tax, sales-tax, service tax, duty of customs, duty of excise, value added tax, goods and service tax, cess and other statutory dues have generally been regularly deposited with the appropriate authorities however tax deducted at source, And Goods And Service Tax have not generally been regularly deposited with the appropriate authorities though the delays in deposit have not been serious.

According to the information and explanations given to us, no undisputed dues in respect of provident fund, employees' state insurance, income-tax, service tax, sales-tax, duty of custom, duty of excise, value added tax, goods and service tax, cess and other statutory dues which were outstanding, at the year end, for a period of more than six months from the date they became payable.

(b) Details of statutory dues referred to in sub-clause (a) above which have not been deposited as on March 31, 2024 on account of disputes are given below:

Name of the statutory Due	Nature of the Dues	Amount (In lakhs)	Period to which the amount relates	Forum where dispute is pending
The Income Tax Act, 1961	TDS	12.42	FY 2009-10, ,2011-12, 2015-16, 2016-17, 2017-18, 2018-19, 2019-20, 2020-21, 2021-22, 2022-23, 2023-24, 2024-25	Income Tax Department (TDS)
The Income Tax Act, 1961	Income Tax	30.32	FY 2016-17, 2018-19, 2017-18, 2020-21, 2019-20, 2015-16	Commissioner of Income-tax (Appeals)

viii. There were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961).

ix. (a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon.

(b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.

(c) The Company has availed term loans during the year. Based on the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has applied the term loan for the purpose for which such term loans are obtained.

(d) On an overall examination of the financial statements of the Company, funds raised on short-term basis have, prima facie, been used during the year for long-term purposes by the Company.

(e) On an overall examination of the financial statements of the Company, the Company does not have any subsidiary, associate or joint venture. Hence reporting under clause 3(ix)(e) of the Order is not applicable.

(f) On an overall examination of the financial statements of the Company, the Company does not have any subsidiary, associate or joint venture. Hence reporting under clause 3(ix)(f) of the Order is not applicable.

x. (a) During the year, the Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) during the year and hence reporting under clause 3(x)(a) of the Order is not applicable.

(b) During the year, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) and hence reporting under clause 3(x)(b) of the Order is not applicable.

xi. (a) No fraud by the Company and no material fraud on the Company has been noticed or reported during the year.

(b) No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT- 4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and upto the date of this report.

(c) According to the information and explanations given to us including the representation made to us by the management of the Company, there are no whistle-blower complaints received by the Company during the year.

- xii. The Company is not a Nidhi Company and hence reporting under clause (xii) of the Order is not applicable.
- xiii. In our opinion, the Company is in compliance with Section 177 and 188 of the Companies Act, 2013 with respect to applicable transactions with the related parties and the details of related party transactions have been disclosed in the financial statements as required by the applicable Indian accounting standards.
- xiv. (a) In our opinion and according to the information and explanations given to us, the Company has an internal audit system per the provisions of section 138 of the Act which is commensurate with the size and nature of its business.
- (b) We have considered, the internal audit reports for the year under audit, issued to the Company during the year and till date determining the nature, timing and extent of our audit procedures.
- xv. In our opinion during the year the Company has not entered into any non-cash transactions with its Directors or persons connected with its directors. and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.
- xvi. (a) In our opinion, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Hence reporting under clause 3(xvi)(a), (b) and (c) of the Order is not applicable.
- (b) In our opinion, there is no core investment company within the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) and accordingly reporting under clause 3(xvi)(d) of the Order is not applicable.
- xvii. The Company has not incurred cash losses during the financial year covered by our audit and the immediately preceding financial year.
- xviii. There has been no resignation of the statutory auditors of the Company during the year.
- xix. On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities and other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that the Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- xx. According to the information and explanations given to us and on the basis of our examination of the records of the Company, the provisions of section 135 of the Act is not applicable to the Company and hence reporting under clause 3(xx)(a) & (b) of the Order is not applicable.
- xxi. According to the information and explanations given to us and on the basis of our examination of the records of the Company, the consolidation of financial statements is not applicable to the company and hence reporting under clause 3(xxi) of the Order is not applicable.

Notes to financial statements
for the year ended 31 March 2025
(Currency : Indian Rupees in lakhs)

1 Background of the Company and nature of operation

M/s. ALPINE HOUSING DEVELOPMENT CORPORATION LIMITED ("the Company"), was incorporated on 21st May 1992 as a company under the Companies Act, 195. The company is engaged in the business of Property Development, Construction and Railway Concrete Sleepers SG & Grey Iron Castings. The registered office of the Company is located at No.302, Alpine Arch No.10, Langford Road, Bangalore – 560027 IN.

2 Basis of preparation, measurement and significant accounting policies

2.1 Basis of preparation and measurement

a Statement of compliance:

The Balance Sheet of the Company as at 31 March 2024 and the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash flows for the year ended 31 March 2024 and summary of significant accounting policies and other financial information (together referred as 'Financial Statements') has been prepared under Indian Accounting Standards ('Ind AS') notified under Section 133 of the Companies Act, 2013 read with the Companies (Indian Accounting Standards) Rules, 2015 (as amended from time to time) and presentation requirements of Division II of Schedule III to the Companies Act, 2013 (Ind AS compliant Schedule III)

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

As the quarter and year figures are taken from the source and rounded to the nearest digits, the figures already reported for all the quarters during the year might not always add up to the year figures reported in this statement.

b Current vs non-current classification:

All the assets and liabilities have been classified into current and non current.

Assets:

An asset is classified as current when it satisfies any of the following criteria:

- it is expected to be realised in, or is intended for sale or consumption in, the Company's normal operating cycle;
- it is held primarily for the purpose of being traded;
- it is expected to be realised within twelve months after the reporting date; or
- it is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least twelve months after the reporting date.

Liabilities:

A liability is classified as current when it satisfies any of the following criteria:

- it is expected to be settled in the Company's normal operating cycle;
- it is held primarily for the purpose of being traded;
- it is due to be settled within twelve months after the reporting date; or
- the Company does not have an unconditional right to defer settlement of the liability for at least twelve months after the reporting date. Terms of a liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification.

Operating cycle:

All assets and liabilities have been classified as current or non-current as per the company normal operating cycle and other criteria set out in the Schedule III to the Companies Act 2013. Based on the nature of Operations and the time taken between acquisition of assets/inventories for processing and their realization in cash and cash equivalents, the Company has ascertained its operating cycle as Mentioned below for the purpose of the classification of assets and liabilities into current and non-current,

Operating Cycles of various businesses carried on by the Company:

	Nature Of Business	Operating Cycle
i.	Property Development	Seven Years
ii.	Railway Sleeper Manufacturing	Three Years
iii.	Other Manufacturing	Six Months

c Basis of measurement:

These financial statements have been prepared on accrual and going concern basis and the historical cost convention except for the following assets and liabilities which have been measured at fair value or revalued amount:

- Certain financial assets and liabilities (including derivative instruments) measured at fair value.
- Assets and liabilities assumed on business combination measured at fair value.
- Net defined benefit asset / liability - Fair value of plan assets less present value of defined benefit obligations.

d Key estimates and assumptions:

In preparing these financial statements, management has made judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates.

The areas involving critical estimates or judgements are :

- Determination of useful lives of property, plant and equipment and intangibles; (Note 2.2(a))
- Recognition of deferred tax assets; (Note 2.2(m))
- Recognition and measurement of provisions and contingencies; (Note 2.2(j))
- Measurement of defined benefit obligations; (Note 2.2(l))

e Measurement of fair values:

Company's accounting policies and disclosures require the measurement of fair values, for both financial and non-financial assets and liabilities.

The Company has an established control framework with respect to the measurement of fair values (including Level 3 fair values). The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

Fair values are categorized into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows.

Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorized in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

The Company recognises transfers between levels of the fair value hierarchy at the end of the reporting year during which the change has occurred.

Further information about the assumptions made in measuring fair values is included in the notes on Financial instruments.

2.2 Significant accounting policies

a) (i) Property plant and equipment

Recognition and measurement:

Items of property, plant and equipment, other than freehold land are measured at cost less accumulated depreciation and any accumulated impairment losses.

Freehold land is carried at cost and is not depreciated. The cost of an item of property, plant and equipment comprises its purchase price, including import duties and non-refundable purchase taxes, (after deducting trade discounts and rebates), any directly attributable costs of bringing the asset to its working condition for its intended use and estimated costs of dismantling and removing the item and restoring the item and restoring the site on which it is located.

If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted for as separate items (major components) of property, plant and equipment.

Any gain or loss on derecognition of an item of property, plant and equipment is included in statement of profit and loss when the item is derecognized.

Subsequent costs are included in the assets carrying amount or recognized as a separate asset, as appropriate only if it is probable that the future economic benefits associated with the item will flow to the Company and that the cost of the item can be reliably measured. The carrying amount of any component accounted for as a separate asset is derecognized when replaced. All other repair and maintenance are charged to statement of profit and loss during the reporting year in which they are incurred.

Depreciation:

Depreciation on property, plant and equipment, is provided under the written down value method in the manner prescribed under Schedule II of the Act.

Depreciation methods, useful lives and residual values are reviewed at each reporting date and adjusted if appropriate.

(ii) Investment Property :

Investment properties are properties held to earn rentals and/or for capital appreciation (including property under construction for such purposes). Investment properties are measured initially at cost, including transaction costs. Subsequent to initial recognition, investment properties are measured in accordance with Ind AS 16's requirements for cost model. The cost of Investment property includes the cost of replacing parts and borrowing costs for long-term construction projects if the recognition criteria are met. When significant parts of the investment property are required to be replaced at intervals, the Company depreciates them separately based on their specific useful lives. All other repair and maintenance costs are recognised in Statement of Profit and Loss as incurred.

b) Impairment of non-financial assets

The Company's non-financial assets, other than inventories and deferred tax assets, are reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exists, then the asset's recoverable amount is estimated.

The recoverable amount of an individual asset (or where applicable, that of cash generating unit (CGU) to which the asset belongs) is the higher of its value in use and its fair value less costs to sell. Value in use is based on the estimated future cash flows, discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset (or CGU).

An impairment loss is recognised if the carrying amount of an asset or CGU exceeds its estimated recoverable amount. Impairment losses are recognised in the statement of profit and loss.

An impairment loss in respect of goodwill is not subsequently reversed. In respect of other assets for which impairment loss has been recognised in prior periods, the Company reviews at each reporting date whether there is any indication that the loss has decreased or no longer exists. An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount. Such a reversal is made only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortisation, if no impairment loss had been recognised.

c) Recognition Of Revenue

Revenue from contracts with customers is recognised when control of the goods or services are transferred to the customer at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods or services. Revenue is measured based on the transaction price, which is the consideration, adjusted for discounts and other credits, if any, as specified in the contract with the customer. The Company presents revenue from contracts with customers net of indirect taxes in its statement of profit and loss.

The Company considers whether there are other promises in the contract that are separate performance obligations to which a portion of the transaction price needs to be allocated. In determining the transaction price, the Company considers the effects of variable consideration, the existence of significant financing components, non-cash consideration, and consideration payable to the customer (if any).

a. Value of Contract completed is accounted as sales/income on raising of invoices on the basis of value of works completed as certified by the architects.

b. In the case of sales of Apartments under construction by the company of its own:

i. Value of sales of undivided share of title and interest in the land are accounted on execution of the agreement to sell.

ii. The values receivable towards the construction of the apartments under the construction agreement are accounted on the basis of the proportionate value determined and invoiced on the basis of certificate of the value of the works completed.

iii. The proportionate cost of construction apportioned to the apartments not yet sold as at the year-end are reckoned as work in progress at cost.

c. In case of sale of Apartments under construction by the company under joint development agreements:

i. Value of sale of company's share of undivided share of title and interest in land in cases where the agreement to sell is executed and the values receivables towards the construction of the Apartments under the construction agreements are accounted on the basis of the proportionate sale value realizable on total sale of company's share in the built up area in the same ratio as the total cost incurred would bear to the total estimated cost of construction of the project.

ii. The proportionate cost of the units in respect of which the agreement to sell is not yet executed are reckoned as work in progress at cost.

d. The percentage of completion of the various projects carried by the Company is ranging from 96% to 98%. And accordingly, the revenues are recognized for these projects. The balance work will be completed in the coming years.

e. In respect of Sale of Railway Sleeper:

i. Sales are accounted at tendered price on dispatch of Railways Sleepers.

ii. The balance of the escalation will be accounted on availability of the latest applicable rates and as and when the company makes claims.

f. All other Sales revenues are accounted on accrual basis.

g. All incomes, to the extent they are ascertained, are accounted on accrual basis.

h. Incomes which are not ascertained and quantum whereof cannot be determined are accounted in the year in which the same are ascertained and determined or received, whichever is earlier.

d) Expenditure Recognition

1. Purchases are accounted at cost on accrual basis excluding input tax credit, if any, available thereon.

2. Liabilities in respect of all expenditure are accounted on accrual basis.

3. The liability in respect of any other expenditure which are not easily ascertainable are accounted in the year in which such liabilities are either ascertained or actually paid whichever is earlier.

4. The liability in respect of levies payable in respect of the escalation in price on sale of Railway Sleepers are accounted as and when the quantum of the escalation in price is finally determined by the Railways

5. Liability in respect of gratuity and leave encashment payable to employee's on retirement is estimated and provided for in the accounts on the basis of the liability on the company as at the last day of the accounting period.

e) Inventory Valuation

a. Work-in-progress of Housing projects are valued at cost as stated in 2.2 (c) (b) (iii) and 2.2 (c) (c) (ii) subpara.

b. Land & repurchased flats held in stock are valued at cost.

c. Raw Materials of Railway Sleeper Project are valued at cost ; and

d. Finished products and works in progress at railway sleeper project are valued at cost or net realizable value whichever is lower .

f) Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. Financial instruments also include derivative contracts such as call options to buy-out stake in subsidiary.

g.1 Financial assets

Initial recognition and measurement

Financial assets are initially recognized when the Company becomes a party to the contractual provisions of the instrument. All financial assets other than those measured subsequently at fair value through profit and loss, are recognized initially at fair value plus transaction costs that are attributable to the acquisition of the financial asset.

Subsequent measurement

For the purpose of subsequent measurement, financial assets are classified in four categories:

- Amortized cost,
- Fair value through profit (FVTPL)
- Fair value through other comprehensive income (FVTOCI)

on the basis of its business model for managing the financial assets and the contractual cash flow characteristics of the financial asset.

Amortized cost:

A financial instrument is measured at the amortized cost if both the following conditions are met:

The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortized cost using the effective interest rate (EIR) method.

Fair value through profit and loss ('FVTPL'):

All financial assets that do not meet the criteria for amortised cost or fair value through other comprehensive income are measured at fair value through profit or loss with all changes recognized in the statement of profit and loss. Interest income (basis EIR method), from financial assets at fair value through profit or loss is recognised in the statement of profit and loss within finance income/ finance costs separately from the other gains/ losses arising from changes in the fair value.

Derivative financial instruments (call option over shares of subsidiaries) are classified as financial instruments at fair value through profit or loss. Such derivative financial instruments are initially recognised at fair value.

They are subsequently re-measured at their fair value, with changes in fair value being recognised in the statement of profit and loss.

Fair value through Other Comprehensive income ('FVOCI')

Financial assets are measured at FVOCI if both the following conditions are met:

The asset is held within a business model whose objective is achieved by both

- collecting contractual cash flows and selling financial assets and
- contractual terms of the asset give rise on specified dates to cash flows that are SPPI on the principal amount outstanding.

After initial measurement, these assets are subsequently measured at fair value. Dividends, Interest income under effective interest method, foreign exchange gains and losses and impairment losses are recognized in the Statement of Profit and Loss. Other net gains and losses are recognized in other comprehensive Income.

Derecognition:

A financial asset (or, where applicable, a part of a financial asset or a part of a group of similar financial assets) is primarily derecognized (i.e. removed from the Company's balance sheet) when:

The contractual rights to receive cash flows from the financial asset have expired, or

The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either

- (a) the Company has transferred substantially all the risks and rewards of the asset, or
- (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

On de-recognition, any gains or losses on all equity instruments (measured at FVTPL) and debt instruments (other than debt instruments measured at FVOCI) are recognized in the Statement of Profit and Loss. Gains and losses in respect of debt instruments measured at FVOCI and that are accumulated in OCI are reclassified to profit or loss on de-recognition.

Impairment of financial assets

In accordance with Ind-AS 109, the Company applies Expected Credit Loss ("ECL") model for measurement and recognition of impairment loss on the financial assets measured at amortized cost and debt instruments measured at FVOCI.

Loss allowances on trade receivables are measured following the 'simplified approach' at an amount equal to the lifetime ECL at each reporting date. In respect of other financial assets, the loss allowance is measured at 12 month ECL only if there is no significant deterioration in the credit risk since initial recognition of the asset or asset is determined to have a low credit risk at the reporting date.

g.2 Financial liabilities

Initial recognition and measurement

Financial liabilities are initially recognized when the Company becomes a party to the contractual provisions of the instrument.

Financial liability is initially measured at fair value plus, for an item not at fair value through profit and loss, transaction costs that are directly attributable to its acquisition or issue.

Subsequent measurement

Subsequent measurement is determined with reference to the classification of the respective financial liabilities.

Financial Liabilities at Fair Value through Profit or Loss (FVTPL):

A financial liability is classified as Fair Value through Profit or Loss (FVTPL) if it is classified as held -for trading or is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and changes therein, including any interest expense, are recognized in the Statement of Profit and Loss.

Financial Liabilities at amortized cost:

After initial recognition, financial liabilities other than those which are classified as FVTPL are subsequently measured at amortized cost using the effective interest rate ("EIR") method.

Amortized cost is calculated by taking into account any discount or premium and fees or costs that are an integral part of the EIR. The amortization done using the EIR method is included as finance costs in the Statement of Profit and Loss.

Derecognition

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the statement of profit or loss.

Derivative financial instruments

Derivative financial instruments are initially recognised at fair value on the date on which a derivative contract is entered into and are subsequently re-measured at fair value through profit or loss account. Derivatives are carried as financial assets when the fair value is positive and as financial liabilities when the fair value is negative.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis, or to realize the assets and settle the liabilities simultaneously.

- h) Investments in subsidiaries, associates and joint ventures:
No Investment held during the financial year by the company.
- i) Cash and Cash Equivalents

Cash and cash equivalents in the balance sheet and cash flow statement includes cash at bank and on hand, deposits held at call with banks, with original maturities less than three months which are readily convertible into cash and which are subject to insignificant risk of changes in value.

- j) Provisions, Contingent Liabilities and Contingent Assets

A provision is recognized when the enterprise has a present obligation (legal or constructive) as a result of a past event and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation, in respect of which a reliable estimate can be made. These are reviewed at each balance sheet date and adjusted to reflect the current management estimates.

If the effect of the time value of money is material, provisions are determined by discounting the expected future cash flows specific to the liability. The unwinding of the discount is recognized as finance cost.

Contingent Liabilities are disclosed in respect of possible obligations that arise from past events but their existence is confirmed by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company.

A contingent asset is a possible asset that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity. Contingent Assets are not recognized till the realization of the income is virtually certain. However the same are disclosed in the financial statements where an inflow of economic benefit is probable.

- k) Other income

×

Interest income

For all financial instruments measured at amortized cost, interest income is recorded using the effective interest rate (EIR). EIR is the rate which exactly discounts the estimated future cash receipts over the expected life of the financial instrument to the gross carrying amount of the financial asset. When calculating the EIR the Company estimates the expected cash flows by considering all the contractual terms of the financial instrument (for example, prepayments, extensions, call and similar options); expected credit losses are considered if the credit risk on that financial instrument has increased significantly since initial recognition.

- l) Employee Benefits

(i) Short-term Employee benefits

Liabilities for wages and salaries, bonus and ex gratia including non-monetary benefits that are expected to be settled wholly within twelve months after the end of the year in which the employees render the related service are classified as short term employee benefits and are recognized as an expense in the Statement of Profit and Loss as the related service is provided.

A liability is recognized for the amount expected to be paid if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

(ii) Compensated absences

The Company provides for compensated absences. The employees are entitled to accumulate leave subject to certain limits, for future encashment or availment. The liability is accrued based on the number of days of unavailed leave at each Balance Sheet date. It is measured at the balance sheet date on the basis of an independent actuarial valuation using the Projected Unit Credit method. Actuarial gains and losses are recognised in full in the statement of profit and loss in the period in which they occur. The Company also offers a short term benefit in the form of encashment of unavailed accumulated compensated absences above certain limits for all of its employees and same is recognised as undiscounted liability at the balance sheet date.

(iii) Share-based payments

The cost of equity settled transactions is determined by the fair value at the grant date which is based on the Black Scholes model. The grant date fair value of options granted to employees is recognized as an employee expense, with a corresponding increase in equity under "Employee Stock Options Reserve", over the period that the employees become unconditionally entitled to the options.

The expense so determined is recognised over the requisite vesting period, which is the period over which all of the specified vesting conditions are to be satisfied. As at each reporting date, the Company revises its estimates of the number of options that are expected to vest, if required.

When the terms of an equity-settled award are modified, in addition to the expense pertaining to the original award, an incremental expense is recognised for any modification that results in additional fair value, or is otherwise beneficial to the employee as measured at the date of modification.

(iv) Post-Employment BenefitsDefined Contribution Plans:

A defined contribution plan is a post-employment benefit plan under which a Company pays specified contributions to a separate entity and has no obligation to pay any further amounts. The Company makes contribution to provident fund in accordance with Employees Provident Fund and Miscellaneous Provisions Act, 1952 and Employee State Insurance. Contribution paid or payable in respect of defined contribution plan is recognized as an expense in the year in which services are rendered by the employee.

Defined Benefit Plans:

The Company's gratuity benefit scheme is a defined benefit plan. The liability is recognised in the balance sheet in respect of gratuity is the present value of the defined benefit/obligation at the balance sheet date less the fair value of plan assets (being funded portion), together with adjustments for unrecognised actuarial gain losses and past service costs. The defined benefit/obligation are calculated at balance sheet date by an independent actuary using the projected unit credit method. x

Re-measurement of the net defined benefit liability, which comprise actuarial gains and losses, the return on plan assets (excluding interest) and the effect of the asset ceiling (if any, excluding interest), are recognised immediately in other comprehensive income (OCI).

As per the notification issued by the Government of Karnataka under Section 4A of the Payment of Gratuity Act, 1972, and Rule 5 of the Karnataka Payment of Gratuity Rules, 1973, it is mandatory for all employers in the state to obtain a gratuity insurance policy from the Life Insurance Corporation of India or any other approved insurer to secure their gratuity obligations.

The Company has not yet complied with the requirement of obtaining such an insurance policy as mandated under the scheme. However, the gratuity liability has been provided in the books based on actuarial valuation as per the applicable accounting standards Ind AS 19 – Employee Benefits. The management is in the process of evaluating the steps required to comply with the scheme and intends to regularize the same in due course.

m) Income-tax

Income tax expense /income comprises current tax expense income and deferred tax expense income. It is recognized in statement of profit and loss except to the extent that it relates to items recognized directly in equity or in Other Comprehensive Income, in which case, the tax is also recognized directly in equity or other comprehensive income, respectively.

Current Tax

Current tax comprises the expected tax payable or recoverable on the taxable profit or loss for the year and any adjustment to the tax payable or recoverable in respect of previous years. It is measured at the amount expected to be paid to (or recovered from) the taxation authorities, using the applicable tax rates and tax laws.

- Current tax assets and liabilities are offset only if, the Company has a legally enforceable right to set off the recognized amounts; and
- intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

Deferred Tax

Deferred Income tax is recognized in respect of temporary differences between the carrying amount of assets and liabilities for financial reporting purpose and the amount considered for tax purpose.

Deferred tax assets are recognized for unused tax losses, unused tax credits and deductible temporary differences to the extent that it is probable that future taxable profits will be available against which they can be utilized. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow the benefit of part or all of that deferred tax asset to be utilized such reductions are reversed when it becomes probable that sufficient taxable profits will be available.

Unrecognized deferred tax assets are reassessed at each reporting date and recognized to the extent that it has become probable that future taxable profits will be available against which they can be recovered.

Deferred tax is measured at the tax rates that are expected to be applied to temporary differences when they reverse, using tax rates enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax assets and liabilities reflects the tax consequences that would follow from the manner in which the Company expects, at the reporting date, to recover or settle the carrying amount of its assets and liabilities.

Deferred tax assets and liabilities are offset only if:

- i) the entity has a legally enforceable right to set off current tax assets against current tax liabilities; and
- ii) the deferred tax assets and the deferred tax liabilities relate to income taxes levied by the same taxation authority on the same taxable entity.

n) Foreign currency transactions

Functional and Presentation currency

The Company's financial statements are prepared in Indian Rupees (INR) which is also company's functional currency.

Transactions and balances

There are no transactions in foreign exchange during the year.

o) Earnings per share:

Basic Earnings per share is calculated by dividing the profit or loss for the year attributable to the equity shareholders by the weighted average number of equity shares outstanding during the year.

For the purpose of calculating diluted earnings per share, the profit or loss for the period attributable to the equity shareholders and the weighted average number of equity shares outstanding during the period is adjusted to take into account:

- The after income tax effect of interest and other financing costs associated with dilutive potential equity shares, and
- Weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

p) Rounding off amounts

All amounts disclosed in financial statements and notes have been rounded off to the nearest lakhs as per the requirement of schedule III, under otherwise stated;

2.3 REGROUPING BASED ON "AMENDED SCHEDULE III" OF COMPANIES ACT, 2013:

Appropriate regrouping have been made in the financial statements, where ever required by reclassification of the corresponding items of income, expenses, assets, liabilities and cash flows, in order to bring them in line with the nomenclature and classification as per the audited financial statements of the Company for the year ended March 31, 2025, prepared in accordance with the Schedule III of Companies Act, 2013, as amended (the "Amended Schedule III"), requirements of Ind AS 1 and other Ind AS principles.

The Fair value of cash and cash equivalents, other bank balances, trade receivables, trade payables approximated the carrying value largely due to short term maturities of these instruments.

Financial instruments with fixed and variable interest rates are evaluated by the Company based on parameters such as interest rates and individual creditworthiness of the counter party. Based on this evaluation, allowances are taken to account for expected losses of these receivables. Accordingly, fair value of such instruments is not materially different from their carrying amounts.

The call options are fair valued at each reporting date through statement of profit and loss.

B. Fair value hierarchy

Ind AS 107, 'Financial Instrument - Disclosure' requires classification of the valuation method of financial instruments measured at fair value in the Balance Sheet, using a three level fair-value-hierarchy (which reflects the significance of inputs used in the measurements). The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value-hierarchy under Ind AS 107 are described below:

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices.

Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. This is the case for unlisted equity securities included in level 3.

Financial instruments measured at fair value:

The following table shows the valuation techniques used in measuring Level 2 and Level 3 fair values for financial instruments measured at fair value in the balance sheet as well as the significant unobservable inputs used.

Type	Valuation technique	Significant unobservable inputs	Infer-relationship between significant unobservable inputs and fair value measurement
Non current financial assets and liabilities measured at amortized cost.	Discounted cash flows: Under discounted cash flow method, future cash flows are discounted by using rates which reflect market risks. The valuation requires management to make certain assumptions about the model inputs, including forecast cash flows, discount rate and credit risk. The probabilities of the various estimates within the range can be reasonably assessed and are used in management's estimate of fair value.	Not Applicable	Not Applicable

40 Financial instruments – Fair values and risk management (Continued)

(C) Financial risk management

The Company' Board of Directors has overall responsibility for the establishment and oversight of the company' risk management framework.

The Company has exposure to the following risks arising from financial instruments

- Credit risk
- Liquidity risk
- Market risk

Credit risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's trade and other receivables and cash and cash equivalents. The maximum exposure to credit risk in case of all the financial instruments covered below is restricted to their respective carrying amount.

a. Trade receivables and other receivables

The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer. Credit risk is managed through credit approvals, establishing credit limits and continuously monitoring the creditworthiness of customers to which the Company grants credit terms in the normal course of business. The Company establishes an allowance for doubtful debts and impairment that represents its estimate of incurred losses in respect of trade and other receivables and investments.

The Company does not have any significant concentration of credit risk.

The Company has used a practical expedient by computing the expected credit loss allowance for trade receivables based on a provision matrix.

Liquidity risk:

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. Prudent liquidity risk management implies maintaining sufficient cash and marketable securities, the availability of funding through an adequate amount of committed credit facilities. The Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions.

b. Interest rate risk

Interest rate risk can be either fair value interest rate risk or cash flow interest rate risk. Fair value interest rate risk is the risk of changes in fair values of fixed interest bearing investments because of fluctuations in the interest rates. Cash flow interest rate risk is the risk that the future cash flows of floating interest bearing investments will fluctuate because of fluctuations in the interest rates.

The Company does not account for any fixed -rate financial assets or financial liabilities at fair value through profit or loss. Therefore, a change in interest rates at the reporting date would not affect profit or loss.

The interest rate profile of the Company's interest -bearing financial instruments as reported to the management of the Company is as follows.

Market risk:

Market risk is the risk that changes in market prices – such as foreign exchange rates, interest rates and equity prices – will affect the Company's income or the value of its holdings of financial instruments. The Company is exposed to market risk primarily related to foreign exchange rate risk and interest rate risk. The objective of market risk management is to avoid excessive exposure in foreign currency revenues and costs.

Currency risk

Currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates. The Company has foreign currency trade payables and receivables and is therefore exposed to foreign exchange risk.

Exposure to currency risk (Exposure in different currencies converted to functional currency i.e. INR)

There are no foreign currency transactions by the company. Hence evaluation of currency risk is not applicable to the company
