RESULT OF OPERATIONS AND THE STATE OF COMPANY'S AFFAIRS

During the year under review, your Company has recorded a turnover of Rs. 668.88 Crores as against Rs. 743.92 Crores in the previous year registering an decrease of 10.08%. The Net loss (after tax and extraordinary items) for the financial year ended 31st March 2016 recorded to Rs. 102.30 Crores against profit of Rs. 30.20 Crores in the previous year.

The year under review was highly volatile for the Company and it witnessed extreme pressure both on top as well as bottom lines. The company had strategically planned to reduce and finally move out from the low margin products. The down trend and extreme volatility in the polymer prices had also put pressure on the margins. The bottom line was also affected on account of devaluation in the inventory to the extent of nearly 20%. It has put pressure on the profitability of your company too during the year under review.

MATERIAL CHANGES & COMMITMENTS AFTER THE END OF FY 15-16, IF ANY AFFECTING THE FINANCIAL POSITION OF THE COMPANY:

The loan account of the Company has been classified under sub-standard category by the lead bank State Bank of India, Overseas Branch, Mumbai, whereas other consortium banks continue with present status of account.

BUSINESS OVERVIEW

The technical textiles sector being one of the most innovative

branches of the industry in the world is ranking as one the five high tech sectors with the greatest potential for development. India is now emerging as a powerhouse of both production as well as end-use consumption of technical textiles. The demand for technical textiles will be boosted by the changing economic scenario.

The success of technical textiles is primarily due to the creativity, innovation and versatility in fibres, yarns and woven/knitted/nonwoven fabrics with applications spanning an enormous range of uses. The ability of technical textiles to combine with each other and with others to create a new functional products offer unlimited opportunity to growth.

The production of different items of technical textile industry has been slowly but steadily increasing in the country which is further contributing in the growth of the industry as a whole.

Global Scenario:

Technical Textile is the sunrise segment of the global Textile industry. With increasing competition and diminishing margins in the production of conventional textiles, textile manufacturers in industrialized countries have switched over to production of value-added technical textiles. As the use of technical textiles is dictated by need, its pricing normally offers good margins. The Technical Textile industry is estimated to account for over 50% of the total textile activity in certain industrialized countries. While the US continues to be the main manufacturers and consumers of functional textiles, China has emerged as a large manufacturer of the same. India and Russia are the other important markets for technical textiles, where consumption is increasing at a fast pace.

The Indian Scenario:

India is emerging as a significant player in technical textiles. The fast-paced economic growth leading to infrastructure creation as well as higher disposable income has made India a key market for the technical textile products. Moreover, the country has developed a foothold in the production of technical textiles. Considering its highly skilled and scientific/technical manpower and abundant availability of raw materials, India can emerge as a key player in the technical textile industry.

India Textile Industry involves around 35 million workers directly and accounts for 21% of the total employment generated in the economy, the second largest provider of employment after agriculture. Thus, Technical textiles holds significant potential in India and the government has already taken steps to promote this industry. Indian technical textile market is nascent and is quite honestly depending on government's push and mandatory regulations to penetrate into different sectors. The strong interest in the segment is driven by better profit margins and less competition.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

OVERVIEW

In India, the value-added technical textiles industry is collectively grouped into a single sector commonly referred to as technical textiles.

Worldwide, Technical Textiles are the fastest growing segment of Textile sector. In the developed countries, the share of such textile products has now reached 60% of all textiles. The key demand drivers are the growth in GDP and the growth in infrastructure and overall quality of living.

The company is all geared to get an opportunity to enter into larger market in the value added market of FIBC (Flexible Intermediate Bulk Container) and other technical textiles. The Company embarked on a vigorous growth phase with more concentration in the manufacture of high quality environment friendly technical textiles falling under Packtech, Geotech, Agrotech & Oekotech segments.

The company's growth graph with respect to the financials showed a steep upward trend on account of diversification into the value added Packtech products like FIBC's for packaging of food products, leno bags and additions of Agrotech products.

SYNOPSIS ON GROWTH OF NCIL

Neo Corp International Limited was incorporated in Year 15th February 1985.

NCIL, since its inception in 1985, is dedicated in making tailor designed products under Packtech. NCIL reached the status of a fore-runner internationally as a reliable supplier of Packtech products.

With its current growth initiative, NCIL has entered into other technical textile segments like Geotech and Agrotech.

NCIL is a listed Public Limited Company with an equity base of Rs. 38.02 Crores. It is listed on the Bombay Stock Exchange, Madhya Pradesh Stock exchange and Luxembourg Stock Exchange. It approached public for subscription in 1992 and went through Rights issue in 1996. NCIL has 6 subsidiary companies namely Euro Plast Limited, Sacos Indigo Private Limited, Neoflex Infracon Limited, Polybase (H.K.), Poly Logic International Private Limited and Prism Flexible Solutions Private Ltd.

NCIL also enjoys a Star Export House status recognized by the Government of India continuously from 1994 in view of the Company's excellent Export performance.

COMPANY'S OUTLOOK

The technical textile business is one of the most promising and faster growing areas for global and Indian textile industry. NCIL has planned for systematic and continuous addition of several products under various technical textile segments. The object behind the same is to provide holistic solution to customer. For example geogrids, geonet and geomembrane shall make basket of geosynthetics complete. With consistent modernization and expansion with machinery of latest technology, it is expected that the Company will be able to improve efficiency and successfully face global competition

and will be one of the leading players in the domestic as well as international markets.

As a strategy, we always wanted to be one-stop shop for all woven packaging needs of our customers. To this end, we have developed ourselves as a multi-product, multi-location and multi-market company serving to the needs of our customers. We also propose to further invest in forward and backward integration.

The company's growth graph with respect to the financials showed a steep upward trend on account of diversification into the value added Packtech products like FIBC's for packaging of food products, leno bags and additions of Agrotech products.

INDEPENDENT AUDITOR'S REPORT

To
The Members,
M/s NEO CORP INTERNATIONAL LIMITED
Report on the Standalone Financial Statements

1. We have audited the accompanying standalone financial statements of M/s. NEO CORP INTERNATIONAL LIMITED ("the Company"), which comprises the Balance Sheet as at March 31, 2016, the Statement of Profit and Loss and Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

2. The company's Board of Directors are responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ('the Act') with respect to the preparation and presentation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of Companies (Accounts) Rules, 2014. This responsibility includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; design, implementation and maintenance of adequate internal financial controls, that are operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

3. Our responsibility is to express an opinion on these standalone financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under and the order under section 143(11) of the Act. We conducted our audit in accordance with the Standards on Auditing specified under Section 143(11) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

4. An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements, that give a true and fair view, in order to design audit procedures that are appropriate in the

circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Company's management and Board of Directors, as well as evaluating the overall presentation of the financial statements.

5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements *except reported by us in paragraph 8(a) of the report.*

Emphasis of Matter

We draw attention to the:

6. a. *The Note no. 9(f) regarding other current liabilities amounting to Rs. 4567.69 lacs includes 3110.92 lacs liability towards statutory dues and expenses having Rs. 2364.54 lacs payable for more than one year indicated high liquidity problem in the company.*

The company has incurred cash losses of Rs. 8724.13 lacs which sizably affecting the Net worth of the company. These conditions, along with other matters set forth in the said note, indicates the existence of a material uncertainty creates doubt about the company ability to continue as a going concern. However, the financial statements of the company have been prepared on going concern basis for the reasons stated in the said note.

b. *The Note no. 12(b) regarding other investments in equity shares of subsidiary companies amounting to Rs. 8776.51 lacs. There is no audited balance sheet of the concerned companies made available for the year ended 31.03.2016 hence the realizable value or status of companies as on date is being uncertain as they are also fall in same line of business where company incurred huge loss in current year and loan accounts are classified into NPA by the banks/financial institutions. Therefore the carrying investment at cost price without any provision for diminution in value is doubtful and incorrect.*

c. *The Note no. 14 regarding non current assets shown recoverable amount from insurance company of Rs. 4.88 Crore is under arbitration since long but considered good for the reasons mentioned therein.*

Our opinion is not modified in respect of these matters.

Opinion

7. In our opinion and to the best of our information and according to the explanations given to us and except comment given by us in point 8(a) to 8(k) below by us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2016, its profit and its cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

8. As required by section 143(3) of the Act, we further report that:
- The Company has maintained its account on a highly integrated computerized software system namely "SAP" but the books of accounts generated through the software system differs from the Indian traditional formats of the books of accounts. However, on the basis of viewing the data and report generated in the computerized form, we conducted our audit. We are of the view that the appropriate feeding of the primary data from the corresponding source documents, their processing on SAP and resultant trial balance generated by the system provide a reasonable basis for us in expressing our opinion on the standalone financial statements under reference to this report.
 - The disclosure made by the company of Segment Information in note no. 31, is not fully in accordance with requirement of AS-17 of the ICAI issued on Segment Reporting.
 - It is observed that the company is receiving regular notices in compliance of Statutory and Regulatory requirements but there is no register or transparent system is adopted to ensure the correct position hence, we are unable to comment on the effect of the same in the financial statement.
 - The company is not complied of furnished Tax Audit Report to Income Tax Department for the financial year 14-15 as per provision of section 44AB of Income Tax Act, 1961 and consequently not filed Income Tax Return for the said year. In absence of information we are unable to determine the effect of the same in financial statement.
 - The company is failed in compliance of furnished report of pricing policy, to the Income Tax Department in accordance with the provision of section 92E of the Income Tax Act, 1961 for the year 2014-15. In absence of information we are unable to determine the effect of the same in financial statement.
 - As per our verification and the explanation given by the management, we are of the opinion that TUFF Subsidy Receivable for amounting to Rs 5,33,35,441/- as on 31.03.2016 grouped under note no. 19 "Other Current Assets" of the Balance sheet is doubtful. Hence the loss of the company is understated and Current Assets is overstated by Rs.5,33,35,441/-.
 - The company is unable to give any evidence for FDR receivables of Rs 32,27,366/- as on 31.03.2016 shown under note 17 "Cash and Bank Balance" of balance sheet, hence in our view Cash and Bank balances is overstated and loss is understated by Rs. 32,27,366/-.
 - The company has not paid/provide for any interest liability towards unsecured loan taken from directors, their relatives and body corporate for the year. In absence of information we are unable to quantify the amount of interest expenses, liability of unsecured loan and consequently the losses of the company are understated as on date of Balance Sheet.
 - The company has written back Capital Reserve of Rs.26,07,829/- in Profit & Loss Account but it should be required to be written back in proportion of depreciation charged to Profit & Loss Account of respective assets but same has not been done. In absence of information we are unable to determine the effect of the same in financial statement.
 - Company has shown exchange difference income of Rs. 12,00,95,398/- in note no. 21 of Other Income. But as per our verification and explanation given by the company, it is exceptional in nature therefore should be classified in

Exceptional and Extraordinary Items instead of grouped in other income. Hence Other Income is overstated and Exceptional and Extraordinary Item understated by Rs. 12,00,95,398/-.

- The disclosure given by the company in note 32 (Financial and Derivative Instruments) regarding un-hedged position of foreign exposure by derivatives instruments is not in accordance with the provision and rules of the Companies Act, 2013.
 - Subject to our comments in 8(a) to 8(k) above, we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - In our opinion proper books of accounts as required by the law have been kept by the company except reported by us in point 8(a) above, so far as it appears from our examination of the reports generated by the Computerized Software System namely 'SAP';
 - Subject to our comments in 8(a) above, the Balance Sheet, Statement of Profit and Loss, and Cash Flow Statement dealt with by this Report are in agreement with the books of accounts.
 - Subject to our comments in 8(b) above, in our opinion, the aforesaid standalone financial statements comply with the applicable Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules 2014.
 - On the basis of written representations received from the directors as on March 31, 2016, and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2016, from being appointed as a director in terms of Section 164(2) of the Act.
 - With respect to adequacy of the internal financial controls over financial reporting of the company and the operating effectiveness of such controls, refer to our separate report in "Annexure A".
 - In our opinion and to the best of our information and according to the explanations given to us, we report as under with respect to other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014:
 - The Company has disclosed the impact of pending litigations on its financial position in its financial statements
 - The Company did not have any long-term contracts including derivatives contracts for which there were any material foreseeable losses
 - The company has failed to comply the provision in regards to the transfer of unpaid dividend to the Investor Education and Protection Fund and did not transferred sum of Rs. 3,33,104/- to aforesaid fund relating to financial year 2006-07.
9. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure - B" a statement on the matters Specified in paragraphs 3 and 4 of the Order.

ANNEXURE "A" TO THE INDEPENDENT AUDITORS' REPORT

(Annexure referred to in paragraph 7 (q) under "Report on Other Legal and Regulatory Requirements" of our Independent Auditors' Report to the members of M/s. Neo Corp International Limited on the stand alone financial statement for the year ended 31st March, 2016)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of M/s. Neo Corp International Ltd. ("the Company") as of March 31, 2016 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence, we have obtained is sufficient and appropriate to provide a basis for my / our qualified / adverse audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

According to the information and explanation given to us, *the Company has established its internal financial control over financial reporting on criteria based on or considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India in except the following area:*

- a. *There is no proper system exist in the company for identification of common and specific expenses incurred unit wise. However there is no overall impact on the profitability of the company.*
- b. *There is no well defined scope of work designed for internal audit as per the size and nature of company. There should have been proper guidelines and scope under which internal auditor should perform their work and shall serve the purpose of effective use of same.*
- c. *There is no system exist in the company for confirmation once in the year or other basis from Debtors / Creditors / Loans & Advances or any balances appearing either in debit or credit of any party. Hence our opinion on the financial statement is subject to confirmation from counterparties.*
- d. *There are weaknesses in internal control system of the company in paying the statutory dues like Income Tax, TDS, PF, ESIC etc. This causes either delay or none payment on due dates. The company has not established proper mechanism or control system for*

checking of transactions for deduction TDS and there are many transactions during the year where TDS has not been deducted.

e. There is weakness in the authorisation and control system of the company resulting into large number of entries with material amount entered and reversed on subsequent dates. This practice is going on in the books friendly in different dates mostly at the end of month/quarter and corrected entries are also missing. There are entries inter debtor's / creditor's observed without proper authority letter/communication but no satisfactory reason given by the company in these respect.

because of above these reasons, we are unable to obtain sufficient appropriate audit evidence to provide a basis for our opinion whether the Company had adequate internal financial controls over financial reporting and whether such internal financial controls were operating effectively at March 31, 2016.

We have considered the disclaimer reported above in determining the nature, timing, and extent of audit tests applied in our audit of the standalone financial statements of the Company, and the disclaimer does not affect our opinion on the standalone financial statements of the Company.

Note 1 : SIGNIFICANT ACCOUNTING POLICIES: -

A. Basis of Preparation of Financial Statements

These financial statements of the Company have been prepared under historical cost convention on accrual basis in accordance with the Generally Accepted Accounting Principles in India to comply with the accounting Standards notified under the Companies (Indian Accounting Standards) Rules, 2015 and the relevant provision of the Companies Act, 2013. The accounting policies have been consistently applied by the company unless otherwise stated.

B. Use of estimates

The preparation of financial statements in conformity with generally accepted accounting principles (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities at the date of the financial statements and the reported amount of revenues and expenses during the reporting period. Although these estimates are based upon management's best knowledge of current events and actions, the difference between the actual results and estimates are recognized in the period in which the results are known/materialized.

C. Fixed Assets

Tangible Assets

Tangible Assets are stated at cost less accumulated depreciation, impairment losses and specific grant/subsidies, if any. The cost comprises of purchase price/cost of construction, freight, duties (net of CENVAT), taxes and any directly attributable expenses of bringing the assets to working condition for its intended use. Financial costs relating to acquisition of fixed assets which take substantial period of time to get ready for use are included to the extent they are related to the period in which such assets are ready for intended use. Expenditure for additions, modifications, improvements and renewals are capitalized and expenditure for maintenance and repairs are charged to the Profit & Loss Account. When assets are sold, destroyed or discarded, the respective cost and accumulated depreciation are removed from the accounts and any gain or loss resulting from their disposal is charged to the Profit & Loss Account.

Intangible Assets

Intangible Assets are stated at cost of acquisition less accumulated amortization/depletion, impairment losses and specific grant/subsidies, if any. The cost comprises of purchase price, borrowing, duties (net of CENVAT), taxes and any other directly attributable expenses for bringing the assets for its intended use.

D. Capital work in progress

The assets which are under construction, erection & installation and not ready for their intended use and other Capital work in progress are carried at cost, comprising direct cost, related incidental expenses and a attributable interest.

E. Revenue Recognition

Revenue from sale of goods (other than export sales) is recognized on dispatch which coincides with transfer of significant risks & rewards to customer and is inclusive of excise duty and net of trade discounts, sales returns and commercial tax where applicable. Revenue from export sales is recognized on the date of the bill of lading or air way bill.

Sale of Services, Government grants/subsidies (Including Capital and Revenue), interest and other income are recognized on accrual basis but the dividend is recognized in the year of receipt.

F. Depreciation

Depreciation is provided on the straight line method basis over the useful lives of the assets, which is as stated in Schedule II of the Companies Act, 2013. The Assets purchased and put to use during the year has been charged depreciation on pro-rata basis on prescribed rate.

G. Inventories

Cost of Inventory comprises all cost of purchase, cost of conversion, and other cost incurred for bringing the inventory to their present condition and location.

Items of Inventories are valued as under: -

- i] Raw Materials, Stores & Spares & Consumables are valued at Cost.
- ii] Process Stocks are valued at direct raw material cost plus average cost of processing for various operations performed up to estimated stage of process.
- iii] Finished Goods are valued at cost or market value whichever is lower.

H. Investment

Investments that are readily realizable and intended to be held for not more than a year are classified as current investments. All other investments are classified as long term investments. Long term investments are carried at cost less provision made to recognize a decline, other than temporary, in value of such investment. Current investments are carried at lower of cost and fair value determined on individual investment basis. Cost of acquisition is inclusive of expenditure incidental to acquisition.

I. Foreign Currency transactions and translations

Foreign Currency transactions are recorded at the exchange rate prevailing at the time of the transaction. The current assets and current liabilities other than the transactions covered are translated at the rate prevailing on the Balance Sheet date and the resultant gain/loss is recognized in the financial statements. The transactions covered are recorded at the rate at which the forward contract was entered into.

Investment in subsidiary company is expressed in Indian Rupees at the rate of exchange prevailing at the date of investment.

J. Borrowing Costs

Borrowing cost that is attributable to the acquisition or construction of qualifying/eligible assets is capitalized as part of the cost of such assets. A qualifying/eligible asset is an asset that necessarily takes a substantial period of time to get ready for its intended use. All other borrowing cost is recognized as an expense in the period in which they are incurred.

K. Employee Benefits

a) Defined Contribution Plans

Contribution paid/payable to defined contribution plans comprising of provident fund, pension fund, superannuation fund etc, in accordance with the applicable laws and regulations are recognized as expenses during the period in which the employees perform the services that the payments cover.

The Company makes monthly contributions and has no further obligation under plans beyond its contributions.

b) Defined Benefit Plan

The liability as at the Balance Sheet date is provided for based on the actuarial valuation, based on Projected Unit Credit Method at the Balance Sheet date, carried out by an independent actuary. Actuarial Gains and Losses comprise experience adjustment and the effect of charges in the actuarial assumptions and are recognized immediately in the Profit and Loss account as an income or expense.

c) Other Long Term employee Benefits

Employee benefits including compensated absences which are not expected to occur within twelve months after the end of the period in which the employee renders the related services are recognized as a liability at the present value of the defined benefit obligation at the Balance Sheet date based on actuarial valuation method of Projected Unit Credit carried out at each Balance Sheet date. Actuarial Gains and Losses are recognized immediately in the Profit and Loss account as an income or expense.

d) Short Term Employee Benefits

Short term employee benefits including compensated absences as at the Balance Sheet date are recognized as an expense as per the Group's schemes based on the expected obligation on an undiscounted basis.

L. Earnings per Share

Basic earnings per share are calculated by dividing the net profit or loss after tax attributable to equity shareholders by the weighted average number of equity shares outstanding during the year. Partly paid equity shares are treated as a fraction of an equity share to the extent that they were entitled to participate in dividends relative to a fully paid equity share during the reporting period. The weighted average numbers of equity shares outstanding during the period are adjusted for events of bonus issue; bonus element in a rights issue to existing shareholders; share split; and reverse share split (Consolidation of shares).

For the purpose of calculating diluted earnings per share, the

net profit or loss after tax attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

M. Taxation

Tax expenses comprises of current tax & deferred tax. Current tax is determined as per the provisions of the Income tax Act, 1961 in respect of Taxable Income for the year. Deferred Tax Liability is computed as per Accounting Standard [AS-22]. Deferred Tax Assets and Deferred Tax Liability are recognized for all timing differences subject to consideration of prudence, applying the tax rates that have been substantively enacted on closing date.

Minimum Alternative Tax (MAT) credit is recognized as an asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified period. In the year in which the MAT credit becomes eligible to be recognized as an asset in accordance with the recommendations contained in Guidance Note issued by the Institute of Chartered Accountant of India, the said asset is created by way of a credit to the profit and loss account and shown as MAT credit entitlement. The Company reviews the same at each balance sheet date and writes down the carrying amount of MAT credit entitlement to the extent there is no longer convincing evidence to the effect that Company will pay normal Income Tax during the specified period.

N. Impairment of Assets

All the fixed assets including intangible assets are assessed for any indication of impairment at the end financial year. On such indication, the impairment (being the excess of carrying value over the asset) is charged to the Profit and Loss account in the respective financial year. Recoverable amount is higher of the net selling price of an asset and its value in use. In assessing value in use, the estimated future cash flows are discounted to their present value at the weighted average cost of capital. After impairment, depreciation is provided on the revised carrying amount of the asset over its remaining useful life.

A previously recognized impairment loss is increased or reversed depending on changes in circumstances. However the carrying value after reversal is not increased beyond the carrying value that would have prevailed by charging usual depreciation if there was no impairment.

O. Provisions, Contingent Liabilities and Contingent Assets

The company recognizes a provision when there is present obligation as a result of a past event that probably requires an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. A disclosure for a contingent liability made when there is a possible obligation or a present obligation on that may, but probably will not, require an outflow of resources. When there is a possible obligation or a present obligation and the likelihood of outflow of resources is remote, no provision or disclosure for contingent liability is made.
