Letter to Shareholders

Dear Shareholders,

Chembond completed half a century this year! To think back to how Chembond was started by my father, Dr. Vinod D. Shah, we can truly feel proud of where we are fifty years later. Dr. Vinod Shah started thinking of Chembond and experimenting from a small kitchen in Lucknow. This “laboratory” then relocated to a balcony in Mumbai and after a couple more years, a “start-up” was born. Letting go of a senior management position and great career prospects with a MNC, at forty three (and four kids), required a special kind of mind and bent, and the strong support of my mother, Padma.

From that moment onwards, it has been a constant whirlwind of activity. From the first “factory” in a small shed in Parel to the “gala” in Lower Parel, then to the Tarapur plant in 1981, and now, fifty years later, we have always kept growing, “The Chembond Way.” If I think about the factors that contributed to this longevity, in addition to the most commonly cited factors – innovation, adaptation, and financial management – I would add greed (absence of), ethics, and passion. For a company like ours to thrive for the next 50 years, we will not only have to continue to innovate with continuous investment in R&D for new offerings & services, adapt to changing markets & conditions, and strengthen financial discipline but also check the greed instincts, work ethically, and maintain our passion to succeed. These are the ethos imbibed in us by our remarkable founder, Dr. Vinod D. Shah, which have become part of our DNA over the course of these years.

In recognition of his contributions to the industry, the Indian Chemical Society, at its 100 year celebration issued a coffee table book, “Chemical Heroes of the Century.” In this book, they have recognised the efforts of twelve individuals. I am proud to say that Dr. Shah is one among the dozen innovators in the hundred years of the chemical society in the country!

As we reflect on Chembond’s fifty year journey, we become more aware of the tremendous changes that have taken place during the evolution of our organisation. Those this year though seem more remarkable than in the past.

One major change is that in the space of a few months, our board underwent a complete 360, mainly due to regulations. We have seen the retirement of all independent and one promoter directors in 2024 and 2025.

Ashwin Nagarwadia, one of the founding promoters and a close friend of Dr. Vinod Shah stepped down from the Board in May 2025 because he felt that he would like to spend more time with his family and great grandchildren and in looking after his health. His dynamism, energy, ideas, network, and complete confidence in all us executives have had a great impact on where Chembond is today. His calm demeanour masked a razor-sharp business mind. His ideas for growing the business and exploring future technologies kept us ahead of the curve and always thinking forward.

We have to go back over 30 years to the time when Mahendra Ghelani joined the Chembond board. This was before our IPO, before our joint ventures or acquisitions or diversifications, and when we only had one manufacturing plant. All through this time, Mahendrabhai helped us navigate through all the challenges that came our way with his characteristic wit and pointed suggestions. His thoughtful discussions and healthy debates helped not just with legal matters but also added value across finance, strategy, operations, and more.

Sushil Lakhani joined our board in May 2010 on the recommendation of our director at the time, Jawahar Mehta. His deep knowledge of all areas of finance and business kept our management teams on their toes when it came to financial statements and audits. His support and advice—especially on direct, indirect, and foreign taxes—were spot on and something we could always count on.

Mrs. Saraswati Shankar attained term limits in March 2025. She brought a refreshing change to the board—adding much-needed diversity and balance. Her presence made discussions richer and helped us view things from a broader, more inclusive perspective.

In May 2025, Dr. Prakash Trivedi reached the ten year limit as an independent director. He was a tremendous asset to Chembond in technological and scientific areas where he would draw on his R&D experience in large-scale companies, in start-ups, as well as his vast network of academicians and industrialists. The best part was that he could deliver advice with a smile and a touch of humour—making it easier to accept and act on.

Our board meetings and AGM’s are going to be quite different without the presence, knowledge, wit, and above all, the ethics they insisted on in all affairs of Chembond. However, I am happy to say that we have equally competent and experienced directors joining our Board. All of us in the management team of Chembond look forward to the discussions and participation of Jayesh Shah, Mayank Shah, Gorsii Parekh, Jaywant Tawade and Kamal Tandon in the years ahead.

Another change for all of us is that with the approval of the demerger scheme by the statutory bodies and shareholders, Chembond is now a more focussed organisation. Material Technologies as well as Biosciences, are cutting edge businesses in exciting growth areas. All of the end markets that require our products - automobiles, 2/3 wheelers, commercial vehicles, steel, appliances, nutrition, or engineering – are going to keep growing. We have a strong foundation and with upcoming investments in product development, manufacturing facilities, and human capital, we can look forward to more change in the years ahead!

Sincerely

Sameer V. Shah

MANAGEMENT DISCUSSION AND ANALYSIS

Industry Structure & Developments

The global economy continues to expand at a steady yet moderate pace. For the current fiscal, the outlook for the Indian economy remains promising. The Indian chemical industry too is expected to be on a growth trajectory, supported by rising demand.

Outlook on Opportunities, Threats, and Risks & Concerns

The markets your Company caters to are growing. Your Company, with its infrastructure, human resources, sales and technical service expertise, financials, and product development, is well placed to capitalise on the growing demand. The company is further strengthening its product development activities, improving its manufacturing efficiencies, attaining increasing quality standards, among other initiatives, in order to remain competitive.

Opportunities

1. India is one of the faster growing large economies. As our standards of living improve, the demand for manufactured products will increase, which augurs well for your Company.
2. As the Indian consumers' purchasing power increases and they start to buy more two wheelers, cars, trucks, build more houses, buy more appliances, add more protein to our diets, etc. the demand for your Company's products will increase.
3. Being a well-known, professionally managed Company, customers will appreciate your Company's product offerings.
4. India's faster integration in global trade can open up more opportunities for export of your Company's products and for goods that use the same.

Threats

1. Volatility in raw material prices, exchange rates, global trade, geopolitics.
2. Threats from low-cost manufacturers and global manufacturers.
3. Obsolescence of your Company's technologies.
4. Changes in environmental regulations, automotive regulations, safety norms.
5. Cyber-attacks or data breaches.

6. Failure to attract or retain top talent.
7. Failure to innovate or meet customer needs.
8. Outbreak of infectious diseases could lead to death or precautionary destruction of farm animals as well as the reduced consumption and demand for animal derived protein.
9. Extreme weather or global warming events, infectious diseases, outbreaks, can impact demand or result in regional or seasonal fluctuations of sales as well as our operations.

Risks & Concerns

The growth of the performance materials and biosciences industry is driven by a need for constant innovation. A strong R&D focus ensures such innovation, quality management, and cost reductions. Your Company has been increasing its investments in strengthening its in-house development capabilities.

The Company is exposed to safety, health, security, and environmental risks, given the diversity and complexity of the industry in which your Company operates. The Managements commitment towards employee safety, health and the environment extends beyond accidents and occupational health hazards to social well-being of employees. The Company conducts frequent SHE audits to confirm its framework protocol and regulatory compliances, safety trainings are conducted across all our locations to nurture a culture of awareness and responsible behaviour. The Company has a Safety, Health and Environment Policy entailing its commitment towards high standards across its facilities.

Macro-economic conditions like the policy decisions of the government, currency fluctuations and volatility in commodity prices can affect the business of the Company. As the Company's revenue generating sources are diversified into various sectors having strong domestic demand, such risks are mitigated to some extent.

Financial Performance

During the year under review, your Company has achieved revenue from operations of ₹17,120.70 lakhs on a standalone basis and ₹20,129.99 lakhs on a consolidated basis. The comparative highlights and analysis are tabulated below.

Current ratio	2.66	2.65	2.23	2.13

Operating profit, net profit margin and return on equity have improved on the backdrop of sales growth and introduction of new products with higher margins across operating business units.

Improvement in collection days and better realisation from trade receivables enabled the Company to reduce borrowings, thus resulting in improved debtors turnover ratio, debt equity ratio and interest coverage ratio for standalone and consolidated financials.

There is no significant change (i.e. change more than compared to FY 2023-24) in other key financial ratios for FY 2024-25.

Segment Performance

Biotech

The India animal healthcare market encompasses a wide range of products and services, including veterinary pharmaceuticals, vaccines, feed additives, and diagnostics. Livestock accounts for approximately 65% of market share, companion animal care at 25%, and aquaculture at 10%. The India animal health market is estimated at ₹ 86 billion in 2024.

The Indian animal healthcare market growth is fuelled by the need to enhance livestock productivity, prevent zoonotic diseases, and meet the rising demand for animal protein. Technological advancements and government initiatives are playing a pivotal role in shaping the market. Government initiatives, such as the National Animal Disease Control Program (NADCP), are further propelling the market by enhancing vaccination coverage, disease prevention/surveillance efforts and livestock insurance schemes. Moreover, the rise of telemedicine and digital platforms for animal healthcare is transforming how veterinarians access services, ensuring timely and efficient care.

Chembond Biosciences is present in the feed additives segment which is experiencing rapid growth, focusing on improving animal nutrition and productivity. Your Company’s nutritional supplements cater to the Poultry, Dairy and Aqua segments with a presence nationwide. Our in-house manufacturing and R&D are focused on,

- Probiotics, Prebiotics & Enzymes
- Biosecurity & Farm Management
- Feed Additives
- Vitamin & Mineral Premixes

In the financial year 2024-25, Chembond Biosciences Limited achieved sales of ₹ 32.8 cr, a creditable growth of 14.5% over the previous year. Sales to the dairy segment grew by an impressive 34%. Vitamin premix sales in the poultry segment were affected by a sudden rise in input costs but were still able to grow by 11%. Our focused approach on improving overall hygiene of the business have resulted in positive results. We remain committed to developing quality products, delivering operational excellence, navigating challenges, and improving cash flows.

Looking forward, based on information from industry and market research groups, we expect the market for animal nutrition supplements to grow at a CAGR of above 7% till 2030.

Material Technologies

The Material Technologies business grew by 12%, primarily by continued growth in Automotive Sealants, Metal Treatment Chemicals, and Engineering Adhesives. In Metal Treatment the Company made continued progress in expanding its Surface Treatment business in General Industry, Steel, and Automotive Components. The Sealants business grew due to higher production of passenger vehicles, breakthroughs in the passenger vehicle category with wins of new customers / new lines. Introduction of newer technologies to the automotive industry continues to be a focus. In order to remain competitive, cost optimization, quality improvement, and improvement in productivity via initiatives like value stream mapping have been initiated.

Sealants

This year marked important strides for our sealants business. We successfully entered the passenger vehicle segment by starting supplies of paint shop sealants—an important step toward broadening our presence in high-volume automotive markets. Additionally, we developed butyl tapes used in the construction industry, opening up new opportunities beyond automotive. On the export front, we have focused efforts on tack cloths, with shipments now reaching global markets, reflecting a small but growing international interest in our product range.

Metal Treatment Chemicals

In our metal treatment chemicals portfolio, we’ve continued to build on our strengths while expanding into new territories. We reinforced our position in the white goods industry, securing supply relationships with more new lines. Our reach now extends to international markets as well, with exports of products for the steel industry to Africa. We’ve also deepened our presence in the cold forming industry, offering solutions tailored to evolving customer needs. Our focus remains on performance, reliability, and sustainability as we grow our domestic and global footprint.

Research & Development

Key customer wins in Metal Treatment Chemicals, Automotive Sealants, and Engineering Adhesives can be attributed to initiatives taken over the past years in product development. New sealants with better properties that met customer needs were developed. Energy and water saving cleaners were introduced in the metal treatment chemicals segment. The Biosciences team introduced new probiotics with better

delivery systems. Products with further environmental advantages for the steel and coil industry are under advanced stages of development.

In our endeavour to build a growing, profitable, and sustainable Company, these activities are being strengthened across all segments. Going forward, investment in R&D will be a priority for your Company and we will strive to reach an investment target of 5 to 10 % of sales in product development in the near future.

Safety, Health, Environment and Quality

At Chembond, safety, health, and environmental responsibility are core to our culture. We are committed to providing a safe and healthy workplace, exceeding statutory norms, and being the “supplier of choice” for our diverse customers. Our integrated operating management system is built on recognized engineering practices and international standards (ISO 9001, ISO 14001, ISO 45001), ensuring continuous improvement. We proactively track and analyse leading indicators, near-misses, and share learnings across our group, with regular reviews at the Company Director level to reinforce leadership accountability. As a responsible manufacturer, we support global climate change initiatives to actively reduce our carbon footprint by generating clean, renewable energy on-site. Our process-oriented approach enables us to meet goals efficiently while enhancing safety and sustainability performance..

Human Resources

The Company remains committed to fostering a culture of continuous people development and building a workplace rooted in trust, empathy, and mutual respect. During the year, we focused on strengthening our performance monitoring and feedback mechanisms to promote transparency, accountability, and individual growth. To support capability building, we introduced structured leadership development programs enabling employees to enhance their managerial effectiveness, strategic thinking, and people leadership skills. These initiatives are designed to bring greater consistency across our expanding operations and ensure stronger alignment between organizational objectives and employee aspirations. Through these efforts, we continue to uphold and reinforce our core values across every level of the organization.

Industrial / Employee Relations

The Company has maintained harmonious industrial / employee relations throughout and no man-days were lost due to industrial / employee actions.

Internal Control Systems and their Adequacy

Chembond’s sound internal control system, aims to ensure that operations are effective and well aligned with the strategic goals and its evolving needs. The Company’s internal controls are commensurate with its size, nature, geographical spread and complexities of its operations both at the entity and the process levels. The Company’s ERP system has been designed to have in-built checks and controls. The Company leverages an advanced SAP S/4HANA system for data capture, accounting, consolidation and management information purposes. Automated controls are integrated into processes to minimise deviations and exceptions, aligning with global best practices. It provides a full audit trail, logging and evaluation of all changed data in the system. Accounting documents are recorded for all business transactions. The internal control framework is intended to provide reasonable assurance towards the effectiveness and efficiency of its operations, reliability of financial reporting, compliance with applicable laws and regulations, prevention and detection of frauds and errors and safeguarding its assets.

The Company has implemented the Internal Financial Control (IFC) framework to ensure proper internal controls over financial reporting. The internal control system is further supplemented by internal audits carried out by independent Chartered Accountants and periodic reviews by the Management. The internal audit process is designed to assess the adequacy of internal checks and controls in the system and covers all the significant areas of the Company’s operations. Process owners undertake corrective actions in their respective areas based on the internal audit observations, thereby further strengthening the controls. The Audit Committee reviews the adequacy and effectiveness of the internal control systems and tracks the implementation of corrective actions. Significant audit observations and corrective actions taken by the Management are presented to the Audit Committee. The Audit Committee also meets the Statutory Auditors to ascertain, inter alia, their views on the adequacy of internal control systems and keeps the Board of Directors informed of its major observations.

Corporate Social Responsibility (CSR)

The Chembond Children’s Centre runs educational centres in six villages around Tarapur. In these villages (padas), the Children’s Centre works with over 200 children in the 1st to 4th standard group and almost 100 balwadi kids. The objective of these centres is to augment school curriculum by providing individual attention to students and improving the self-esteem of girls via skills like martial arts. In addition to the above, the Chembond Children’s Centre provides a nutritious meal, conducts camps and workshops in the areas of health care, life skills and assists students in obtaining scholarships.

The fundamental goals of the Chembond Children’s Centre are:

- to teach kids, especially girls, a variety of skill sets that would enable them to carve their future. Our unwavering thought and support towards women empowerment and education has led to encouraging women to realize their self-worth and potential, develop a source of income for themselves and to stand strong in life independently.
- to ensure that children in rural areas get opportunities for overall development and take responsibility for their lives and the world around them.
- to promote academic development by building a strong foundation in numeracy and literacy skills through the enhancing mathematical concepts, problem-solving abilities, as well as reading, writing, and comprehension skills.

- to support early childhood education, the program places special emphasis on language development, motor skills, emotional growth, and the cultivation of healthy habits—laying a strong foundation for the child’s future learning. It also encourages regular interaction with parents, fostering their active involvement in their child’s early educational journey.

During the year under review your Company donated ₹18.60 lakhs to the Visan Trust for running the Chembond Children’s Centre. Details pertaining to CSR Committee, Policy etc. are given in the Boards’ Report.

Disclosure of Accounting Treatment

Chembond has prepared financial statements for the FY 2024-25 in accordance with the Indian Accounting Standards (IND AS) as specified under Section 133 of the Companies Act, 2013.

Outlook

The outlook for the Indian economy and your Company in 2025-26 remains good.

FOR THE FINANCIAL YEAR ENDED 31ST MARCH, 2025

[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule No.: 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,
The Members,
Chembond Material Technologies Limited
(formerly known as Chembond Chemicals Limited)

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **Chembond Material Technologies Limited** (formerly known as Chembond Chemicals Limited) (hereinafter called “the Company”). The Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the Company’s statutory registers, minute books, forms and returns filed with the Registrar of Companies (“the ROC”), soft copy of various records sent over mail as provided by the Company and other relevant records maintained by the Company and also the information provided by the Company, its officers and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the Company has, during the audit period covering the financial year ended on 31st March, 2025 (“audit period”),

I have examined the statutory registers, minute books, forms and returns filed with the ROC and other relevant records maintained by the Company for the financial year ended on 31st March, 2025 according to the provisions of:

- (i) The Companies Act, 2013 (“the Act”) and the rules made thereunder;
- (ii) The Securities Contracts (Regulation) Act, 1956 (“SCRA”), rules made thereunder and the Regulations, Circulars, Guidelines issued thereunder by the Securities and Exchange Board of India (“SEBI”);
- (iii) The Securities and Exchange Board of India (Depositories and Participants) Regulations, 2018;
- (iv) The Foreign Exchange Management Act, 1999 and the Rules and Regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial

Borrowings–(Not applicable during the audit period);

- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 (“SEBI Act”):-

Though the following laws are prescribed in the format of Secretarial Audit Report, the same were not applicable to the Company for the financial year ended 31st March, 2025:

- (a) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2021;
- (b) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018;
- (c) The Securities and Exchange Board of India (Issue and Listing of Non-Convertible Securities) Regulations, 2021;
- (d) The Securities and Exchange Board of India (Share Based Employee Benefits and Sweat Equity) Regulations, 2021;
- (e) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
- (vi) I further report that, based on the Compliance Report of various Laws submitted by Department Heads of the Company, I am of the opinion that the Company has prima facie proper system to comply with the applicable laws.
- (vii) I have also examined compliance with the applicable clauses and I am of the opinion

that the Company has prima facie complied with the applicable provisions of the Secretarial Standards 1 and 2 issued by the Institute of Company Secretaries of India.

During the audit period, I am of the opinion that the Company has prima facie complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. as mentioned above.

I further report that:

1. I have not examined the Financial Statements, Financial books, related financial Acts and Related Party Transactions etc., For these matters, I rely on the report of statutory auditors for Financial Statement for the financial year ended 31st March, 2025.
2. The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the audit period were prima facie carried out in compliance with the provisions of the Act.

INDEPENDENT AUDITOR'S REPORT

Chembond Material Technologies Limited

Report on the Audit of the Standalone Financial Statements:

Opinion

We have audited the Standalone financial statements of Chembond Material Technologies Limited ("the Company") (formerly known as Chembond Chemicals Limited), which comprise the standalone Balance Sheet as at 31st March 2025, the standalone statement of Profit and Loss (including other comprehensive income), the standalone statement of changes in equity, the standalone statement of cash flows for the year then ended and notes to the Standalone financial statements, including a summary of material accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone financial statements give the information required by the Companies Act, 2013 ("Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards ('Ind AS') specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015 as amended and other accounting principles generally accepted in India of the state of affairs of the Company as at 31st March 2025, and profit (including other comprehensive income), changes in equity and its cash flows for the year ended on that date

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone financial statements section of our report.

We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

We draw attention to Note 49 & 50 to the financial statement, regarding the Composite Scheme of Arrangement for amalgamation and demerger (the "Scheme") whereby Chembond Material Technologies Private Limited (CMTPL), Phiroze Sethna Private Limited (PSPL) and Gramos Chemicals India Private Limited (GCIPL) amalgamated with the Company and "Construction Chemicals and Water Technologies chemicals" business was demerged from the Company to Chembond Chemical Specialties Limited as on the appointed date of 1st April, 2024. The Hon'ble National Company Law Tribunal (the NCLT) has approved the Scheme vide its Order dated 7th April 2025 and the said Order was filed with the Ministry of Corporate Affairs (MCA) by the Company and other companies involved in the Scheme on various dates as reported in Note 50 to the Standalone Financial Statements.

In accordance with the Scheme approved by the NCLT, the Company has given effect to the scheme from the appointed date specified therein i.e. 1st April 2024, and accordingly, as required under IND AS - 103 the comparative financial information of the Company forming part of the Statement for the year beginning from 1st April, 2023 has been restated.

Our report is not modified in respect of the above matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Standalone financial statements of the current period. These matters were addressed in the context of our audit of the Standalone financial statements as a whole, and in forming our opinion thereon, we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Information Other than the Standalone financial statements and Auditor’s Report Thereon

The Company’s Board of Directors is responsible for the other information. The other information comprises the information included in the Annual Report, for example, Management Discussion and Analysis, Board’s Report including Annexures to Board’s Report, Corporate Governance and Shareholders Information but does not include the standalone financial statements, consolidated Standalone financial statements and our auditor’s reports thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact to those charged with governance. We have nothing to report in this regard.

Responsibilities of management and Those Charged with Governance for the Standalone financial statements

The accompanying Standalone financial statements have been approved by the Company’s Board of Directors. The Company’s Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Standalone financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Indian Accounting Standards and other principles generally accepted in India.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company’s ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company’s financial reporting process.

Auditor’s Responsibilities for the Audit of the Standalone Financial Statements:

Our objectives are to obtain reasonable assurance about whether the Standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit

conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management’s use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company’s ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor’s report to the related disclosures in the Standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor’s report. However, future events or conditions may cause the Company to cease to continue as a going concern.

Chembond Material Technologies Limited

- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the Standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the standalone financial statements of the company to express an opinion on the standalone financial statements.

Materiality is the magnitude of misstatements in the Standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor’s report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by Companies (Auditor’s Report) Order, 2020 (“the Order”) issued by the Central Government of India in terms of section 143(11) of the Act, we give in the Annexure A, a statement on

the matters specified in the paragraph 3 and 4 of the Order, to the extent applicable.

2. Further to our comments in Annexure A, as required by Section 143 (3) of the Act, we report that
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - b. In our opinion proper books of account as required by law relating to preparation of the Standalone financial statements have been kept by the Company so far as it appears from our examination of those books except for the matters stated in 3(vi) below.
 - c. The standalone Balance Sheet, the standalone statement of Profit and Loss (including Other Comprehensive Income), the standalone statement of changes in equity and the standalone cash flow statement dealt with by this Report are in agreement with the books of account maintained for the purpose of preparation of these standalone financial statements;
 - d. In our opinion, the aforesaid Standalone financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act.
 - e. On the basis of the written representations received from the directors as on 31st March, 2025, taken on record by the Board of Directors, none of the directors is disqualified as on 31st March 2025, from being appointed as a director in terms of Section 164 (2) of the Act;
 - f. The modifications relating to the maintenance of accounts and other matters connected therewith in respect of audit trail are as stated in paragraph 2(b) above on reporting under section 143(3)(b) of the Act and paragraph 3(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014;
 - g. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in “Annexure B”.
3. With respect to the other matters to be included in the Auditors’ Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in

our opinion and to the best of our information and according to the explanations given to us:

- i. The company has disclosed the impact of pending litigations on its financial position in its standalone financial statements refer note. 41 of the standalone financial statements.
- ii. The Company does not have any long-term contracts, including derivative contracts for which there were any material foreseeable losses.
- iii. there has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
- iv. a) The management has represented that, to the best of its knowledge and belief as disclosed in note no. 46(c), no funds have been advanced or loaned or invested (either from borrowed funds or securities premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(entities), including foreign entities (“Intermediaries”), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company (“Ultimate Beneficiaries”) or provide any guarantee, security or like on behalf of the Ultimate Beneficiaries.
- b) The management has represented that to the best of its knowledge and belief as disclosed in note no. 46(d), no funds have been received by the Company from any person(s) or entity(entities), including foreign entities (“Funding Parties”), with the Understanding, whether recorded in writing or otherwise, that the Company shall, whether directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the funding party (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
- c) Based on such audit procedures that we have considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us

believe that management representations under sub-clause (a) and (b) above contain any material misstatement.

- v. The dividend declared and paid during the year by the Company is in compliance with Section 123 of the Act.
- vi. Based on our examination which included test checks, the Company has used accounting software, a payroll application and employee reimbursement for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software / application. However, audit trail feature is not enabled at the database level for accounting software to log any direct data changes as described in note no. 48 to the financial statements. Further, during the course of our audit, we did not come across any instance of audit trail feature being tampered with and the audit trail has been preserved in accordance with the requirements of section 128(5) of the Companies Act, 2013 for record retention.

- 4. With respect to the matter to be included in the Auditors’ Report under section 197(16):

In our opinion and according to the information and explanations given to us, the Company has paid and / or provided remuneration to its directors during the year ended 31st March, 2025 in accordance with the provisions of Section 197 of the Act.

Annexure - A to the Independent Auditors' Report

(Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' section of our report of even date for the year ended 31st March, 2025)

Report on Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of Section 143(11) of the Companies Act, 2013 ("the Act") of the Company.

- (i) Pursuant to the composite scheme of arrangement between the Company, other companies involved in the Scheme as mentioned above and their respective shareholders and creditors, Property, Plant and Equipment having net block of Rs. 1,673.97 Lakhs and Intangible Assets having net block of Rs. 38.86 Lakhs were transferred to Chembond Chemicals Specialties Limited with effect from the appointed date of 1st April 2024.
 - (a) [A] The Company has maintained proper records showing full particulars, including quantitative details and situation of property, plant and equipment.
 - [B] The Company has maintained proper records showing full particulars of Intangible assets. 
 - (b) The Company has a regular program of physical verification of its property, plant and equipment, under which the assets are physically verified in a phased manner over a period of three years, which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. In accordance with this program, certain property, plant and equipment were verified during the year and no material discrepancies were noticed on such verification.
 - (c) Pursuant to the composite scheme of arrangement, the Company is in the process of transferring the title deeds and lease agreements of the immovable properties in the name of the Company.
 - (d) The Company has not revalued its property, plant and equipment and intangible assets during the year.
 - (e) No proceedings have been initiated or are pending against the Company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and rules made thereunder. Accordingly, reporting under clause 3(i)(e) of the Order is not applicable to the Company.
- (ii) Pursuant to the composite scheme of arrangement between the Company, other companies involved in the Scheme as mentioned above and their respective shareholders and creditors, Inventories of Rs. 481.24 Lakhs were transferred to Chembond Chemicals Specialties Limited with effect from the appointed date of 1st April 2024.
 - (a) The management has conducted physical verification of inventory at reasonable intervals during the year. In our opinion, the coverage and procedure of such verification by the management is appropriate and no discrepancies of 10% or more in the aggregate for each class of inventory were noticed.
 - (b) The Company has a working capital limit in excess of 500.00 lakhs sanctioned by a bank based on the security of current assets. The quarterly statements, in respect of the working capital limits have been filed by the Company with such bank and such statements are in agreement with the books of account of the Company for the respective periods as reported in note no. 47 of the standalone financial statements .
- (iii) Pursuant to the Composite Scheme of Arrangement, the Company has not made any investments, provided guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, limited liability partnerships or any other parties during the year. Accordingly, reporting under clauses 3(iii)(a) to 3(iii)(f) of the Order is not applicable to the company.
- (iv) Pursuant to the Composite Scheme of Arrangement, In our opinion and according to us, the Company has complied with the provisions of Section 185 and 186 of the Act, in respect of loans, investments, guarantees, and security given for the year under report.
- (v) In our opinion, and according to the information and explanations given to us, the Company has not accepted any deposits or there is no amount which has been considered as deemed deposit within the meaning of sections 73 to 76 of the Act and the Companies (Acceptance of Deposits) Rules, 2014 (as amended). Accordingly, reporting under clause 3(v) of the Order is not applicable to the Company.

(vi) On the basis of explanation and representation given by the management and on our broad review of the cost records maintained by the Company pursuant to the Companies (cost records and audit) Rules, 2014 prescribed by the Central Government under Section 148(1) of the Act, we are of the opinion that prima facie the prescribed cost records have been made and maintained. We have, however, not made a detailed examination of the cost records with a view to determine whether they are accurate or complete.

(vii) (a) As per the information and explanations given to us, undisputed statutory dues including provident fund, employees' state insurance, income tax, professional tax, Goods and Service Tax, custom duty, cess and other statutory dues applicable to the Company have generally been regularly deposited with the appropriate authorities though there has been delays in deposit in a few cases which are not serious. Further, there are no undisputed amounts payable in respect of above-mentioned statutory dues which were in arrears, as at 31st March, 2025 for a period of more than six months from the date they became payable.

(b) According to the information and explanation given to us, there are no dues of income tax, sales tax, service tax, Goods and Service Tax, custom duty, excise duty and cess, which have not been deposited on account of any dispute except in the case of the following disputes which are pending:

Annexure - B to the Independent Auditors' Report

(Referred to in paragraph 2(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date for the year ended 31st March 2025)

Report on the Internal Financial Controls over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Chembond Material Technologies Limited ("the Company") as of 31st March, 2025 in conjunction with our audit of the Standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (the 'Guidance Note'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Standalone financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that:

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of Standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of Management and directors of the Company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the standalone financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper Management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note.

Notes to the Standalone Financial Statements For the year ended March 31, 2025

COMPANY INFORMATION:

Chembond Material Technologies Limited (the Company) (formerly known as Chembond Chemicals Limited) is a Public Limited Company domiciled in India and incorporated under the provisions of the Companies Act, 1956. Its shares are listed on BSE Limited (BSE) and National Stock Exchange of India Limited (NSE). The Registered office of the Company is situated at Chembond Centre, EL-71, MIDC Mahape, Navi Mumbai -400710, Maharashtra.

The Company is engaged in manufacturing of Speciality Chemicals. .

1. Basis of Preparation, Material Accounting Policies, Key Accounting estimates and Judgements and Recent Accounting Pronouncements

1.1 Basis of preparation of financial statements and presentation

The financial statements of the Company are prepared in Compliance with Indian Accounting Standards ('Ind AS') notified under Section 133 of the Companies Act, 2013, read together with the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016 and other relevant provisions of the Act. The Statements are prepared under the historical cost convention on the accrual basis except for certain financial instruments which are measured at fair values.

The accounting policies have been applied consistently over all the periods presented in these financial statements except where a newly-issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

The standalone financial statements are presented in Indian Rupees (INR) which is also the Company's functional currency and all values are rounded to the nearest Lakhs, except when otherwise indicated.

1.2 Summary of Material accounting policies

a) Business Combination:

Business Combinations are accounted under common control business combination which are accounted using the pooling of interest

method in accordance with principles of Indian Accounting Standards, including IND AS 103 (Business Combinations) at carrying values.

b) Property, Plant and Equipment:

The cost of an item of Property, Plant and Equipment ('PPE') is recognised as an asset if, and only if, it is probable that the future economic benefits associated with the item will flow to the Company and the cost can be measured reliably,

PPE are initially recognised at cost. The initial cost of PPE comprises its purchase price (including import duties and non-refundable purchase taxes but excluding any trade discount and rebates), and any directly attributable costs of bringing the asset to its working condition and location for its intended use.

Subsequent to initial recognition, PPE are stated at cost less accumulated depreciation and accumulated impairment losses, if any. Subsequent expenditure relating to PPE is capitalized only when it is probable that future economic benefits associated with these will flow to the Company and the cost of the item can be measured reliably. When an item of PPE is replaced, then its carrying amount is derecognised and the cost of the new item of PPE is recognised. Further, in case the replaced part was not depreciated separately, the cost of the replacement is used as an indication to determine the cost of the replaced part at the time it was acquired. All other repair and maintenance cost are recognised in Statement of profit and loss as incurred. The present value of the expected cost for the decommissioning of an asset after its use is included in the cost of the respective asset if the recognition criteria for a provision are met.

An item of PPE and any significant part initially recognised is derecognized upon disposal or when no future economic benefits are expected from its use or disposal. Any gains or losses arising from de-recognition of PPE are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the Statement of profit and loss when the PPE is derecognised.

The Company identifies and determines cost of each component/part of the asset separately, if the component/part has a cost which is significant to the total cost of the asset and has useful life that is materially different from that of the remaining asset.

c) Intangible Assets:

Intangible Assets are stated at historical cost less accumulated amortisation and accumulated impairment loss, if any. Profit or Loss on disposal of intangible assets is recognised in the Statement of Profit and Loss.

d) Capital Work in Progress & Capital Advances:

Capital work-in-progress comprises the cost of assets that are yet not ready for their intended use at the balance sheet date. Advances given towards acquisition of fixed assets outstanding at each balance sheet date are classified as Capital Advances under Other Non-Current Assets.

e) Depreciation and Amortization:

Depreciation on PPE (other than free hold and lease hold land) has been provided based on useful life of the assets in accordance with Schedule II of the Companies Act, 2013, on Straight Line Method. Freehold land is not depreciated. Leasehold land and leasehold improvements are amortized over the primary period of lease.

Depreciation methods, useful lives and residual value are reviewed at each reporting date and adjusted prospectively, if appropriate

f) Revenue Recognition:

Revenue is measured at the fair value of consideration received or receivable. Amounts disclosed as revenue are inclusive of excise duty and net of returns, trade discount or rebates and applicable taxes and duties collected on behalf of the government and which are levied on such sales.

The Company recognises revenue when the amount of revenue can be reliably measured and it is probable that future economic benefits will flow to the Company.

- i. Revenue from sales is recognised when goods are supplied and control over the Goods sold is transferred to the buyer which

is on dispatch/ delivery as per the terms of contracts and no significant uncertainty exists regarding the amount of the consideration that will be derived from the sales of the goods. This is considered the appropriate point where the performance obligations in the contracts are satisfied as the Group no longer has control over the inventory sales are presented net of returns, trade discounts rebates and Goods and service tax (GST).

- ii. Revenue from services is recognised pro-rata as and when services are rendered over a specified period of time. The company collects goods and service tax on behalf of the government and therefore it is not an economic benefit flowing to the company. Hence it is excluded from the revenue. Interest income is recognised using effective interest method on time proportion basis taking in to account the amount outstanding.
- iii Dividend income from investment is recognised when the Company's right to receive is established by the reporting date, which is generally when shareholders approve the dividend

g) Lease:

The determination of whether an arrangement is (or contains) a lease is based on the substance of the arrangement at the inception of the lease. The arrangement is, or contains, a lease if fulfilment of the arrangement is dependent on the use of a specific asset or assets and the arrangement conveys a right to use the asset or assets, even if that right is not explicitly specified in an arrangement.

Company as a Lessee

A lease is classified at the inception date as a finance lease or an operating lease. A lease that transfers substantially all the risks and rewards incidental to ownership to the Company is classified as a finance lease.

Finance leases are capitalised at the commencement of the lease at the inception date fair value of the leased property or, if lower, at the present value of the minimum lease payments. Leases payments are apportioned between finance charges and reduction of the

lease liability so as to achieve a constant rate of interest on the remaining balance of the liability. Finance charges are recognised in finance costs in the statement of profit and loss, unless they are directly attributable to qualifying assets, in which case they are capitalised in accordance with the Company's general policy on the borrowing costs. Contingent rentals are recognised as expenses in the periods in the periods in which they are incurred.

A leased asset is depreciated over the useful life of the asset. However, if there is no reasonable certainty that the Company will obtain ownership by the end of the lease term, the asset is depreciated over the shorter of the estimated useful life of the asset and the lease term.

Operating lease payments are generally recognised as an expense in the profit or loss on a straight-line basis over the lease term. Where the rentals are structured solely to increase in line with expected general inflation to compensate for the lessor's expected inflationary cost increases, such increases are recognised in the year in which such benefits accrue. Contingent rentals arising under operating leases are also recognised as expenses in the periods in which they are incurred.

The Company has elected not to recognise right-of-use assets and lease liabilities for short-term leases that have a lease term of 12 months or less and leases of low-value assets. The Company recognises the lease payments associated with these leases as an expense on a straight-line basis over the lease term.

Company as a lessor

Rental income from operating lease is generally recognised on a straight-line basis over the term of the relevant lease. Where the rentals are structured solely to increase in line with expected general inflation to compensate for the Company's expected inflationary cost increases, such increases are recognised in the year in which such benefits accrue. Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognised over the lease term on the same basis as rental income. Contingent rents are recognised as revenue in the period in which they are earned.

Amounts due from lessees under finance leases are recorded as receivables at the Company's net investment in the leases. Finance lease income is allocated to accounting periods so as to reflect a constant periodic rate of return on the Company's net investment outstanding in respect of the leases.

h) Inventories:

Inventories are valued at lower of the cost determined on weighted average basis or net realisable value. The comparison of cost and net realisable value is made on an item-by-item basis. Damaged, unserviceable and inert stocks are valued at net realizable value.

Determination Cost of raw materials, packing materials and stores spares and consumables Stocks is determined so as to exclude from the cost, taxes and duties which are subsequently recoverable from the taxing authorities.

Cost of finished goods and work-in-progress includes the cost of materials, an appropriate allocation of overheads and other costs incurred in bringing the inventories to their present location and condition.

i) Impairment of assets:

Goodwill and intangible assets that have an indefinite useful life are not subject to amortisation and are tested annually for impairment, or more frequently if event or changes are indicative in circumstances indicate that they might be impaired. Assets that have a definite useful life are tested for impairment whenever events or changes in circumstances that indicate that the carrying amount may not be recoverable. Management periodically assesses using external and internal sources, whether there is an indication that an asset may be impaired. An Impairment loss is recognised for the amount by which the assets carrying amount exceeds its recoverable amount. An impairment loss is charged to the Profit and Loss Account in the year in which an asset is identified as impaired. An impairment loss recognized in prior accounting periods is reversed if there has been change in the estimate of the recoverable amount.

j) Financial Instruments:

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. Financial instruments also include derivative contracts such as foreign currency foreign exchange forward contracts, futures and currency options.

1. Financial assets

Classification

The Company shall classify financial assets as subsequently measured at amortised cost, fair value through other comprehensive income (FVOCI) or fair value through profit and loss (FVTPL) on the basis of its business model for managing the financial assets and the contractual cash flow characteristics of the financial asset.

Initial recognition and measurement

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the date that the Company commits to purchase or sell the asset.

Debt instruments

- A 'debt instrument' is measured at the amortised cost if both the following conditions are met:
 - a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
 - b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.
- After initial measurement, such financial assets are subsequently measured at amortised cost using the

effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the profit and loss.

- Debt instruments included within the fair value through profit and loss (FVTPL) category are measured at fair value with all changes recognized in the statement of profit and loss.

Investments in subsidiaries, associates and joint venture

- Investments in subsidiaries and joint venture are carried at cost less accumulated impairment losses, if any. Where an indication of impairment exists, the carrying amount of the investment is assessed and written down immediately to its recoverable amount. On disposal of investments in subsidiaries and joint venture, the difference between net disposal proceeds and the carrying amounts are recognized in the statement of profit and loss.

Equity instruments

- The Company subsequently measures all equity investments in companies/ Mutual funds other than equity investments in subsidiaries, at fair value. Dividends from such investments are recognised in profit and loss as other income when the Company's right to receive payments is established

De-recognition

A financial asset derecognized only when:

- The rights to receive cash flows from the asset have expired, or
- The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either

- (a) the Company has transferred substantially all the risks and rewards of the asset, or
- (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset but has transferred control of the asset.
- When the Company has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Company continues to recognise the transferred asset to the extent of the Company's continuing involvement. In that case, the Company also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained.
- Continuing involvement that takes the form of a guarantee over the transferred asset is measured at the lower of the original carrying amount of the asset and the maximum amount of consideration that the Company could be required to repay.

Impairment of financial assets

In accordance with Ind-AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the following financial assets and credit risk exposure:

- a) Financial assets that are debt instruments, and are measured at amortised cost e.g., loans, debt securities, deposits, and bank balance
- b) Trade receivables or any contractual right to receive cash or another financial asset that result from transaction that are within the scope of IND AS 18.- The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

2. Financial liabilities

Initial recognition and measurement

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

The Company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts.

Financial liabilities at fair value through profit and loss

Financial liabilities at fair value through profit and loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit and loss. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. This category also includes derivative financial instruments entered into by the Company that are not designated as hedging instruments in hedge relationships as defined by Ind-AS 109.

Gains or losses on liabilities held for trading are recognised in the profit and loss.

Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit and loss.

3. Hedge accounting

Forward exchange contracts entered to hedge highly probable forecast revenues are recorded using the principles of hedge accounting as per Ind AS 109. Such forward exchange contracts which qualify for cash flow hedge accounting and where the conditions of Ind AS 109 have been met are initially measured at fair value

Chembond Material Technologies Limited

and are re-measured at subsequent reporting dates. Changes in the fair value of these derivatives that are designated and effective as hedges of the future cash flows are recognized directly under shareholder’s funds in the cash flow hedging reserve and the ineffective portion is recognised immediately in the statement of profit and loss.

At the inception of a hedge relationship, the Company formally designates and documents the hedge relationship to which the Company wishes to apply hedge accounting and the risk management objective and strategy for undertaking the hedge. The documentation includes the Company’s risk management objective and strategy for undertaking hedge, the hedging/ economic relationship, the hedged item or transaction, the nature of the risk being hedged, hedge ratio and how the entity will assess the effectiveness of changes in the hedging instrument’s fair value in offsetting the exposure to changes in the hedged item’s fair value or cash flows attributable to the hedged risk. Such hedges are expected to be highly effective in achieving offsetting changes in fair value of cash flows and are assessed on an ongoing basis to determine that they actually have been highly effective throughout the financial reporting periods for which they were designated.

Hedge accounting is discontinued when the hedging instrument expires or is sold or terminated or exercised or no longer qualifies for hedge accounting. Cumulative gain or loss on the hedging instrument recognised in shareholder’s funds is transferred to statement of profit and loss when the forecasted transaction occurs. If a hedged transaction is no longer expected to occur, the net cumulative gain or loss recognised in shareholder’s funds is transferred to the statement of profit and loss.

k) Fair Value Measurement:

The Company’s measures Financial Instruments at fair value at each Balance sheet date.

Fair value is the price that would be received to

sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, In the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

- All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole: Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

l) Foreign Currency and Translation balances:

Transactions in foreign currencies entered into by the Company are accounted in the functional currency at the exchange rates prevailing on the date of the transaction. Monetary assets and liabilities denominated in foreign currency are translated at functional currency closing rate of exchange at the reporting date. Exchange differences arising on foreign exchange transactions settled during the year are recognised in the statement of profit and loss.

m) Trade Receivables:

Trade receivables are recognised initially at fair value and subsequently measured at amortised cost using the effective interest method, less provision for Expected Credit Loss.

n) Trade Payables:

These amounts represent liabilities for goods and services provided to the Company prior to the end of financial year which are unpaid. The amounts are usually unsecured. Trade and other payables are presented as current liabilities unless payment is not due within twelve months after the reporting period. They are recognised initially at their fair value.

o) Income Taxes:

Income tax expenses comprises of current and deferred tax expense and is recognised in the statement of profit or loss except to the extent that it relates to items recognized directly in equity or in OCI, in which case, the tax is also recognised in directly in equity or OCI respectively.

Current tax:

Current tax is the amount expected tax payable or recoverable on the taxable profit or loss for the year and any adjustment to the tax payable or recoverable in respect of previous years. It is measured using tax rates enacted or substantively enacted by the end of reporting period. Management periodically evaluates

positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

The company recognizes the current tax expense in its profit and loss statement based on the higher of the two calculations below.

If the tax paid as per MAT exceeds the tax liability under normal provisions, the excess (MAT credit) is recognized as an asset (MAT Credit Entitlement) if there is probability that the company will be able to realize this credit in future years when normal tax exceeds MAT.

The MAT credit can be carried forward for up to 15 assessment years and set off against future tax liabilities arising under normal provisions

Deferred tax:

Deferred Income Tax is recognised using the Balance sheet approach. Deferred income tax assets and liabilities are recognised for deductible and taxable temporary differences arising between the tax base of assets and their carrying amount, except when the deferred income tax arises from the initial recognition of an assets or liability in a transaction that is not a business combination and affects neither accounting nor taxable profit or loss at the time of the transaction.

Deferred income tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences and the carry forward of unused tax credits and unused tax losses can be utilised.

The carrying amount of deferred income tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred income tax asset to be utilised.

Deferred tax assets and liabilities are measured using substantively enacted tax rates expected to apply to taxable income in the years in which the temporary differences are expected to be received or settled.

Deferred tax assets and liabilities are offset when they relate to income taxes levied by the same taxation authority and the relevant entity intends to settle its current tax assets and liabilities on a net basis.

p) Cash and Cash Equivalents

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash in hand, demand deposits with banks, other short term highly liquid investments with maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value, and bank overdrafts. Bank overdrafts are shown in current liabilities in the balance sheet.

q) Employee Benefits

Short term Employee Benefits

All employee benefits payable wholly within twelve months of rendering the service are classified as short term employee benefits and they are recognized in the period in which the employee renders the related service. The Company recognizes the undiscounted amount of short term employee benefits expected to be paid in exchange for services rendered as a liability (accrued expense) after deducting any amount already paid.

Post Employment Benefits

I. Defined Contribution Plan

Defined contribution plans are employee state insurance scheme and Government administered pension fund scheme for all applicable employees and superannuation scheme for eligible employees.

Recognition and measurement of defined contribution plans:

The Company recognizes contribution payable to a defined contribution plan as an expense in the Statement of Profit and Loss when the employees render services to the Company during the reporting period. If the contributions payable for services received from employees before the reporting date exceeds the contributions already paid, the deficit payable is recognized as a liability after deducting the contribution already paid. If the contribution already paid exceeds the contribution due for services

received before the reporting date, the excess is recognized as an asset to the extent that the prepayment will lead to, for example, a reduction in future payments or a cash refund.

II. Defined Benefit plans:

Provident Fund scheme

The Company makes specified monthly contributions towards Employee Provident Fund scheme in accordance with the statutory provisions

Gratuity scheme

The Company operates a defined benefit gratuity plan for employees. The Company contributes to a separate entity (a fund) administered by LIC, towards meeting the Gratuity obligation.

Pension Scheme:

The Company operates a defined benefit pension plan for certain specified employees and is payable upon the employee satisfying certain conditions, as approved by the Board of Directors.

Recognition and measurement of Defined Benefit plans:

The cost of providing defined benefits is determined using the Projected Unit Credit method with actuarial valuations being carried out at each reporting date. The defined benefit obligations recognized in the Balance Sheet represent the present value of the defined benefit obligations as reduced by the fair value of plan assets, if applicable. Any defined benefit asset (negative defined benefit obligations resulting from this calculation) is recognized representing the present value of available refunds and reductions in future contributions to the plan.

All expenses represented by current service cost, past service cost, if any, and net interest on the defined benefit liability / (asset) are recognized in the Statement of Profit and Loss. Remeasurements of the net defined benefit liability / (asset) comprising actuarial gains and losses and the return on the plan assets (excluding amounts included in net interest on the net defined benefit liability/asset), are

recognized in Other Comprehensive Income. Such remeasurements are not reclassified to the Statement of Profit and Loss in the subsequent periods.

The Company presents the above liability/(asset) as current and non-current in the Balance Sheet as per actuarial valuation by the independent actuary; however, the entire liability towards gratuity is considered as current as the Company will contribute this amount to the gratuity fund within the next twelve months.

Other Long Term Employee Benefits:

The Company does not allow encashment of leave Balance.

r) Research and Development

Revenue expenditure on Research and Development is charged to Profit and Loss Account as incurred. Capital expenditure on assets acquired for Research and Development is added to PPE and depreciated in accordance with the policies stated for Property, Plant and Equipment and Intangible Assets.

s) Borrowing Cost

Borrowing costs, that are, attributable to the acquisition, construction or production of qualifying are capitalized as part of the costs of such assets. A qualifying asset is one that necessarily takes a substantial period of time to get ready for its intended use or sale. All other borrowing costs are expensed in the period in which they occur. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

t) Earnings per share

The Company presents basic and diluted earnings per share (“EPS”) data for its equity shares. Basic EPS is calculated by dividing the profit or loss attributable to equity shareholders of the Company by the weighted average number of equity shares outstanding during the period. Diluted EPS is determined by adjusting the profit or loss attributable to equity shareholders and the weighted average number of equity shares outstanding for the effects of all dilutive potential ordinary shares, which includes all stock options granted to employees.

The number of equity shares and potentially dilutive equity shares are adjusted retrospectively for all periods presented for any share splits and bonus shares issues including for changes effected prior to the approval of the financial statements by the Board of Directors.

u) Current / Non-Current Classification:

The Company presents assets and liabilities in the balance sheet based on current/non-current classification as per IND AS 1

An asset is treated as current when it is:

- (i) Expected to be realised or intended to be sold or consumed in normal operating cycle
- (ii) Held primarily for the purpose of trading
- (iii) Expected to be realised within twelve months after the reporting period, or
- (iv) Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

A liability is current when:

- (i) It is expected to be settled in normal operating cycle.
- (ii) It is held primarily for the purpose of trading
- (iii) It is due to be settled within twelve months after the reporting period, or
- (iv) There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities respectively.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. The company has identified twelve months as its normal operating cycle.

v) Provisions, Contingent Liabilities and Contingent Assets

Provisions are recognized for liabilities that can be measured only by using a substantial degree of estimation, if

- (a) the Company has a present obligation as a result of a past event;
- (b) a probable outflow of resources is expected to settle the obligation; and
- (c) the amount of the obligation can be reliably estimated.

Reimbursement expected in respect of expenditure required to settle a provision is recognised only when it is virtually certain that the reimbursement will be received

Contingent liability is disclosed in case of

- (a) present obligation arising from past events, when it is not probable that an outflow of resources will be required to settle the obligation;
- (b) a present obligation when no reliable estimate is possible; and
- (c) a possible obligation arising from past events where the probability of outflow of resources is not remote.

Contingent Assets are neither recognised, nor disclosed.

Provision, Contingent Liabilities and Contingent Assets are reviewed at each balance Sheet date.

w) Dividend

The Company recognises a liability to make cash distributions to equity holders when the distribution is authorised and the distribution is no longer at the discretion of the Company. As per the Companies Act,2013 in India, a distribution is authorised when it is approved by the shareholders. A corresponding amount is recognised directly in equity.

x) Segment Reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker

1.3 Key accounting estimates and judgements

The preparation of the Company’s financial statements requires the management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

The areas involving critical estimates or judgements are:

- a. Property Plant & Equipment - Property, plant and equipment represent a significant proportion of the asset base of the Company. The charge in respect of periodic depreciation is derived after determining an estimate of an asset’s expected useful life and the expected residual value at the end of its life. The useful lives and residual values of Company’s assets are determined by management at the time the asset is acquired and reviewed at the end of each reporting period. The lives are based on historical experience with similar assets as well as anticipation of future events, which may impact their life, such as changes in technology.
- b. Provisions - Provision is recognised when the Company has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. These are reviewed at each balance sheet date adjusted to reflect the current best estimates.
- c. Taxes - Significant judgements are involved in determining the provision for income taxes, including amount expected to be paid / recovered for uncertain tax positions. In assessing the realizability of deferred tax assets arising from unused tax credits, the management considers convincing evidence about availability of sufficient taxable income against which such unused

tax credits can be utilized. The amount of the deferred income tax assets considered realizable, however, could change if estimates of future taxable income changes in the future

- d. Defined Benefit Obligations - The cost of defined benefit gratuity plans, and post-retirement medical benefit is determined using actuarial valuations. The actuarial valuation involves making assumptions about discount rates, future salary increases, mortality rates and future pension increases. Due to the long-term nature of these plans, such estimates are subject to significant uncertainty

1.4 Recent Accounting Pronouncements

The Ministry of Corporate Affairs has vide notification dated 14 August 2024 and 9 September 2024 notified Companies (Indian Accounting Standards) Amendment Rules, 2024 (the 'Rules') which amends certain accounting standards, and are effective 1 April 2024. The Rules predominantly brings new Ind AS 117 'Insurance Contracts' replacing the existing Ind AS 104 "Insurance Contracts and amends Ind AS 116, 'Leases'. As per the Management's assessment, these amendments are not expected to have a material impact on the Company in the current or future reporting periods and on foreseeable future transactions.

Nature & Purpose:

a. General Reserve:

General Reserve is used from time to time to transfer profits from Retained Earnings for appropriation purposes. As the general reserve is created by a transfer from one component of equity to another and is not an item of other comprehensive income, items included in the General Reserve will not be reclassified subsequently to statement of profit and loss.

b. Securities Premium :

Securities Premium is used to record the premium on issue of shares and is utilised in accordance with the provisions of the Companies Act , 2013.

c. Retained Earnings:

Retained Earnings are the profits of the Company earned till date net of appropriations.

d. Capital Reserve:

The capital reserve represents the excess of net assets acquired over the consideration paid during business combinations such as amalgamations, mergers, or acquisitions. This reserve arises primarily from the cancellation of shares of the amalgamated or merged entities and is maintained to facilitate future corporate restructuring activities, including mergers, demergers, or other forms of business combinations.

B. Measurement of fair values

Ind AS 107, ‘Financial Instrument - Disclosure’ requires classification of the valuation method of financial instruments measured at fair value in the Balance Sheet, using a three level fair-value-hierarchy (which reflects the significance of inputs used in the measurements). The hierarchy gives the highest priority to un-adjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and lowest priority to un-observable inputs (Level 3 measurements). Fair value of derivative financial assets and liabilities are estimated by discounting expected future contractual cash flows using prevailing market interest rate curves. The three levels of the fair-value-hierarchy under Ind AS 107 are described below:

Level 1: Hierarchy includes financial instruments measured using quoted prices.

Level 2: The fair value of financial instruments that are not traded in an active market are determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3: If one or more of the significant inputs are not based on observable market data, the instrument is included in level 3. e.g. unlisted equity securities.

C. Financial risk management

The Company’s activities expose it to Credit risk, liquidity risk and market risk.

i. Risk management framework

Risk Management is an integral part of the Company’s plans and operations. The Company’s board of directors has overall responsibility for the establishment and oversight of the Company risk management framework. The board of directors is responsible for developing and monitoring the Company risk management policies.

The audit committee oversees how management monitors compliance with the Company’s risk management policies and procedures, and reviews the adequacy of the risk management framework in relation to the risks faced by the Company. The audit committee is assisted in its oversight role by internal audit. Internal audit undertakes both regular and ad hoc reviews of risk management controls and procedures, the results of which are reported to the audit committee.

ii. Credit risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company’s receivables from customers and investments in debt securities, cash and cash equivalents, mutual funds, bonds etc.

The carrying amount of financial assets represents the maximum credit exposure.

Trade and other receivables

Credit risk is the risk of possible default by the counter party resulting in a financial loss.

The Company manages credit risk through various internal policies and procedures set forth for effective control over credit exposure. These are managed by way of setting various credit approvals, evaluation of financial condition before supply terms, setting credit limits, industry trends, ageing analysis and continuously monitoring the creditworthiness of customers to which the Company grants credit terms in the normal course of business.

Based on prior experience and an assessment of the current economic environment, management believes that sufficient provision is made based on expected credit loss model for credit risk wherever credit is extended to customers.

Cash and cash equivalents

Credit risk from balances with banks is managed by the Company’s treasury department in accordance with the Company’s policy. Investment of surplus funds are made in mainly in mutual funds with good returns and with high credit ratings assigned by International and domestic credit ratings agencies.

Other than trade and other receivables, the Company has no other financial assets that are past due but not impaired.

iii. Liquidity risk

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they become due. The Company manages its liquidity risk by ensuring, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due, under both normal and stressed conditions, without incurring unacceptable losses or risk to the Company’s reputation.

The Company has obtained fund and non-fund based working capital lines from various banks. The Company also constantly monitors funding options available in the debt and capital markets with a view to maintaining financial flexibility. Accordingly, liquidity risk is perceived to be low.

The following table shows the maturity analysis of financial liabilities of the Company based on contractually agreed undiscounted cash flows as at the Balance Sheet date:

Sr No	As at 31st March, 2025	Notes	Carrying Values	Less than 12 Months	More than 12 Months

3	Other Current Liabilities	22	694.19	694.19	-
TOTAL			3,637.92	3,590.83	47.09

iv. Market risk

Market risk is the risk of loss of future earnings, fair values or future cash flows that may result from adverse changes in market rates and prices (such as interest rates, foreign currency exchange rates). Market risk is attributable to all market risk-sensitive financial instruments, all foreign currency receivables and payables and all short term and long-term debt. The Company is exposed to market risk primarily related to foreign exchange rate risk, interest rate risk and the market value of its investments. Thus, the Company’s exposure to market risk is a function of investing and borrowing activities and revenue generating and operating activities in foreign currencies.

a) Currency risk

The Company is exposed to currency risk to the extent that there is a mismatch between the currencies in which sales, purchase, and other expenses are denominated and the functional currency of the Company. The functional currency of the Company is Indian Rupees (INR). The currencies in which these transactions are primarily denominated are EURO and USD.

Chembond Material Technologies Limited

Exposure to currency risk

The summary quantitative data about the Company’s exposure to currency risk as reported to the management of the Company is as follows:

- a The Company has not entered into forward contracts to hedge the foreign currency risks arising from amounts designated in foreign currency.
- b **Foreign Currency Exposures at the year end not hedged by derivative instruments:**

Currency	Nature	As at 31/03/2025		As at 31/03/2024	
		Foreign Currency	Indian Currency	Foreign Currency	Indian Currency

CHF	Asset	-	-	0.03	3.14
Euro	Asset	-	-	0.01	0.87
US Dollars	Asset	-	-	0.40	27.39

b) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. Investment committee manages and constantly reviews the interest rate movements in the market. This risk is mitigated by the Company by investing the funds in various tenors depending on the liquidity needs of the Company. The Company’s exposures to interest rate risk is not significant.

(vi) Sensitivity analysis

Reasonably possible changes at the reporting date to one of the relevant actuarial assumptions, holding other assumptions constant, would have affected the defined benefit obligation by the amounts shown below.

	As at 31st March, 2025		As at 31st March, 2024	
	Increase	Decrease	Increase	Decrease
Discount rate 1%/(0.5%) movement - Gratuity	(6.00)	6.90	(5.80)	6.70
Future salary growth 1%/(0.5%) movement - Gratuity	6.90	6.10	6.80	(6.00)

The above sensitivity analyses have been calculated to show the movement in defined benefit obligation in isolation and assuming there are no other changes in market conditions at the reporting date. In practice, generally it does not occur. When we change one variable, it affects to others. In calculating the sensitivity, project unit credit method at the end of the reporting period has been applied.

39 Capital Management

For the purpose of the Company’s capital management, capital includes issued capital and all other equity reserves attributable to the equity shareholders of the Company. The primary objective of the Company when managing capital is to safeguard its ability to continue as a going concern and to maintain an optimal capital structure so as to maximize shareholder value.

As at 31st March, 2025, the Company has only one class of equity shares and has low debt. Consequent to such capital structure, there are no externally imposed capital requirements. In order to maintain or achieve an optimal capital structure, the Company allocates its capital for distribution as dividend or re-investment into business based on its long term financial plans.

INDEPENDENT AUDITOR’S REPORT

To the Members of

Chembond Material Technologies Limited

Report on the Audit of the Consolidated Financial Statements:

Opinion

We have audited the consolidated financial statements of Chembond Material Technologies Limited (“the Company”, formerly know as Chembond Chemicals Limited) and its subsidiary listed in **Annexure - A** (the Company, its subsidiary, together referred to as “the Group”), which comprise the consolidated Balance Sheet as at 31st March 2025, the consolidated statement of Profit and Loss (Including Other comprehensive Income), the consolidated statement of changes in equity, the consolidated statement of cash flows for the year then ended and notes to the consolidated financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as “the consolidated financial statements”).

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 (“Act”) in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards (‘Ind AS’) specified under section 133 of the Act read with the Companies (Indian Accounting Standards as amended) Rules, 2015 and other accounting principles generally accepted in India of the consolidated state of affairs of the Group as at 31st March 2025, of its consolidated profit (including other comprehensive income), consolidated changes in equity and consolidated cash flows for the year then ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor’s Responsibilities for the Audit of the Consolidated Financial Statements section of our report.

We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance

with these requirements and the Code of Ethics.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the Consolidated Financial Statements.

Emphasis of Matter

1. We draw attention to Note 50 & 51 to the financial Statement, regarding the Composite Scheme of Arrangement for amalgamation and demerger (the "Scheme") whereby Chembond Material Technologies Private Limited (CMTPL) , Phiroze Sethna Private Limited (PSPL) and Gramos Chemicals India Private Limited (GCIPL) amalgamated with the Company and “Construction Chemicals and Water Technologies chemicals” business was demerged from the Company to Chembond Chemical Specialties Limited as on the appointed date of 1st April, 2024. The Hon'ble National Company Law Tribunal (the NCLT) has approved the Scheme vide its Order dated 7th April 2025 and the said Order was filed with the Ministry of Corporate Affairs (MCA) by the Company and other companies involved in the Scheme on various dates as reported in Note 49 to the consolidated financial Statements.

In accordance with the Scheme approved by the NCLT, the Company has given effect to the scheme from appointed date specified therein i.e. 1st April, 2024, and accordingly, as required under IND AS - 103 the comparative financial information of the Company forming part of the Statement for the periods beginning from 1st April, 2023 have been restated. Our opinion on the Statement is not modified in respect of these matters.

Our report on the Statement is not modified in respect of the above matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment and based on the consideration of the reports of the other auditors on separate financial statements and on the other financial information of the subsidiary, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Information Other than the Consolidated Financial Statements and Auditor’s Report Thereon

The Company’s Board of Directors is responsible for the other information. The other information comprises the information included in the Annual Report, for example, Management Discussion and Analysis, Board’s Report including Annexures to Board’s Report, Corporate Governance and Shareholders Information but does not include the consolidated financial statements, standalone financial statements and our auditor’s reports thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge

obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact to those charged with governance. We have nothing to report in this regard.

Responsibilities of management and Those Charged with Governance for the Consolidated Financial Statements

The accompanying consolidated financial statements have been approved by the Company’s Board of Directors. The Company’s Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance, consolidated total comprehensive income, consolidated changes

in equity and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act.

The respective Board of Directors of the entities included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of each entity and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Company, as aforesaid.

In preparing the consolidated financial statements, the respective management and Board of Directors of the entities included in the Group are responsible for assessing the ability of each entity to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the entity or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the entities included in the Group is responsible for overseeing the financial reporting process of each entity.

Auditor’s Responsibilities for the Audit of the Consolidated Financial Statements:

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has an adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management’s use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company’s ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor’s report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor’s report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence

regarding the financial information of such entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of financial information of such entities.

Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the consolidated financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the consolidated financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

a) We did not audit the financial statements of a subsidiary included in the Consolidated Financial Results, whose financial results, without giving effect to elimination of intra-group transactions, reflect total asset of Rs. 1,175.32 lakhs as at March 31, 2025, total revenue from operations of Rs.

862.91 lakhs and Rs. 3,281.46 lakhs for the quarter and year ended March 31, 2025 respectively, total profit after tax of Rs. 39.06 lakhs and Rs. 33.88 lakhs for the quarter and year ended March 31, 2025 respectively, total comprehensive income of Rs. 40.44 lakhs and Rs.35.20 lakhs for the quarter and year ended March 31, 2025 respectively and net cash outflow of Rs. 19.86 lakhs for the year ended March 31, 2025, as considered in the Statement. These financial statements have been audited by the other auditors, whose report have been furnished to us by the management and our opinion on the Statement, in so far as it relates to the amounts and disclosure included in respect of this subsidy is based solely on the report of the other auditors and the procedures performed by us as stated under the Auditors Responsibilities section above.

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters.

Report on Other Legal and Regulatory Requirements

The respective managements of the Company and its subsidiary companies, incorporated in India whose financial statements have been audited under the Act have represented to us and auditors of such subsidiary, respectively that, to the best of their knowledge and belief, as disclosed in note no. 47(C) to the consolidated financial statements, no funds have been advanced or loaned or invested (either from borrowed funds or securities premium or any other sources or kind of funds) by the Company or its subsidiary companies, to or in any persons or entities, including foreign entities (“the intermediaries”), with the understanding, whether recorded in writing or otherwise, that the intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company, or any such subsidiary companies (“the Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf the Ultimate Beneficiaries;
 - b. The respective managements of the Company and its subsidiary companies, incorporated in India whose financial statements have been audited under the Act have represented to us and auditors of such subsidiary respectively that, to the best of their knowledge and belief, as disclosed in the note no. 47(D) to the accompanying consolidated financial statements, no funds have been received by the Company or its subsidiary companies, including foreign entities (“the Funding Parties”), with the understanding, whether recorded in writing or otherwise, that the Company, or any such subsidiary companies, shall, whether directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
 - c. Based on such audit procedures performed, as considered reasonable and appropriate in the circumstances, nothing has come to our attention that causes us to believe that the management representations under sub-clauses (a) and (b) above contain any material misstatement.
 - v. The dividend declared and paid during the year by the Company and its Indian subsidiary is in compliance with Section 123 of the Act.
 - vi. Based on our examination which included test checks, the Group has used accounting software, a payroll application and employee reimbursement software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the

same has operated throughout the year for all relevant transactions recorded in the software / application. However, audit trail feature is not enabled at the database level for accounting software to log any direct data changes as described in note no. 49 to the financial statements.

Further, during the course of our audit, we did not come across any instance of audit trail feature being tampered with and the audit trail has been preserved in accordance with the requirements of section 128(5) of the Companies Act, 2013 for record retention.

3. With respect to the matter to be included in the Auditors' Report under section 197(16):

In our opinion and according to the information and explanations given to us and the reports of the statutory auditors of its subsidiary incorporated

in India, the Company and its subsidiary where applicable has paid and / or provided remuneration to its directors during the year ended 31st March, 2025 in accordance with the provisions of Section 197 of the Act.

With respect to the matters specified in paragraph 3(xxi) and 4 of the Companies (Auditor's Report) Order, 2020 (the "Order" / "CARO") issued by the Central Government in terms of Section 143(11) of the Act, to be included in the Auditor's report, according to the information and explanations given to us, and based on the CARO reports issued by us and auditors of the respective companies included in the consolidated financial statements of the Company, to which reporting under CARO is applicable, we report that there are no qualifications or adverse remarks in these CARO reports.

Report on the Internal Financial Controls over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

In conjunction with our audit of the consolidated financial statements of the Company for the year ended 31st March 2025, we have audited the internal financial controls over financial reporting of Chembond Material Technologies Limited (“the Company”) and its subsidiary which are incorporated in India as of 31st March, 2025.

Management’s Responsibility for Internal Financial Controls

The respective Board of Directors of the Company and its subsidiary companies, which are companies incorporated in India are responsible for establishing and maintaining internal financial controls based on the respective internal control over financial reporting criteria established by the Company and its subsidiary companies incorporated in India considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports referred to in Other Matter paragraph below is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Company.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of consolidated financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of consolidated financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the consolidated financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper Management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are

subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the Company and its subsidiary incorporated in India have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2025, based on the internal control over financial reporting criteria established by the Company and its subsidiary incorporated in India considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Business Combinations are accounted under common control business combination which are accounted using the pooling of interest method in accordance with principles of Indian Accounting Standards, including IND AS 103 (Business Combinations) at carrying values.

b) Property, Plant and Equipment

The cost of an item of Property, Plant and Equipment ('PPE') is recognised as an asset if, and only if, it is probable that the future economic benefits associated with the item will flow to the Group and the cost can be measured reliably,

PPE are initially recognised at cost. The initial cost of PPE comprises its purchase price (including import duties and non-refundable purchase taxes but excluding any trade discount and rebates), and any directly attributable costs of bringing the asset to its working condition and location for its intended use.

Subsequent to initial recognition, PPE are stated at cost less accumulated depreciation and accumulated impairment losses, if any. Subsequent expenditure relating to PPE is capitalized only when it is probable that future economic benefits associated with these will flow to the Group and the cost of the item can be measured reliably. When an item of PPE is replaced, then its carrying amount is derecognised and the cost of the new item of PPE is recognised. Further, in case the replaced part was not depreciated separately, the cost of the replacement is used as an indication to determine the cost of the replaced part at the time it was acquired. All other repair and maintenance cost are recognised in Statement of profit and loss as incurred. The present value of the expected cost for the decommissioning of an asset after its use is included in the cost of the respective asset if the recognition criteria for a provision are met.

An item of PPE and any significant part initially recognised is derecognized upon disposal or when no future economic benefits are expected from its use or disposal. Any gains or losses arising from de-recognition of PPE are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the Statement of profit and loss when the PPE is derecognised.

The Group identifies and determines cost of each component/part of the asset separately, if the component/part has a cost which is significant to the total cost of the asset and has useful life that is materially different from that of the remaining asset.

c) Intangible Assets

Intangible Assets are stated at historical cost less accumulated amortisation and accumulated impairment loss, if any. Profit or Loss on disposal of intangible assets is recognised in the Statement of Profit and Loss.

d) Capital Work in Progress & Capital Advances

Capital work-in-progress comprises the cost of assets that are yet not ready for their intended use at the balance sheet date. Advances given towards acquisition of fixed assets outstanding at each balance sheet date are classified as Capital Advances under Other Non-Current Assets.

e) Depreciation and Amortisation

Depreciation on PPE (other than free hold and lease hold land) has been provided based on useful life of the assets in accordance with Schedule II of the Companies Act, 2013, on Straight Line Method. Freehold land is not depreciated. Leasehold land and leasehold improvements are amortized over the primary period of lease.

Depreciation methods, useful lives and residual value are reviewed at each reporting date and adjusted prospectively, if appropriate.

Depreciation on Fixed Assets in case of Subsidiary Company Chembond Biosciences Limited (CBL) is provided on the straight line method at the rates and in the manner specified in part C of Schedule II of the Companies Act, 2013.

f) Revenue Recognition

Revenue is measured at the fair value of consideration received or receivable. Amounts disclosed as revenue are inclusive of excise duty and net of returns, trade discount or rebates and applicable taxes and duties collected on behalf of the government and which are levied on such sales.

The Group recognises revenue when the amount of revenue can be reliably measured and it is probable that future economic benefits will flow to the Group.

- i. Revenue from sales is recognised when goods are supplied and control over the Goods sold is transferred to the buyer which

is on dispatch/ delivery as per the terms of contracts and no significant uncertainty exists regarding the amount of the consideration that will be derived from the sales of the goods. This is considered the appropriate point where the performance obligations in the contracts are satisfied as the Group no longer has control over the inventory sales are presented net of returns, trade discounts rebates and Goods and service tax (GST).

- ii. Revenue from services is recognised pro-rata as and when services are rendered over a specified period of time. The Group collects goods and service tax on behalf of the government and therefore it is not an economic benefit flowing to the Group. Hence it is excluded from the revenue. .
- iii. Interest income is recognised using effective interest method on time proportion basis taking in to account the amount outstanding.
- iv. Dividend income from investment is recognised when the Company’s right to receive is established by the reporting date, which is generally when shareholders approve the dividend.

g) Leases:

The determination of whether an arrangement is (or contains) a lease is based on the substance of the arrangement at the inception of the lease. The arrangement is, or contains, a lease if fulfilment of the arrangement is dependent on the use of a specific asset or assets and the arrangement conveys a right to use the asset or assets, even if that right is not explicitly specified in an arrangement.

Company as a Lessee

A lease is classified at the inception date as a finance lease or an operating lease. A lease that transfers substantially all the risks and rewards incidental to ownership to the Group is classified as a finance lease.

Finance leases are capitalised at the commencement of the lease at the inception date fair value of the leased property or, if lower, at the present value of the minimum lease payments. Leases payments are apportioned

between finance charges and reduction of the lease liability so as to achieve a constant rate of interest on the remaining balance of the liability. Finance charges are recognised in finance costs in the statement of profit and loss, unless they are directly attributable to qualifying assets, in which case they are capitalised in accordance with the Group’s general policy on the borrowing costs. Contingent rentals are recognised as expenses in the periods in the periods in which they are incurred.

A leased asset is depreciated over the useful life of the asset. However, if there is no reasonable certainty that the Group will obtain ownership by the end of the lease term, the asset is depreciated over the shorter of the estimated useful life of the asset and the lease term.

Operating lease payments are generally recognised as an expense in the profit or loss on a straight-line basis over the lease term. Where the rentals are structured solely to increase in line with expected general inflation to compensate for the lessor’s expected inflationary cost increases, such increases are recognised in the year in which such benefits accrue. Contingent rentals arising under operating leases are also recognised as expenses in the periods in which they are incurred..

The Group has elected not to recognise right-of-use assets and lease liabilities for short-term leases that have a lease term of 12 months or less and leases of low-value assets. The Group recognises the lease payments associated with these leases as an expense on a straight-line basis over the lease term.

Company as a lessor

Rental income from operating lease is generally recognised on a straight-line basis over the term of the relevant lease. Where the rentals are structured solely to increase in line with expected general inflation to compensate for the Group expected inflationary cost increases, such increases are recognised in the year in which such benefits accrue. Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognised over the lease term on the same basis as rental income. Contingent rents are recognised as revenue in the period in which they are earned.

Amounts due from lessees under finance leases are recorded as receivables at the Group net investment in the leases. Finance lease income is allocated to accounting periods so as to reflect a constant periodic rate of return on the Group net investment outstanding in respect of the leases

h) Inventories:

Inventories are valued at lower of the cost determined on weighted average basis or net realisable value. The comparison of cost and net realisable value is made on an item-by-item basis. Damaged, unserviceable and inert stocks are valued at net realizable value.

Cost of raw materials, packing materials and stores spares and consumables Stocks is determined so as to exclude from the cost, taxes and duties which are subsequently recoverable from the taxing authorities.

Cost of finished goods and work-in-progress includes the cost of materials, an appropriate allocation of overheads and other costs incurred in bringing the inventories to their present location and condition.

i) Impairment of Assets

Goodwill and intangible assets that have an indefinite useful life are not subject to amortisation and are tested annually for impairment, or more frequently if event or changes are indicative in circumstances indicate that they might be impaired. Assets that have a definite useful life are tested for impairment whenever events or changes in circumstances that indicate that the carrying amount may not be recoverable. Management periodically assesses using external and internal sources, whether there is an indication that an asset may be impaired. An Impairment loss is recognised for the amount by which the assets carrying amount exceeds its recoverable amount. An impairment loss is charged to the Profit and Loss Account in the year in which an asset is identified as impaired. An impairment loss recognized in prior accounting periods is reversed if there has been change in the estimate of the recoverable amount.

j) Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. Financial instruments also include derivative contracts such as foreign currency foreign exchange forward contracts, futures and currency options.

a. Financial assets

Classification

The Group shall classify financial assets as subsequently measured at amortised cost, fair value through other comprehensive income (FVOCI) or fair value through profit and loss (FVTPL) on the basis of its business model for managing the financial assets and the contractual cash flow characteristics of the financial asset.

Initial recognition and measurement

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the date that the Group commits to purchase or sell the asset.

Debt instruments

- A ‘debt instrument’ is measured at the amortised cost if both the following conditions are met:
 - a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
 - b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.
- After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is

calculated by taking into account any discount or premium and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the profit and loss.

- Debt instruments included within the fair value through profit and loss (FVTPL) category are measured at fair value with all changes recognized in the statement of profit and loss.

Equity instruments

- The Group subsequently measures all equity investments in companies/Mutual funds other than equity investments in Subsidiary, at fair value. Dividends from such investments are recognised in profit and loss as other income when the Group’s right to receive payments is established.

De-recognition

A financial asset derecognized only when:

- The rights to receive cash flows from the asset have expired, or
- The Group has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a ‘pass-through’ arrangement; and either (a) the Group has transferred substantially all the risks and rewards of the asset, or (b) the Group has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.
- When the Group has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Group continues to recognise the transferred asset to the extent of the Group’s continuing involvement. In that case, the Group also recognises an associated liability. The transferred asset and the

associated liability are measured on a basis that reflects the rights and obligations that the Group has retained.

- Continuing involvement that takes the form of a guarantee over the transferred asset is measured at the lower of the original carrying amount of the asset and the maximum amount of consideration that the Group could be required to repay.

Impairment of financial assets

In accordance with Ind-AS 109, the Group applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the following financial assets and credit risk exposure:

- Financial assets that are debt instruments, and are measured at amortised cost e.g., loans, debt securities, deposits, and bank balance
- Trade receivables or any contractual right to receive cash or another financial asset that result from transaction that are within the scope of IND AS 18.- The application of simplified approach does not require the Group to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

b. Financial liabilities

Initial recognition and measurement

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

The Group’s financial liabilities include trade and other payables, loans and borrowings including bank overdrafts.

Financial liabilities at fair value through profit and loss

Financial liabilities at fair value through profit and loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit and loss. Financial liabilities are classified as held for trading if they are

incurred for the purpose of repurchasing in the near term. This category also includes derivative financial instruments entered into by the Group that are not designated as hedging instruments in hedge relationships as defined by Ind-AS 109.

Gains or losses on liabilities held for trading are recognised in the profit and loss.

Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit and loss.

C. Hedge accounting

Forward exchange contracts entered to hedge highly probable forecast revenues are recorded using the principles of hedge accounting as per Ind AS 109. Such forward exchange contracts which qualify for cash flow hedge accounting and where the conditions of Ind AS 109 have been met are initially measured at fair value and are re-measured at subsequent reporting dates. Changes in the fair value of these derivatives that are designated and effective as hedges of the future cash flows are recognized directly under shareholder’s funds in the cash flow hedging reserve and the ineffective portion is recognised immediately in the statement of profit and loss.

At the inception of a hedge relationship, the Group formally designates and documents the hedge relationship to which the Group wishes to apply hedge accounting and the risk management objective and strategy for undertaking the hedge. The documentation includes the Group’s risk management objective and strategy for undertaking hedge, the hedging/economic relationship, the hedged item or transaction, the nature

of the risk being hedged, hedge ratio and how the entity will assess the effectiveness of changes in the hedging instrument’s fair value in offsetting the exposure to changes in the hedged item’s fair value or cash flows attributable to the hedged risk. Such hedges are expected to be highly effective in achieving offsetting changes in fair value of cash flows and are assessed on an ongoing basis to determine that they actually have been highly effective throughout the financial reporting periods for which they were designated.

Hedge accounting is discontinued when the hedging instrument expires or is sold or terminated or exercised or no longer qualifies for hedge accounting. Cumulative gain or loss on the hedging instrument recognised in shareholder’s funds is transferred to statement of profit and loss when the forecasted transaction occurs. If a hedged transaction is no longer expected to occur, the net cumulative gain or loss recognised in shareholder’s funds is transferred to the statement of profit and loss.

k) Fair Value Measurement

The Group’s measures Financial Instruments at fair value at each Balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, In the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Group.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

The Group uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

- All assets and liabilities for which fair value is measured or disclosed in the consolidated financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:
- Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For assets and liabilities that are recognised in the consolidated financial statements on a recurring basis, the Group determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

For the purpose of fair value disclosures, the Group has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

l) Foreign Currency Transactions and Translation:

Transactions in foreign currencies entered into by the Group are accounted in the functional currency at the exchange rates prevailing on the date of the transaction. Monetary assets and liabilities denominated in foreign currency are translated at functional currency closing rate of exchange at the reporting date. Exchange differences arising on foreign exchange transactions settled during the year are recognised in the statement of profit and loss.

m) Trade Receivables

Trade receivables are recognised initially at fair value and subsequently measured at amortised cost using the effective interest method, less provision for Expected Credit Loss

n) Trade Payables

These amounts represent liabilities for goods and services provided to the Group prior to the end of financial year which are unpaid. The amounts are usually unsecured. Trade and other payables are presented as current liabilities unless payment is not due within twelve months after the reporting period. They are recognised initially at their fair value.

o) Income Taxes

Income tax expenses comprises of current and deferred tax expense and is recognised in the statement of profit or loss except to the extent that it relates to items recognized directly in equity or in OCI, in which case, the tax is also recognised in directly in equity or OCI respectively.

Current tax:

Current tax is the amount expected tax payable or recoverable on the taxable profit or loss for the year and any adjustment to the tax payable or recoverable in respect of previous years. It is measured using tax rates enacted or substantively enacted by the end of reporting period. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate

The company recognizes the current tax expense in its profit and loss statement based on the higher of the two calculations below.

If the tax paid as per MAT exceeds the tax liability under normal provisions, the excess (MAT credit) is recognized as an asset (MAT Credit Entitlement) if there is probability that the company will be able to realize this credit in future years when normal tax exceeds MAT.

The MAT credit can be carried forward for up to 15 assessment years and set off against future tax liabilities arising under normal provisions

Deferred tax:

Deferred Income Tax is recognised using the Balance sheet approach. Deferred income tax assets and liabilities are recognised for deductible and taxable temporary differences arising between the tax base of assets and their carrying amount, except when the deferred income tax arises from the initial recognition of an assets or liability in a transaction that is not a business combination and affects neither accounting nor taxable profit or loss at the time of the transaction.

Deferred income tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences and the carry forward of unused tax credits and unused tax losses can be utilised.

The carrying amount of deferred income tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred income tax asset to be utilised.

Deferred tax assets and liabilities are measured using substantively enacted tax rates expected to apply to taxable income in the years in which the temporary differences are expected to be received or settled.

Deferred tax assets and liabilities are offset when they relate to income taxes levied by the same taxation authority and the relevant entity intends to settle its current tax assets and liabilities on a net basis.

p) Cash and Cash Equivalents

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash in hand, demand deposits with banks, other short term highly liquid investments with maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value, and bank overdrafts. Bank overdrafts are shown in current liabilities in the balance sheet.

q) Employee Benefits

- **Short term Employee Benefits**

All employee benefits payable wholly within twelve months of rendering the service are classified as short term employee benefits and they are recognized in the period in which the employee renders the related service. The Group recognizes the undiscounted amount of short term employee benefits expected to be paid in exchange for services rendered as a liability (accrued expense) after deducting any amount already paid.

Post Employment Benefits

I. Defined Contribution Plan

Defined contribution plans are employee state insurance scheme and Government administered pension fund scheme for all applicable employees and superannuation scheme for eligible employees.

Recognition and measurement of defined contribution plans:

The Group recognizes contribution payable to a defined contribution plan as an expense in the Statement of Profit and Loss when the employees render services to the Group during the reporting period. If the contributions payable for services received from employees before the reporting date exceeds the contributions already paid, the deficit payable is recognized as a liability after deducting the contribution already paid. If the contribution already paid exceeds the contribution due for services received before the reporting date, the excess is recognized as an asset to the extent that the prepayment will lead to, for example, a reduction in future payments or a cash refund.

II. Defined Benefit plans:

Provident Fund scheme

The Group makes specified monthly contributions towards Employee Provident Fund scheme in accordance with the statutory provisions

Gratuity scheme

The Group operates a defined benefit gratuity plan for employees. The Group contributes to a separate entity (a fund) administered by LIC, towards meeting the Gratuity obligation.

Pension Scheme:

The Group operates a defined benefit pension plan for certain specified employees and is payable upon the employee satisfying certain conditions, as approved by the Board of Directors.

Recognition and measurement of Defined Benefit plans:

The cost of providing defined benefits is determined using the Projected Unit Credit method with actuarial valuations being carried out at each reporting date. The defined benefit obligations recognized in the Balance Sheet represent the present value of the defined benefit obligations as reduced by the fair value of plan assets, if applicable. Any defined benefit asset (negative defined benefit obligations resulting from this calculation) is recognized representing the present value of available refunds and reductions in future contributions to the plan.

All expenses represented by current service cost, past service cost, if any, and net interest on the defined benefit liability / (asset) are recognized in the Statement of Profit and Loss. Remeasurements of the net defined benefit liability/ (asset) comprising actuarial gains and losses and the return on the plan assets (excluding amounts included in net interest on the net defined benefit liability/asset), are recognized in Other Comprehensive Income. Such remeasurements are not reclassified to the Statement of Profit and Loss in the subsequent periods.

The Group presents the above liability/ (asset) as current and non-current in the Balance Sheet as per actuarial valuation by the independent actuary; however, the entire liability towards gratuity is considered as current as the Company will contribute this amount to the gratuity fund within the next twelve months.

- **Other Long Term Employee Benefits:**

The Group does not allow encashment of leave Balance.

r) Research and Development

Revenue expenditure on Research and Development is charged to Profit and Loss Account as incurred. Capital expenditure on assets acquired for Research and Development is added to PPE and depreciated in accordance with the policies stated for Property, Plant and Equipment and Intangible Assets.

s) Borrowing Cost

Borrowing costs, that are, attributable to the acquisition, construction or production of qualifying are capitalized as part of the costs of such assets. A qualifying asset is one that necessarily takes a substantial period of time to get ready for its intended use or sale. All other borrowing costs are expensed in the period in which they occur. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

t) Earnings per share

The Company presents basic and diluted earnings per share (“EPS”) data for its equity shares. Basic EPS is calculated by dividing the profit or loss attributable to equity shareholders of the Company by the weighted average number of equity shares outstanding during the period. Diluted EPS is determined by adjusting the profit or loss attributable to equity shareholders and the weighted average number of equity shares outstanding for the effects of all dilutive potential ordinary shares, which includes all stock options granted to employees.

The number of equity shares and potentially dilutive equity shares are adjusted retrospectively for all periods presented for any share splits and bonus shares issues including for changes effected prior to the approval of the financial statements by the Board of Directors.

u) Current / Non-Current Classification:

The Group presents assets and liabilities in the balance sheet based on current/non-current classification as per IND AS 1

An asset is treated as current when it is:

- (i) Expected to be realised or intended to be sold or consumed in normal operating cycle
- (ii) Held primarily for the purpose of trading

- (iii) Expected to be realised within twelve months after the reporting period, or
- (iv) Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

A liability is current when:

- (i) It is expected to be settled in normal operating cycle.
- (ii) It is held primarily for the purpose of trading
- (iii) It is due to be settled within twelve months after the reporting period, or
- (iv) There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

The Group classifies all their liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities respectively.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. The Group has identified twelve months as its normal operating cycle.

v) Provisions, Contingent Liabilities and Contingent Assets

Provisions are recognized for liabilities that can be measured only by using a substantial degree of estimation, if

- (a) the Group has a present obligation as a result of a past event;
- (b) a probable outflow of resources is expected to settle the obligation; and
- (c) the amount of the obligation can be reliably estimated.

Reimbursement expected in respect of expenditure required to settle a provision is recognised only when it is virtually certain that the reimbursement will be received.

Contingent liability is disclosed in case of

- (a) a present obligation arising from past events, when it is not probable that an outflow of resources will be required to settle the obligation;
- (b) a present obligation when no reliable estimate is possible; and
- (c) a possible obligation arising from past events where the probability of outflow of resources is not remote.

Contingent Assets are neither recognised, nor disclosed.

Provision, Contingent Liabilities and Contingent Assets are reviewed at each balance Sheet date.

w) Dividend

The Group recognises a liability to make cash distributions to equity holders when the distribution is authorised and the distribution is no longer at the discretion of the Group. As per the Companies Act,2013 in India, a distribution is authorised when it is approved by the shareholders. A corresponding amount is recognised directly in equity.

x) Segment Reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker.

1.3 Key accounting estimates and judgements

The preparation of the Company’s consolidated financial statements requires the management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

The areas involving critical estimates or judgements are:

- a. Property Plant & Equipment - Property, plant and equipment represent a significant proportion of the asset base of the Company. The charge in respect of periodic depreciation is derived after

determining an estimate of an asset's expected useful life and the expected residual value at the end of its life. The useful lives and residual values of Company's assets are determined by management at the time the asset is acquired and reviewed at the end of each reporting period. The lives are based on historical experience with similar assets as well as anticipation of future events, which may impact their life, such as changes in technology.

- b. Provisions - Provision is recognised when the Company has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. These are reviewed at each balance sheet date adjusted to reflect the current best estimates.
- d. Taxes - Significant judgements are involved in determining the provision for income taxes, including amount expected to be paid / recovered for uncertain tax positions. In assessing the realizability of deferred tax assets arising from unused tax credits, the management considers convincing evidence about availability of sufficient taxable income against which such unused tax credits can be

utilized. The amount of the deferred income tax assets considered realizable, however, could change if estimates of future taxable income changes in the future.

- f. Defined Benefit Obligations - The cost of defined benefit gratuity plans, and post-retirement medical benefit is determined using actuarial valuations. The actuarial valuation involves making assumptions about discount rates, future salary increases, mortality rates and future pension increases. Due to the long-term nature of these plans, such estimates are subject to significant uncertainty.

1.4 Recent Accounting Pronouncements

The Ministry of Corporate Affairs has vide notification dated 14 August 2024 and 9 September 2024 notified Companies (Indian Accounting Standards) Amendment Rules, 2024 (the 'Rules') which amends certain accounting standards, and are effective 1 April 2024. The Rules predominantly brings new Ind AS 117 'Insurance Contracts' replacing the existing Ind AS 104 "Insurance Contracts and amends Ind AS 116, 'Leases'. As per the Management's assessment, these amendments are not expected to have a material impact on the Company in the current or future reporting periods and on foreseeable future transactions.

Nature & Purpose:

Capital Reserve:

The capital reserve represents the excess of net assets acquired over the consideration paid during business combinations such as amalgamations, mergers, or acquisitions. This reserve arises primarily from the cancellation of shares of the amalgamated or merged entities and is maintained to facilitate future corporate restructuring activities, including mergers, demergers, or other forms of business combinations.

General Reserve:

General Reserve is used from time to time to transfer profits from Retained Earnings for appropriation purposes. As the general reserve is created by a transfer from one component of equity to another and is not an item of other comprehensive income, items included in the General Reserve will not be reclassified subsequently to statement of profit and loss.

Securities Premium :

Securities Premium is used to record the premium on issue of shares and is utilised in accordance with the provisions of the Companies Act , 2013.

Retained Earnings:

Retained Earnings are the profits of the Group earned till date net of appropriations.

B. Measurement of fair values

Ind AS 107, ‘Financial Instrument - Disclosure’ requires classification of the valuation method of financial instruments measured at fair value in the Balance Sheet, using a three level fair-value-hierarchy (which reflects the significance of inputs used in the measurements). The hierarchy gives the highest priority to un-adjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and lowest priority to un-observable inputs (Level 3 measurements). Fair value of derivative financial assets and liabilities are estimated by discounting expected future contractual cash flows using prevailing market interest rate curves. The three levels of the fair-value-hierarchy under Ind AS 107 are described below:

Level 1: Heirarchy includes financial instruments measured using quoted prices.

Level 2: The fair value of financial instruments that are not traded in an active market are determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3: If one or more of the significant inputs are not based on observable market data, the instrument is included in level 3. e.g. unlisted equity securities.

Transfers between Levels

There are no transfers between the levels

C. Financial risk management

The Company’s activities expose it to Credit risk, liquidity risk and market risk.

i. Risk management framework

Risk Management is an integral part of the Company’s plans and operations. The Company’s board of directors has overall responsibility for the establishment and oversight of the Company risk management framework. The board of directors is responsible for developing and monitoring the Company risk management policies.

The Risk Management committee oversees how management monitors compliance with the Company’s risk management policies and procedures, and reviews the adequacy of the risk management framework in relation to the risks faced by the Company. The audit committee is assisted in its oversight role by internal audit. Internal audit undertakes both regular and ad hoc reviews of risk management controls and procedures, the results of which are reported to the audit committee.

ii. Credit risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company’s receivables from customers and investments in debt securities, cash and cash equivalents, mutual funds, bonds etc.

The carrying amount of financial assets represents the maximum credit exposure.

Trade and other receivables

Credit risk is the risk of possible default by the counter party resulting in a financial loss.

The Company manages credit risk through various internal policies and procedures setforth for effective control over credit exposure. These are managed by way of setting various credit approvals,evaluation of financial condition before supply terms, setting credit limits, industry trends,ageing analysis and continuously monitoring the creditworthiness of customers to which the Company grants credit terms in the normal course of business.

Chembond Material Technologies Limited

Based on prior experience and an assessment of the current economic environment, management believes that sufficient provision is made based on expected credit loss model for credit risk wherever credit is extended to customers.

Cash and cash equivalents

Credit risk from balances with banks is managed by the Company’s treasury department in accordance with the Company’s policy. Investment of surplus funds are made in mainly in mutual funds with good returns and with high credit ratings assigned by International and domestic credit ratings agencies.

Other than trade and other receivables, the Company has no other financial assets that are past due but not impaired.

iii. Liquidity risk

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they become due. The Company manages its liquidity risk by ensuring, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due, under both normal and stressed conditions, without incurring unacceptable losses or risk to the Company’s reputation.

The Company has obtained fund and non-fund based working capital lines from various banks. The Company also constantly monitors funding options available in the debt and capital markets with a view to maintaining financial flexibility. Accordingly, liquidity risk is perceived to be low.

The following table shows the maturity analysis of financial liabilities of the Company based on contractually agreed undiscounted cash flows as at the Balance Sheet date:

4	Other Current Liabilities	22	901.55	901.55	-
TOTAL			4,776.74	4,717.19	59.55

iv. Market risk

Market risk is the risk of loss of future earnings, fair values or future cash flows that may result from adverse changes in market rates and prices (such as interest rates, foreign currency exchange rates). Market risk is attributable to all market risk-sensitive financial instruments, all foreign currency receivables and payables and all short term and long-term debt. The Company is exposed to market risk primarily related to foreign exchange rate risk, interest rate risk and the market value of its investments. Thus, the Company’s exposure to market risk is a function of investing and borrowing activities and revenue generating and operating activities in foreign currencies.

a) Currency risk

The Company is exposed to currency risk to the extent that there is a mismatch between the currencies in which sales, purchase, and other expenses are denominated and the functional currency of the Company. The functional currency of the Company is Indian Rupees (INR). The currencies in which these transactions are primarily denominated are EURO and USD.

Exposure to currency risk

The summary quantitative data about the Company’s exposure to currency risk as reported to the management of the Company is as follows:

- a The Company has not entered into forward contracts to hedge the foreign currency risks arising from amounts designated in foreign currency.
- b Foreign Currency Exposures at the year end not hedged by derivative instruments:

Currency	Exposure to buy/sell	As at 31/03/2025		As at 31/03/2024	
		Foreign Currency	Indian Currency	Foreign Currency	Indian Currency

Euro	Asset	-	-	0.01	0.87
US Dollars	Asset	0.12	10.16	0.32	34.24

b) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. Investment committee manages and constantly reviews the interest rate movements in the market. This risk is mitigated by the Company by investing the funds in various tenors depending on the liquidity needs of the Company. The Company’s exposures to interest rate risk is not significant.

(vi) Sensitivity analysis

Reasonably possible changes at the reporting date to one of the relevant actuarial assumptions, holding other assumptions constant, would have affected the defined benefit obligation by the amounts shown below.

	As at 31st March, 2025		As at 31st March, 2024	
	Increase	Decrease	Increase	Decrease
Discount rate (1% movement) - Gratuity	(6.00)	6.90	(5.80)	6.70
Future salary growth (1% movement) - Gratuity	6.90	6.10	6.80	(6.00)

The above sensitivity analyses have been calculated to show the movement in defined benefit obligation in isolation and assuming there are no other changes in market conditions at the reporting date. In practice, generally it does not occur. When we change one variable, it affects to others. In calculating the sensitivity, project unit credit method at the end of the reporting period has been applied.

39 Capital Management

For the purpose of the Company’s capital management, capital includes issued capital and all other equity reserves attributable to the equity shareholders of the Company. The primary objective of the Company when managing capital is to safeguard its ability to continue as a going concern and to maintain an optimal capital structure so as to maximize shareholder value.

As at 31st March, 2025, the Company has only one class of equity shares and has low debt. Consequent to such capital structure, there are no externally imposed capital requirements. In order to maintain or achieve an optimal capital structure, the Company allocates its capital for distribution as dividend or re-investment into business based on its long term financial plans.

ITEM Nos . 11 & 12

Pursuant to the provisions of Section 62(1)(b) of the Companies Act, 2013 and the Securities and Exchange Board of India (Share Based Employee Benefits and Sweat Equity) Regulations, 2021, the Board of Directors has proposed the introduction and adoption of an Employee Stock Option Scheme titled “CHEMBOND Employee Stock Option Scheme 2025” (hereinafter referred to as the “CHEMBOND ESOP 2025”). The Company recognizes the importance of rewarding and retaining talented employees who contribute significantly to its growth and success.

Share based benefits are recognized as an effective way to attract, incentivize, retain key talents as well as motivate the employees to contribute in the Company’s growth and profitability and to recognize and reward the

efforts of the Employees in the progress of the Company by aligning their interest with the long term interests of the Company resulting in long term shareholder’s value creation.

The requisite disclosures as required under Regulation 6(2) and any other applicable provisions of the Securities and Exchange Board of India (Share Based Employees Benefits and Sweat Equity) Regulations, 2021 (“SBEB Regulations”), are set out below:

a) Brief description of the Scheme

The objective of CHEMBOND ESOP 2025 is to attract, retain, reward and create a sense of ownership and participation amongst the eligible employees of the Company and the subsidiary and associate companies and to drive high standard of

Chembond Material Technologies Limited

individual performance and consequently enhance the financial performance of the Company. This also provides an opportunity to employees to participate in the growth of the Company, besides creating long term wealth in their hands.

Under the CHEMBOND ESOP 2025, the NRC (also designated as the Compensation Committee) shall grant Employee Stock Options ('Stock Options') to such Eligible Employees of the Company and its subsidiary(ies) and associate company(ies), who satisfy the eligibility criteria as determined by the NRC as per the terms and conditions of the CHEMBOND ESOP 2025. The number of Stock Options to be granted to each Eligible Employee shall be determined by the NRC from time to time as per the terms of the CHEMBOND ESOP 2025.

The CHEMBOND ESOP 2025 has been drawn in accordance with the SBEB Regulations issued by SEBI and other applicable laws and reviewed and recommended by the Nomination and Remuneration Committee and the Board of Directors ("Board") at their respective meetings held on May 30, 2025.

The Scheme will be implemented, operated and administered under the superintendence of the Company's Nomination and Remuneration Committee, which is a Committee of the Board of Directors, the majority of whose Members are Independent Directors.

b) Total number of Options to be offered and granted

The total number of Options to be offered and granted under the CHEMBOND ESOP 2025 shall not exceed 4,00,000 (Four Lakh) to the Eligible Employees of the Company and its subsidiary and associate companies, which on exercise would entitle not more than 4,00,000 (Four Lakh) fully paid equity shares constituting approximately 3% of the issued equity share capital as on March 31, 2025. The ESOP Pool may be adjusted for any corporate action(s) such as rights issue, bonus issue, split or consolidation of shares, buyback of shares, change in capital structure, scheme of arrangement etc., in terms of the CHEMBOND ESOP 2025 and in accordance with the SBEB Regulations.

Vested options that lapse due to non-exercise or unvested options that get cancelled due to resignation of the employees or otherwise, shall be brought back to the CHEMBOND ESOP 2025 and shall become available for future grants, subject to compliance with the provisions of the applicable laws.

c) Identification of classes of employees entitled to participate and be beneficiaries in the Scheme

The NRC will determine the Eligible Employees of the Company and its subsidiary and associate companies who can be granted Stock Options under the CHEMBOND ESOP 2025 after examining and evaluating overall group performance /individual performance, inter alia, taking into consideration the length of service, grade, performance, merit, key position, future potential contribution, terms of the employment contract, conduct of the employee and such other factors as may be deemed appropriate by it.

The following persons shall not be eligible to participate in CHEMBOND ESOP 2025:

- a Promoter or a person belonging to the Promoter group;
- a Director, who either by himself or through his relative or through any body corporate, directly or indirectly, hold more than 10% of the outstanding Equity Shares of the Company;
- an Independent Director of the Company or its subsidiary and associate companies

d) Requirements of vesting and period of vesting

The NRC shall determine the Vesting Period for the Options, provided that the Options granted to Employees pursuant to the CHEMBOND ESOP 2025 shall vest within a maximum period of 5 (five) years from the Grant Date and there shall be a gap of minimum period of 1 (one) year between the Grant Date and Vesting of these Options.

The Vesting would be subject to the continued employment of the Option Grantee and may further be linked with certain performance and other criteria's as determined by the NRC and mentioned in the Grant Letter.

e) Maximum period within which the Option shall be vested

The maximum vesting period of Stock Options shall be five years from the date of grant. The Stock Options shall lapse if not exercised within the Exercise Period.

f) Exercise price or pricing formula

The exercise price of the Stock Options will be decided by the NRC on the basis of relevant factors prevalent at the time of the Grant which, among

other things, would include the trend in the Market Price of the Company's Equity Shares quoted on Stock Exchange.

The Committee has a power to provide suitable discount, as deems fit, subject to a maximum limit of 30% on market price. However, generally there will be no discount offered and the Exercise Price shall not be lower than the face value of the equity Shares of the Company on the date of such grant.

g) Exercise period and the process of Exercise

Vested Stock Options can be exercised in one or more tranches within the exercise period prescribed by the NRC which shall not exceed five years from the date of grant. The Company intends to ensure that the Exercise Period should provide a flexibility to an Option Grantee to exercise the Stock Option in a manner that enables him/her to effectively discharge the tax obligations but at the same time it doesn't create any financial burden on the Option Grantee.

Vested Stock Options shall be exercisable by the Option Grantee by submission of a written application to the Company or in such manner as may be determined by the NRC and in compliance of other requisite conditions of payment of applicable taxes and exercise price. Stock Options shall lapse if not exercised within the Exercise Period and will be added back to the ESOP Pool. The Stock Options may also lapse under certain circumstances like termination of employee under misconduct, resignation, etc., even before the expiry of the specified exercise period.

h) Appraisal process for determining the eligibility of employees for CHEMBOND ESOP 2025

The NRC may, on the basis of all or any of the following criteria, decide on the Employees who are eligible for the Grant of Options under the Scheme, the number of Options to be Granted and the terms and conditions thereof:

- Longevity of Service.
- Performance of Employee.
- Performance of Company.
- Any other criteria as decided by the NRC.

i) Maximum number of Stock Options to be issued for employee in aggregate

The maximum number of Stock Options that may be

granted per Eligible Employee under CHEMBOND ESOP 2025, in any financial year and in aggregate, shall not exceed 30,000 Options.

The maximum number of Stock Options that can be granted in aggregate is 4,00,000 (Four Lakhs) under CHEMBOND ESOP 2025.

j) Maximum quantum of benefits to be provided per employee under CHEMBOND ESOP 2025

The maximum quantum of benefits to be granted to an Eligible Employee under the CHEMBOND ESOP 2025, will be the difference between the fair value of equity shares as on the date of exercise and exercise price paid by the Option Grantee, subject to applicable taxes.

k) Whether CHEMBOND ESOP 2025 is to be implemented and administered directly by the Company or through a Trust

CHEMBOND ESOP 2025 will be implemented and administered directly by the Company through NRC.

l) Whether the scheme(s) involves new issue of shares by the Company or secondary acquisition by the trust or both

CHEMBOND ESOP 2025 involves only new issue of Equity Shares by the Company.

m) Amount of loan to be provided for implementation of the Scheme(s) by the Company to the Trust, its tenure, utilization, repayment terms, etc.

Not applicable, as CHEMBOND ESOP 2025 is not being implemented through a Trust.

n) Maximum percentage of secondary acquisition that can be made by the Trust for the purposes of CHEMBOND ESOP 2025

Not applicable, as CHEMBOND ESOP 2025 is not being implemented through a Trust.

o) Compliance with Accounting policies

In compliance with Regulation 15 of the SBEB Regulations, the Company shall comply with the applicable disclosure requirements, accounting policies and accounting standards as issued by the competent/relevant authorities from time to time.

p) Method which the Company shall use to value its options

The Company shall value the Stock Options granted under the CHEMBOND ESOP 2025 at their 'fair value' or such other method in accordance with the SBEB Regulations.

- q) **If the Company opts for expensing of share based employee benefits using the intrinsic value, the difference between the employee compensation cost so computed and the employee compensation cost that shall have been recognized if it had used the fair value, shall be disclosed in the Directors' Report and the impact of this difference on profits and on earnings per share ('EPS') of the Company shall also be disclosed in the Directors' Report**

Not applicable as the Company shall value the Stock Options granted under the CHEMBOND ESOP 2025 at their fair value or such other method in accordance with the SBEB Regulations.

- r) **Period of lock-in**

The NRC shall decide the lock-in period for different class of employees at the time of grant of options.

- s) **Terms and conditions for buyback, if any,**

Not applicable at this stage. The Committee shall determine the procedure for buy-back of Options granted under the CHEMBOND ESOP 2025 if to be undertaken at any time by the Company, and the applicable terms and conditions thereof.

Approval of Members by way of Special Resolutions is being sought pursuant to the provisions of Regulation 6(1) of the SBEB Regulations and Section 62(1)(b) of the Act and the rules made thereunder, for adoption and implementation of CHEMBOND ESOP 2025 and the creation, offer, grant, issuance and allotment of Equity Shares to Eligible Employees of the Company under CHEMBOND ESOP 2025. Accordingly, Special Resolution as set out at Item No. 11 of this Notice is proposed for approval by the Members.

A copy of draft CHEMBOND ESOP 2025 is available for inspection at the Company's registered office / corporate office during official hours on all working days till the last date of the e-voting and also available on the website of the Company www.chembond.in.

As per Regulation 6(3)(c) of the SBEB Regulations, a separate Special Resolution is required to be passed if the Scheme benefits are to be extended to employees of subsidiary companies. Accordingly, Special Resolution as set out at Item No. 12 of this Notice is proposed for approval by the Members.

None of the Directors/Key Managerial Personnel or their relatives are interested in or concerned, financially or otherwise in the above Resolutions as set out in Item Nos. 11 and 12 of this Notice, except to the extent of grant of Stock Options to them under the CHEMBOND ESOP 2025.

ITEM NO: 13

Based on the recommendation of the Nomination and Remuneration Committee, the Board of Directors by passing Circular Resolution dated July 14, 2025, approved the appointment of Mr. Kamal Tandon (DIN: 09664746) as an Additional Director, designated as an Independent Director (Non-executive) of the Company, with effect from July 16, 2025 in accordance with the provisions of Sections 149, 150, 152, 161, Schedule IV and other applicable provisions of the Companies Act, 2013 ('the Act') read with the Companies (Appointment and Qualifications of Directors) Rules, 2014, the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('the Listing Regulations') (including any statutory modification(s) and/or re-enactment(s) thereof for the time being in force), and the Articles of Association of the Company to hold office for a period of five (5) consecutive years i.e. from July 16, 2025, till July 15, 2030, not liable to retire by rotation, subject to the approval of the Shareholders of the Company through Special Resolution.

Pursuant to the provisions of Section 161(1) of the Act, Regulation 17(1C) of the Listing Regulations read with Articles of Association of the Company, Mr. Tandon holds office only upto the date of the next annual general meeting or for a period of three months from the date of appointment, whichever is earlier.

The Company has received a notice in writing from a Member under Section 160(1) of the Act proposing the candidature of Mr. Kamal Tandon for the office of Independent Director of the Company. The Company has also received all statutory declarations/disclosures as specified under the Act, read with Rules thereunder and as per the Listing Regulations from Mr. Tandon. He has also declared that he is not been debarred from holding the office of Director by virtue of any order passed by the Securities and Exchange Board of India or any such authority.

In the opinion of the Board, Mr. Tandon a person of integrity, fulfils the conditions specified in the Act and the Rules made thereunder read with the provisions

of the Listing Regulations, each as amended, and is independent of the Management of the Company. Having regard to the qualifications, skill, experience, capabilities and knowledge, the Board considers that their association would be of immense benefit to the Company and hence, it is desirable to appoint him as an Independent Director.

A copy of the draft letter of appointment of Mr. Tandon setting out the terms and conditions of appointment is available for inspection on the website of the Company at www.chembond.in.

The profile and other relevant information as required under the Act, the Listing Regulations and the Secretarial Standard -2 on General Meetings issued by the Institute of Company Secretaries of India are part of this Report.

In compliance with the provisions of Section 149 read with Schedule IV to the Act and Regulation 17 (1C) of the

Listing Regulations, the approval of Members is sought for the appointment of Mr. Tandon as Non-executive Independent Director of the Company, by way of Special Resolutions as set out above.

Other than Mr. Tandon, to whom the resolution relates and his relatives, none of the Directors, Key Managerial Personnel, or their relatives are in any way, concerned or interested, financially or otherwise, except to the extent of their respective shareholding, if any, in the proposed Special Resolution as set out in Resolution No. 13 of this notice.

The Board of Directors commends the Special Resolution set out at Item No. 13 of this Notice for approval by the members. Ratur sintios re, nonsequod quis eicius, si delique recust qui nullabo. Etur siminciis as magnat undanturia debitaessum essum que ne doloreptas
