Further, as per amendment to Regulation 40 of SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015, requests for effecting transfer, transmission or transposition of securities of securities shall not be processed unless the securities are held in the dematerialized form. Members are advised to Dematerialize the shares held by them in physical form.

**CDSL e-Voting System – For e-voting and Joining Virtual meetings**

- a. As you are aware, the general meetings of the companies can be conducted as per the guidelines issued by the Ministry of Corporate Affairs (MCA) vide Circular No. 14/2020 dated April 8, 2020, Circular No.17/2020 dated April 13, 2020 and Circular No. 20/2020 dated May 05, 2020. The forthcoming AGM/EGM will thus be held through video conferencing (VC) or other audio visual means (OAVM). Hence, Members can attend and participate in the ensuing AGM/EGM through VC/OAVM.
- b. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended), and MCA Circulars dated April 08, 2020, April 13, 2020 and May 05, 2020 the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the AGM/EGM. For this purpose, the Company has entered into an agreement with Central Depository Services (India) Limited (CDSL) for facilitating voting through electronic

means, as the authorized e-Voting's agency. The facility of casting votes by a member using remote e-voting as well as the e-voting system on the date of the EGM/AGM will be provided by CDSL.

- c. The Members can join the EGM/AGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the EGM/AGM through VC/OAVM will be made available to atleast 1000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the EGM/AGM without restriction on account of first come first served basis.
- d. The attendance of the Members attending the AGM/EGM through VC/OAVM will be counted for the purpose of ascertaining the quorum under Section 103 of the Companies Act, 2013.
- e. Pursuant to MCA Circular No. 14/2020 dated April 08, 2020, the facility to appoint proxy to attend and cast vote for the members is not available for this AGM/EGM. However, in pursuance of Section 112 and Section 113 of the Companies Act, 2013, representatives of the members such as the President of India or the Governor of a State or body corporate can attend the AGM/EGM through VC/OAVM and cast their votes through e-voting.
- f. In line with the Ministry of Corporate Affairs (MCA) Circular No. 17/2020 dated April 13, 2020, the Notice calling the AGM/EGM has been uploaded on the website of the Company at [www.aiml.in](http://www.aiml.in). The Notice can also be accessed from the websites of the Stock Exchange i.e. BSE Limited at [www.bseindia.com](http://www.bseindia.com). The AGM/EGM Notice is also disseminated on the website of CDSL (agency for providing the Remote e-Voting facility and e-voting system during the AGM/EGM) i.e. [www.evotingindia.com](http://www.evotingindia.com).
- g. The AGM/EGM has been convened through VC/OAVM in compliance with applicable provisions of the Companies Act, 2013 read with MCA Circular No. 14/2020 dated April 8, 2020 and MCA Circular No. 17/2020 dated April 13, 2020 and MCA Circular No. 20/2020 dated May 05, 2020.
- h. In continuation of this Ministry's General Circular No. 20/2020, dated 05th May, 2020 and after due examination, it has been decided to allow companies whose AGMs were due to be held in the year 2020, or become due in the year 2021, to conduct their AGMs on or before 31.12.2021, in accordance with the requirements provided in paragraphs 3 and 4 of the General Circular No. 20/2020 as per MCA circular no. 02/2021 dated January,13,2021.

**THE INSTRUCTIONS OF SHAREHOLDERS FOR E-VOTING AND JOINING VIRTUAL MEETINGS ARE AS UNDER:**

**Step 1** : Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

**Step 2** : Access through CDSL e-Voting system in case of shareholders holding shares in physical mode and non-individual shareholders in demat mode.

- (i) The voting period begins on **Friday, September 26, 2025 (09:00 A.M. IST) to Sunday, September 28, 2025 (5:00 P.M. IST)**. During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of **Monday, September 22, 2025** may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020**, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

**Step 1** : Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

- (iv) In terms of **SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020** on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

Pursuant to abovesaid SEBI Circular, Login method for e-Voting and joining virtual meetings **for Individual shareholders holding securities in Demat mode CDSL/NSDL** is given below:

**ITEM NO. 03: TO APPROVE THE APPOINTMENT OF SECRETARIAL AUDITOR OF THE COMPANY AND TO FIX THEIR REMUNERATION**

Pursuant to the provisions of Section 204 and other applicable provisions of the Act, if any, read with Rule 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014, as amended from time to time, every listed company is required to annex with its Board’s Report, a Secretarial Audit Report given by a Company Secretary in Practice. Further, pursuant to the amended provisions of Regulation 24A of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (‘SEBI Listing Regulations’), every listed entity shall undertake Secretarial Audit by a Secretarial Auditor who shall be a Peer Reviewed Company Secretary and the appointment of such Secretarial Auditor shall be approved by the Members of the Company at the Annual General Meeting.

In view of the above, after evaluating and considering various factors such as industry experience, competence of the audit team efficiency in conduct of audit, independent assessment and in fulfilment of the eligibility criteria and qualification prescribed under the SEBI Listing Regulations and circulars, the Audit Committee and the Board of Directors of the Company at their respective meeting held on September 02, 2025 have approved and recommended to the Members of the Company, the appointment of M/s AASK & Associates LLP, Peer Reviewed Firm of Company Secretaries in Practice (Firm registration number: L2015DE1700) and Peer Review Certificate No. 6483/2025 as Secretarial Auditor of the Company for a term of 5 (five) consecutive financial years commencing from Financial Year 2025-26 till financial Year 2029-30 to conduct Secretarial Audit of the Company.

In addition to issuing the Secretarial Audit Report, the Secretarial Auditor shall also issue to the Company (i) the Secretarial Compliance Report pursuant to Regulation 24A (2) of the Listing Regulations and (ii) any other certificates or reports which can be issued by the Secretarial Auditor under applicable laws.

The Company has received the consent & eligibility letter from M/s AASK & Associates LLP, Company Secretaries in Practice for their appointment. They have confirmed that their appointment will be in accordance with Section 204 of Companies Act, 2015 read with SEBI (LODR) Regulations, 2015. They have further confirmed that they did not incur any of the disqualifications as specified under Regulation 24A of the Listing Regulations and that they have no conflict of interest. They have confirmed that there are no pending proceedings against the Firm and partners and no order has been passed against the Firm and partners by ICSI/SEBI/ MCA/any other competent authority/ Court, both in India or outside India, in past 5 years.

The remuneration proposed to be paid is reasonable and commensurate with their audit experience and hence, the same is recommended by the Audit Committee and the Board of Directors for approval of Members of the Company. Additional fees, if any for statutory certifications and other professional services will be determined separately by the management in consultation with the Secretarial Auditor, and will be subject to approval by the Board of Directors and/ or the Audit Committee. The Board of Directors may alter and vary the terms and conditions of appointment, including remuneration, in such manner and to such extent as may be mutually agreed with the Secretarial Auditor.

None of the Directors, Key Managerial Personnel of the Company and their relatives are, in any way, concerned or interested, financially or otherwise, in the Resolutions set out at Item No. 3 of the Notice.

The Board recommends the Ordinary Resolution set out in the Notice under Item No. 3 in relation to the appointment M/s AASK & Associates LLP, Company Secretaries in Practice, a peer reviewed firm, as the Secretarial Auditors of the Company, for approval by the Members of the Company.

**ALLIANCE INTEGRATED METALIKS LIMITED****ITEM NO. 04. RECLASSIFICATION OF AUTHORISED SHARE CAPITAL OF THE COMPANY AND CONSEQUENT AMENDMENT IN THE CAPITAL CLAUSE IN THE MEMORANDUM OF ASSOCIATION**

The present Authorized Share Capital of the Company comprising of Rs.100,00,00,000/-(Rupees One Hundred Crores Only) divided into 45,00,00,000 (Forty five Crores) equity shares of Rs. 1/- (Rupees One) each aggregating to Rs. 45,00,00,000 (Rupees Forty five Crores only) and 5,50,00,000 (Five Crores and fifty lakhs) preference shares of Rs. 10/- (Rupees Ten) each aggregating to Rs. 55,00,00,000 (Rupees fifty five Crores only).

Hence, in order to meet future fund-raising requirements and ensure adequate flexibility in capital structure, the Board of Directors of the Company at their meeting held on September 02, 2025, approved the reclassification of authorized Share Capital of the Company as there are unissued preference shares forming part of the Authorised Share Capital of the Company and accordingly it is therefore proposed that existing Authorised Share Capital of the Company be re-classified to facilitate the issue of Equity Shares without being required to increase additional Authorised Share Capital.

In terms of the applicable provisions of the Companies Act, 2013, the reclassification of the Authorised Share Capital and any amendment in Memorandum of Association require approval of the Members of the Company. Accordingly, the resolution at Item No. 4 of the Notice seeks approval of the Members for reclassification of the Authorised Share Capital and consequential changes in Clause V of the Memorandum of Association of the Company.

The Directors recommend the resolution at Item No. 4 of the accompanying Notice, for the approval of the Members of the Company by way of an Ordinary Resolution.

None of the Directors or Key Managerial persons of the company or their relatives is in any way concerned or interested, financially or otherwise, in the proposed resolution.

**Saket, New Delhi - 110017**

I have conducted the secretarial audit of the compliance of the applicable statutory provisions and the adherence to good corporate practices by **ALLIANCE INTEGRATED METALIKS LIMITED** (hereinafter referred as 'the Company'), having its present Registered Office at **DSC-327, Second Floor, DLF South Court, Saket, New Delhi - 110017 listed on BSE Limited ("BSE")**. The Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification, limited to the records provided and explanations made by the Company and its officer's, of the Company's books, papers, minutes books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorised representatives during the conduct of secretarial audit, I hereby report that in my opinion, the Company has, during the audit period covering the financial year ended on March 31, 2025, generally complied with the statutory provisions listed hereunder and also that the Company has board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on March 31, 2025 according to the provisions of:

- I. The Companies Act, 2013 ('the Act') and the rules made thereunder;
- II. The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
- III. The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder with regard to dematerialisation/rematerialisation of securities and reconciliation of records of dematerialized securities with all securities issued by the Company;
- IV. Foreign Exchange Management Act, 1999 and the rules and regulations are not applicable during the period under review as there were no transactions relating to Foreign Direct Investment, Overseas Direct Investment, and External Commercial Borrowings; **[Not Applicable as the Company has not entered into any FDI transaction or Overseas Direct Investment and External Commercial Borrowings during the period under review]**;
- V. The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):
  - (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011 including the provisions with regard to disclosures and maintenance of records required under the said Regulations;
  - (b) Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
  - (c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018.

- (d) The Securities and Exchange Board of India (Share Based Employee Benefits and Sweat Equity) Regulations, 2021 **[Not applicable as the Company has not offered any shares or granted any options pursuant to any employee benefit scheme during the period under review];**
- (e) The Securities and Exchange Board of India (Issue and Listing of Non-Convertible Securities) Regulations, 2021 **[Not applicable as the Company has not issued any non-convertible securities during the period under review];**
- (f) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client to the extent of securities issued **[Not Applicable as the Company is not registered as Registrar to an Issue and Share Transfer Agent];**
- (g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2021 **[Not applicable as the Company has not delisted/proposed to delist its equity shares from any Stock Exchange during the period under review]** and
- (h) The Securities and Exchange Board of India (Buy-back of Securities) Regulations, 2018 **[Not applicable as the Company has not bought back/proposed to buy-back any of its securities during the period under review].**
- VI. The other laws as informed and certified by the management of the company specifically applicable to the company based on specific industry/sector and compliance whereof as examined on test check basis, that is to say:
1. Air (Prevention and Control of Pollution) Act, 1981 and the rules and standards made thereunder.
  2. Water (Prevention and Control of Pollution) Act, 1974 and Water (Prevention and Control of Pollution) Rules, 1975
  3. Environment Protection Act, 1986 and the rules, notifications issued thereunder.
  4. Factories Act, 1948 and other allied State Law(s).

For the compliances of Environmental Laws, Labour Laws & other General Laws, my examination and reporting is based on the documents, records and files as produced and shown to me and the information and explanations as provided to me, by the officers and management of the Company and to the best of my judgment and understanding of the applicability of the different enactments upon the Company, in my opinion there are systems and processes exist in the Company to monitor and ensure compliance with applicable Environmental Laws, Labour Laws & other General Laws. However, Company is advised to follow strict timelines.

The compliance by the Company of applicable Financial Laws, like Direct and Indirect Tax Laws, have not been reviewed in this audit, which may or may not have financial impact on the Company, since the same have been subject to review by the statutory auditor and other designated professionals.

**I have also examined compliance with the applicable clauses of the following:**

1. Secretarial Standards with respect to Meetings of Board of Directors (SS-1) and General Meetings (SS-2) issued by the Institute of Company Secretaries of India. However, Company is advised to follow Secretarial Standards in stricter sense.
2. Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 [“SEBI (LODR), 2015”].
3. General Circular’s issued by the Ministry of Corporate Affairs to hold Extra-Ordinary General Meetings/ Annual General Meetings through Video Conferencing (VC) or Other Audio-Visual Means (OAVM) and Circular No. SEBI/HO/CFD/CFD-PoD-2/P/CIR/2023/167 dated October 07, 2023 issued by the Securities and Exchange Board of India for dispensation of dispatching the physical copies of Annual Reports.

During the period under review, the Company had generally complied with the provisions of the Act, rules, regulations, guidelines, standards, etc. mentioned above.

**I further report that** a Provisional Attachment Order No. 09/2024, issued via email dated September 13, 2024 by the Deputy Director posted at the Gurugram Zonal Office, Directorate of Enforcement, New Delhi, against the Company. This order pertains to the provisional attachment of immovable properties held in the name of Company's name, vide reference number F. No. ECIR/GNZO/14/2024, dated September 05, 2024, and includes the attachment of shares held by the promoter of company. As per the information and clarifications provided to me, this order does not affect the business operations of the Company.

**I further report that**

- The Board of Directors of the Company is constituted with balance of Non-Executive Directors, Independent Directors and Woman Director during the period under review. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act/SEBI (LODR), 2015 and consequently the committees were re-constituted, whenever required. Following changes were made in the Board during the reporting period:
  1. Mr. Vipul Gupta (DIN – 09064133) has tendered his resignation from the position of Independent Director vide resignation letter dated July 17, 2024.
  2. Mrs. Monika Jain (DIN – 08706841) was appointed as additional non-executive Independent Director of the Company with effect from October 15, 2024. Ms. Monika Jain was further regularized with the approval of members of the Company in the postal ballot.
  3. The members of the Company in its 35<sup>th</sup> Annual General Meeting accorded consent to re-appoint Mr. Daljit Singh Chahal (DIN – 03331560) as Whole-time Director of the Company for a period of five years commencing December 02, 2024.
  4. The members of the Company in its 35<sup>th</sup> Annual General Meeting accorded consent to re-appoint Ms. Rajiv Kapur Kanika Kapur (DIN: 07154667), Independent Director of the Company for second term.
- Notice(s) were generally given to all directors to schedule the Board/Committee Meetings, agenda and detailed notes on agenda were generally sent in accordance with the applicable laws, as mentioned here above.
- As per the signed minutes, all the decisions of the Board and Committee Meetings were carried through unanimously and there is no instance of dissent in Board or Committee meetings.
- As per the records, the Company has predominantly filed all the forms, returns, documents and resolutions as were required to be filed with the Registrar of Companies and other authorities with and without additional fee.

I further report that on review of the compliance mechanism established by the Company, I am of the opinion that the management has systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

**I further report that** during the audit period the Company had the following event(s) /action(s) having a major bearing on the Company's affairs in pursuance of the above referred laws, rules, regulations, guidelines, standards etc.:

- The Company in its Board Meeting held on May 01, 2024 and in Extra Ordinary General Meeting held on May 24, 2024 accorded consent to issue and allot warrants, in one or more tranches, unto 1,15,00,000 warrants each convertible into fully paid-up equity shares of face value of Rs. 1/- each at a price of Rs. 56.50/- each including premium of Rs. 55.50/- each. Warrants are to be issued and allotted to certain identified non-promoter group/entities on preferential basis.

However, as per the records made available, the Company in its Board Meeting held on October 26, 2024 withdrawn and cancelled the said issued of 1,15,00,000 warrants due to non-receipt of application money from the proposed allottees.

- The members of the Company in an Extra-Ordinary General Meeting held on June 25, 2024 approved the reclassification of Authorised Share Capital from Rs. 100,00,00,000/- (One Hundred Crores) divided into 30,00,00,000 (Thirty Crores) equity shares of Rs. 1/- (Rupees One) each and 7,00,00,000 (Seven Crores) preference shares of Rs. 10/- (Rupees Ten) each to 45,00,00,000 (Forty-Five Crores) equity shares of Rs. 1/- (Rupees One) each and 5,50,00,000 (Five Crores Fifty Lakhs) preference shares of Rs. 10/- (Rupees Ten) each.

- The members of the Company in an Extra-Ordinary General Meeting held on June 25, 2024 approved the issuance of 26,33,00,000 bonus shares in proportion of two new fully paid-up bonus equity share of Rs. 1/- (Rupees One) each for every existing one fully paid-up equity share of Rs. 1/- (Rupees One). Further, the Board of Directors in the Board Meeting held on July 15, 2024 allotted 26,33,00,000 bonus equity share of Rs. 1/- (Rupees One) each to the existing shareholders as on Record Date being July 11, 2024.
- The outstanding loans from banks and financial institutions have been declared as non-performing assets (NPA) by the lenders in earlier years as the repayments and interest against these loans have become overdue. The Company is in active discussion with the lenders for resolutions of their debts.

## MANAGEMENT DISCUSSION AND ANALYSIS REPORT 2024-25

### 1. INDIAN ECONOMY OVERVIEW

#### India's Economic Performance:

- GDP Growth: Estimated at 6.4% for FY25, maintaining strong domestic economic momentum.
- Industry: Grew by 6.2% in FY25, with strong construction and utilities growth offsetting manufacturing slowdowns.
- Infrastructure Development: Continued focus on transport, energy and urban development to drive economic expansion.

Manufacturing is emerging as an integral pillar in the country's economic growth, thanks to the performance of key sectors like automotive, engineering, chemicals, pharmaceuticals, and consumer durables. The Indian manufacturing industry generated 16-17% of India's GDP pre-pandemic and is projected to be one of the fastest growing sectors. The machine tool industry was literally the nuts and bolts of the manufacturing industry in India. Today, technology has stimulated innovation with digital transformation a key aspect in gaining an edge in this highly competitive market.

India is rapidly positioning itself as a global manufacturing hub, especially in electronics, fuelled by supportive policies and a skilled workforce. Value addition in electronics has risen from 30% to 70% and is projected to touch 90% by FY27.

With 17% of the nation's GDP and over 27.3 million workers, the manufacturing sector plays a significant role in the Indian economy. Through the implementation of different programmes and policies, the Indian government hopes to have 25% of the economy's output come from manufacturing by 2025.

The Indian steel fabrication industry is a critical segment of the country's Manufacturing and infrastructure ecosystem. It involves the cutting, bending, assembling, and processing of steel to produce structures, machinery, and components used across diverse sectors such as construction, automotive, power, oil & gas, shipbuilding, railways, and defence.

The manufacturing sector contributes approximately 17% to India's GDP. The Indian government aims to increase this contribution to 25% by 2025. This goal is part of the "Make in India" initiative, which seeks to boost domestic Manufacturing and attract foreign investment.

### 2. INDIA'S INFRASTRUCTURE PUSH AND INCREASED GOVERNMENT SPENDING ARE POSITIVE FOR STEEL FABRICATION SECTOR

The Indian fabrication sector, traditionally fragmented and labor-intensive, is undergoing transformation. Demand for factory-made, precision-engineered steel structures is accelerating, driven by safety, quality, and speed imperatives. Urbanisation, smart cities, and industrial corridors are reshaping skylines and creating demand for exhibition halls, stadiums, and airports, while bridges and rail projects remain the backbone of connectivity.

According to Deloitte and IBEF reports, India's steel demand is projected to reach 221–275 million tonnes by FY34, growing at 5–7% CAGR. This growth will disproportionately benefit organised, technology-driven players such as AIML who can deliver scale, safety, and execution excellence.

India today is in the midst of an infrastructure supercycle. Over the past decade, the government has doubled annual capital expenditure, with Union Budget 2025 allocating over Rs. 11.1 lakh crore to infrastructure — spanning highways, railways, airports, and urban development. Flagship initiatives such as PM Gati Shakti, Bharatmala Pariyojana, and the National Infrastructure Pipeline are laying the foundations for a modern, connected India.

- Over 12,000 km of national highways were constructed in FY25.
- Metro rail networks are expanding rapidly, pushing India into the ranks of the world's largest urban transit systems.
- Indian Railways has announced the addition of 1,000 new trains in the next five years, alongside the completion of the Western and Eastern Dedicated Freight Corridors.

**ALLIANCE INTEGRATED METALIKS LIMITED**

- States such as Uttar Pradesh, Bihar, and Gujarat are witnessing unprecedented bridge and expressway development.

These developments create not only near-term demand but also long-term visibility for the steel fabrication industry.

Global steel markets remained under pressure, with subdued pricing and weaker demand from parts of Europe and China. However, India’s 11.5% growth in steel consumption in FY25, the fourth consecutive year of double-digit expansion, reflected the country’s robust infrastructure cycle. This divergence between global headwinds and India’s resilience creates a unique opportunity for AIML to thrive.

From FY14 to FY24, India saw a compound annual growth rate (CAGR) of 5.67% in finished steel consumption, reaching 136 million tonnes in FY24, with a notable increase of over 14% YoY. This growth was driven by ongoing momentum in developmental initiatives and increased governmental spending across multiple sectors.

<https://www.ibef.org/news/government-infrastructure-push-steers-steel-demand-to-221-275-million-tonnes-by-fy34-report>

The **infrastructure outlook** for India is promising, with several factors contributing to its growth:

**Economic Growth:** India’s robust economic growth will continue to drive infrastructure development, attracting both domestic and foreign investments.

**Technological Advancements:** The integration of advanced technologies in infrastructure projects will enhance efficiency, reduce costs, and improve service delivery.

**Policy Reforms:** Continued policy support and regulatory reforms will create a favorable environment for infrastructure investments and public-private partnerships.

**Sustainable Development:** A focus on sustainable and green infrastructure will ensure long-term growth while addressing environmental concerns.

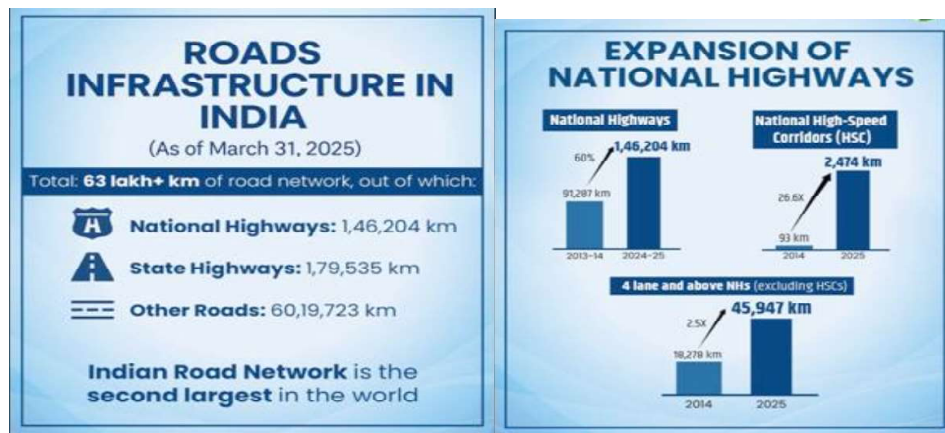

**Urbanization:** Rapid urbanization will necessitate the development of smart cities, affordable housing, and improved urban infrastructure.

**Rural Development:** Investments in rural infrastructure will enhance connectivity, support agriculture, and improve the quality of life in rural areas.

**3. TRANSFORMING INDIA’S TRANSPORT INFRASTRUCTURE**

Over the past decade, India has witnessed an unprecedented scale of infrastructure development, driven by a holistic and integrated approach. Anchored in key policy reforms and mission-mode projects, this transformation has not only expanded physical connectivity but also elevated economic productivity, reduced logistics costs, and enhanced service delivery.

From record expansions in highways and expressways to electrification of railways, greenfield airports, ropeway connectivity in hilly terrains, and smart digital platforms, the infrastructure push reflects the government’s commitment to inclusive and sustainable development aligned with the goal of a **Viksit Bharat by 2047**.

#### 4. GOVERNMENT INITIATIVES

India is experiencing a blitzkrieg upgrade in its infrastructure, driven by increased government investment and development initiatives. There are significant advancements in India's transportation networks, including roads, railways, aviation, and waterways, and their impact on the country's economic growth.

Public infrastructure is the backbone of economic development, enhancing connectivity, trade, and overall quality of life. India, the **world's fourth largest economy**, has made remarkable progress in infrastructure development over the past decade.

The Government of India has undertaken several initiatives to enhance and strengthen the National Highways network through flagship programmes such as the BharatmalaPariyojana which includes the subsumed National Highway Development Project (NHDP), the Special Accelerated Road Development Programme for the North-East Region (SARDP-NE), and many more ongoing projects.

##### **Government Implements Key Initiatives to Boost Industrial Growth and Investments**

The Government has taken several steps to boost investments and attract more industrial activities in the country. The Government of India, through the Department for Promotion of Industry and Internal Trade (DPIIT) and other Central Ministries/Departments, provides an enabling ecosystem for the overall industrial development of the country through appropriate policy interventions.

Make in India, Start-up India, PM GatiShakti, National Industrial Corridor Programme, Production Linked Incentive (PLI) Scheme, promoting Ease of Doing Business (EoDB) and reducing compliance burden, National Single Window System (NSWS), India Industrial Land Bank, Project Monitoring Group (PMG), liberalization of FDI policy, Production Linked Incentive (PLI) Schemes, Indian Footwear and Leather Development Programme (IFLDP) Scheme are some of the major initiatives of the Department to boost industrial growth in the country.

An institutional mechanism to fast-track investments has been put in place in the form of Project Development Cells (PDCs) in all concerned Ministries/Departments of the Government of India. Subsequently, the Cabinet Committee on Economic Affairs recently approved 12 new project proposals under the National Industrial Corridor Development Programme (NICDP) with an estimated investment of Rs. 28,602 crores. Spanning across 10 states and strategically planned along six major corridors, these projects represent a significant leap forward in India's quest to enhance its manufacturing capabilities and economic growth.

In addition, the Government has implemented various measures to stimulate Foreign Direct Investment (FDI) inflows. The Government has put in place an investor-friendly policy, wherein most sectors except certain strategically important sectors, are open for 100% FDI under the automatic route. More than 90% of the FDI inflow is received under the automatic route. India continues to open up its economy to global investors by raising FDI limits, removing regulatory barriers, developing infrastructure and improving business environment. For instance, the Union Budget 2025 announced for the further increase of FDI sectoral cap for the insurance sector from 74% to 100%. This enhanced limit will be available for those companies, which invest the entire premium in India. The Government always strives to attract more FDI by removing regulatory barriers, streamlining processes, developing infrastructure, bettering logistics and improving the business environment by enhancing the Ease of Doing Business (EoDB).

#### 5. INDIAN STEEL FABRICATION INDUSTRY AND DEVELOPMENTS

India, the second-largest steel producer globally, has been a key driver of growth for the global steel industry. India's steel consumption recorded a robust growth of 11.5% in FY 2024-25, the fourth consecutive year of double-digit growth. In the four years ending FY 2024-25, India's GDP at constant prices increased 37% while steel consumption grew 60%. Over this period, the elasticity of steel consumption to economic growth (computed as the ratio of growth in steel consumption to growth in real GDP) was recorded at 1.5, compared to an elasticity of 0.8 during the decade before the pandemic. Such a step-up in elasticity of steel consumption reflects the phase of nation-building in India, characterised by a strong pick-up in infrastructure building and robust structural underpinnings of consumption, viz. urbanisation and rising penetration of consumer durables. This phase is expected to continue into the medium term, heralding a strong backdrop for growing steel consumption.

**ALLIANCE INTEGRATED METALIKS LIMITED**

Although the consumption scenario in India was robust, domestic steel pricing was under pressure in FY 2024-25 amidst elevated levels of imports and weak global prices. Domestic iron ore prices were, however, range-bound, reflecting strong demand conditions.

Fabrication applies to the building of machines, super structures and other equipment, by cutting, shaping and assembling components made from raw materials by using various mechanical processes such as welding, soldering, forging, brazing, forming, pressing, bending and stress removal. The steel fabrication industry has traditionally been fragmented, labor intensive, and low on quality.

The demand for high quality and precision steel fabricated structures has resulted in the need for automated and high quality precision manufacturers. AIML has a good opportunity to present itself as an organized player amongst its peer group backed by latest technology, experienced engineering team, proven track record of performance up to the customer expectations.

AIML doesn't have much competition in organized sector but same time small players in Market are giving tough competition for simple bridges which are in bulk, however AIML has potential to capture a reasonable share of the business and turn it to its advantage.

AIML is an approved vendor with RDSO, Delhi Metro, and NHAI.

Over the years, the Company has become an established player for large projects by executing steel bridges for NHAI, NHIDCL, DFCC, and Railways. It has also successfully undertaken projects in collaboration with reputed private contractors such as L&T, Tata Projects, ShapoorjiPallonji, APCO, SP Singla, and Megha Constructions.

In infrastructure applications such as Road/Rail/Metro bridges and spans, safety during and after erection of heavy structures has come into focus due to certain recent mishaps. This has led to an increasingly greater preference for factory made structures, as opposed to site fabrication, as the former are made in a quality controlled environment.

**6. OPPORTUNITIES & THREATS**

**AIML: Poised to Capitalise on the Opportunity**

At AIML, we view these macro tailwinds not as background noise, but as the very canvas on which we are shaping our future. During FY25, we executed landmark projects — including metro and railway bridges, expressway overpasses, and long-span structures — demonstrating our ability to handle scale, complexity, and precision.

We are proud to be an approved partner to institutions of national importance such as RDSO, Delhi Metro, NHAI, and NHIDCL, as well as trusted collaborators of leading EPC players including L&T, Tata Projects, Shapoorji Pallonji, APCO, SP Singla, and Megha Constructions.

**Recent Milestones**

**MG Setu, Patna**

One of India's most prestigious river bridge projects across the Ganga

**Delhi–Meerut Expressway**

Record 66m & 74m steel spans

**Railway Station Modernization**

Steel structures for Prayagraj, Chandigarh & Ghaziabad

These achievements underscore AIML's evolution from a conventional fabricator to a nation-building partner delivering complex truss, cable-stayed, and metro bridges.

Recently AIML has been approached by EPC Companies Like DRAIPL, Ahluwalia Constructions, Everscon-Sindhuja JV, for Steel Structure requirements for Modernization of Railway Stations like, Prayagraj, Faridabad, Ghaziabad,

Jalandhar Cantt, Chandigarh etc, who are responsible for modernizing of these Stations with more Passenger facilities. Scope of Steel Superstructure for these Stations is estimated to be approx. 90,000 MT and Enabling Work of approximately 30,000 MT.

Another Area of interest of AIML is Supplies to Large Exhibition Halls, Stadiums and Airport Structures where increase in demand has been seen.

With the announcement of New Expressways by the Indian Government significant opportunities in the Steel Bridge sector has opened up.

Despite challenges of High Steel Prices and Fuel prices, AIML is in a position to contribute significantly for this requirement with its specialized knowledge and technical expertise required for manufacture and supply of heavy structures and equipment related to power plants, roads & railways, bridges, steel plants and the oil and gas sector.

With stabilizing efforts of the GOI, need of various large scale infra projects the need for more roads, bridges and metro & rail lines is certain, thereby potentially opening up some good opportunities for AIML.

The Company has now graduated from making simple Plate girders to Complex Bridges like Truss bridge and Cable stay bridges and remains focused on the following growth areas.

### **Steel Bridges for Metro Projects**

- India continues its metro expansion fervently, with Jaipur, Ahmedabad, Nagpur, Lucknow, Pune, Patna, Mumbai, Agra, and Kanpur actively setting up new lines or extending existing corridors. Rapid developments in emerging networks like Patna, Pune, Agra, Bhopal, Indore, Meerut, and Surat collectively moving India's total metro network well into global top ranks.
- Noida Aqua Line Extensions
- Kolkata Metro – Yellow Line Safety Clearance
- Mumbai Metro Line 11 (Wadala Depot to Gateway of India)

### **Indian Railways**

- Indian Railways is set for a major overhaul, with plans to introduce 1,000 new trains in five years and launch bullet train services by 2027. The government aims to boost capacity, cut costs, and improve passenger experience, investing heavily in infrastructure and manufacturing.
- The Indian Railways and the Union Cabinet approved 7 major rail projects in August 2023, costing approximately ₹ 32,500 crore, adding about 2,339 km to the network across 9 states, including UP, Bihar, Telangana, Maharashtra, Odisha, and others
- In Himachal Pradesh, projects like Bhanupalli–Bilaspur–Beri, Chandigarh–Baddi, and Nangal–Talwara are underway. The Bhanupalli–Bilaspur–Beri line has seen cost escalation to ₹ 6,753 crore (with ₹ 2,583 crore share by HP), expected completion by December 31, 2027. The Chandigarh–Baddi line (30.28 km, ₹ 1,540 crore) is set to finish by April 30, 2026.
- Indian Railways has huge demand and is rapidly expanding new rail routes.
- Indian Railways is Expanding its reach to Himachal, Uttarakhand, J&K, Ladakh, Arunachal Pradesh which will need about 1,50,000 tons of steel super structures.
- States of Eastern UP and Bihar were declared for major revamp in Bridges adding approx. 3,00,000 Mtr requirements this region Alone mainly over river Ganga and other major tributaries.

### **Rail Vikas Nigam Limited (RVNL)**

- RVNL has floated enquires for New Rail Projects which are in pipeline.

### **Maharashtra Rail Infrastructure Development Limited (MRIDL)**

- MRIDC (Maharashtra Rail Infrastructure Development Corporation) is currently delivering on its mandate across Maharashtra by executing over 200 Road Over Bridges (ROBs/RUBs) and advancing new rail line projects such as gauge conversion between Nagpur–Nagbhir and the Pune–Nashik semi-high-speed

double line\_\_- AIML (as a contractor) continues to make a significant impact on these projects—supplying materials, delivering on steel bridge segments, or providing technical support wherever applicable.

#### **Dedicated Freight corridor**

- GOI initiated 2 Major projects of DFCC (Western) from Delhi and Northern dry ports to Mumbai and Kolkata These are green field projects parallel to Existing Major rail connections - Northern DFC is fully operational, while the western DFC is nearing completion.

#### **Road Projects**

- With More and More Expressways being announce do rexpansion of carriage ways being done, there is Huge demand of ROB/RUBs by Tier-1Road making EPC companies.
- NHAI has mandated the construction of Foot Over Bridges (FOBs) at regular intervals and near critical locations such as hospitals and schools; multiple FOBs are now under construction across key highways
- New expressway projects — such as the Ganga Expressway, Raxaul–Haldia corridor, Amritsar – Jamnagar route, and Gorakhpur – Siliguri link — are set to dramatically increase the future demand for steel bridges and related infrastructure.

#### **Thermal Power Plant Projects**

- Many of the Existing plants had only ES Pinst allied and with stricter norms FGD have be comemand atory thus these units need structures for FGD, hence the dem and is being expected.

#### **Cement and Steel Plant expansion Projects**

- Few Cements Plants and Steel are going in Expansion and AIML has started looking for the possibility of supplies of Structure and Equipment to these plants

### **7. AIML: STRATEGY AND OUTLOOK**

#### **Looking Ahead: Vision 2030**

The next five years represent a defining chapter for AIML. Our strategy is anchored in four pillars:

##### **1. Deepening Infrastructure Play**

- Expanding presence in railways, metros, expressways, and urban transport.
- Targeting opportunities in high-growth corridors like UP, Bihar, Maharashtra, and the North-East.

##### **2. Diversification into New Segments**

- Exploring large exhibition halls, airport terminals, and industrial structures.
- Positioning for supplies to steel and cement plant expansions and thermal power retrofits.

##### **3. Technology and Process Excellence**

- Transitioning from batch to line production with advanced CNC equipment.
- Reducing trial assembly times through digital inspections and mark-no systems.
- Leveraging automation to enhance quality and safety.

##### **4. Financial and Organisational Strengthening**

- Pursuing a more disciplined approach to cash flows, project milestones, and working capital.
- Nurturing our people through skilling, inclusion, and a culture of excellence.

**Our Purpose: Building the Future of India**

As India marches towards its vision of becoming a \$5 trillion economy by 2027 and a developed nation by 2047 (Viksit Bharat), the role of infrastructure will be central. Steel bridges, metro networks, power plants, and industrial structures are not just projects for AIML — they are symbols of progress, resilience, and pride.

AIML stands committed to this journey. With a blend of engineering expertise, execution excellence, and visionary ambition, we are poised not only to participate in India’s infrastructure renaissance but to help shape it.

AIML’s growth strategy for next 1-2 years will centered on:

**OPERATIONS**

1. Process—Since orders are repetitive, operations strategy will be changed from batch production to line production with some technological fixtures and processes in place
2. No Trial Assly – Cutting down assembly time by switching to Mark Noin spection and clearing the jobs
3. New Equipment – New low costsm all equipment’s will be added to supplement the CN Clines, thus balancing the capacities of critical processes
4. Change the Working hands model from more of wages based to PM Tbase
5. Expansion of Fabrication at Sites

**MARKETING**

1. With it scredentials of Large Steels pans, AIML will target projects which need more number of repeated orders.
2. Identify and target large multispan projects from Prebidding stage it self to lock tentative Orders
3. New orders to be negotiated with more assured Payment terms.
4. Improve CASH Flow by proposings tage payments
5. Comprehensive focus on Orders with Erection shall bethere, as orders with erection have better margins.

**OFFERINGS**

AIML offers a fully integrated one stop shop for Heavy Fabrication

- Design
- Detailed engineering
- Manufacturing - Fully automated European lines
- Finishing
- Erection and handover at site

We have supplied critical structures to industries ranging from Power, Railways, Roads, Metros and Industrial and Residential.

The Company has now graduated from making simple Plate girders to Complex Bridges like Truss bridge and Cable stay bridges and remains focused on the following growth areas.

**Details of Few Important Orders Completed in 2024-25**

- i. Eight Lane across Panchamahal Vadodara Gujrat.
- ii. MRIDC – Road Over Bridge - Parabhani
- iii. Dawabali – NHAI DC Highways
- iv. RJ-SR Highways (SRIGANGANAGAR)

**Eight Lane across Panchmahal Vadodara Gujarat**

## 8. RISK AND CONCERNS

The Company is currently addressing the following risks and concerns through appropriate risk mitigation measures and strategies:

**Price Increase in Inputs:** Due to substantial increase in Diesel costs and in Steel and Metal costs, few inputs like consumables, Paint, cutting inserts, Metalizing wire etc has seen an increase. To mitigate the same in long term improving efficiency of processes and output is in focus + New RFQs are being quoted with increased rates.

**Strategic Risks:** Strategic risks refer to those associated with the long-term strategy and plans of the Company, including risks related to the macro environment in which the Company operates. However, the Company has adopted a focused approach and has employed various means to mitigate the risk.

Increased Steel prices is one of the key risks that the Company faces at this stage.

To hedge the same in 2024-25 the order being booked is only of free issued steel by customers.

**Operational Risks:** Operational risks refer to risks impacting the operations of the Company. These include risks associated with the supply chain, employee productivity, health and safety of employees and environmental impact, and risks to business reputation. The Company is exposed to various risks which may impact the Company's reputation such as labour relations, product mix, innovation and effective deployment of technology.

The Company closely monitors the developments in the supply chain and takes effective steps to mitigate all operational risks.

**Financial Risks:** Liquidity constraint, which arose due to unfavorable market conditions in infrastructure space has affected the Company's performance. This has resulted in the Company not being able to meet its obligations to its lenders as also non-availability of adequate non-fund based working capital lines has impacted in exploring new avenues for orders. This industry having long gestation period requires huge working capital facilities.

To rectify the situation, the Company has approached its lenders for restructuring of its debt and sanction of additional non-fund based working capital facilities, and OTS.

## Independent Auditor's Report

To the Members of Alliance Integrated Metaliks Limited

Report on the Standalone Ind AS Financial Statements

### Qualified Opinion

1. We have audited the accompanying standalone Ind AS financial statements of Alliance Integrated Metaliks Limited ('the Company'), which comprise the balance sheet as at March 31, 2025, the statement of profit and loss (including other comprehensive income), the statement of cash flows and the statement of changes in equity for the year then ended and a summary of the significant accounting policies and other explanatory information (herein after referred to as "standalone Ind AS financial statements").
2. In our opinion and to the best of our information and according to the explanations given to us, except for the effects/possible effects of the matters described in the Basis for Qualified Opinion section of our report, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ('Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including Indian Accounting Standards ('Ind AS') specified under section 133 of the Act, of the state of affairs of the Company as at March 31, 2025, and its profit/loss (including other comprehensive income), its cash flows and the changes in equity for the year ended on that date.

### Basis for Qualified Opinion

3. As stated in note no. 3.44 to the accompanying standalone financial statements, trade payables, trade receivables and other loans and advances given or taken continued to be subject to reconciliation and confirmation. Further term loan accounts and working capital loan with the banks and financial institutions are also subject to reconciliation / confirmation.
4. We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

### Material uncertainty related to going concern

5. As stated in note no. 3.34 to the accompanying standalone financial statements, the Company has incurred a net loss of Rs. 7,276.85 lakhs (before adjustments of exceptional items) for the year ended March 31, 2025 resulting in erosion of its net worth, the same stands at Rs.26,359.15 lakhs (debit balance) as on March 31, 2025. Further, the Company's current liabilities far exceeds its total current assets. The outstanding loan to the tune of Rs. 51,793.79 lakhs including interest accrued and due has been classified as non-performing assets ("NPA"). These events and conditions indicate that a material uncertainty exists which may cast significant doubt about the Company's ability to continue as a going concern.

### Emphasis of matter

6. We draw attention to note no. 3.36(b) to the accompanying statement, which describes that certain immovable properties held in the name of the Company and shares held by the promoter Company have been provisionally attached by the Deputy Director, Gurugram Zonal office, Directorate of Enforcement, New Delhi in alleged contravention of Violation under Prevention Laundering Act, 2002 vide order no. 09/2024 dated 13.09.2024. As per the information provided by the management, the said Order does not have impact on the business or running operations of the Company. The financial impact of the order, if any, is not ascertainable.

7. As part of the Company's annual fixed asset verification exercise for the year ended 31st March 2025, the management undertook a physical verification of the Plant and Machinery. This exercise was carried out by Mr. Jaspal Singh, an independent Chartered Engineer and a Government-approved valuer for plant and machinery. Refer note no. 3.36(c).

We have relied on the report submitted by the said Chartered Engineer, which confirms that the machinery physically located at the Company's plant forms part of the fixed assets disclosed in the financial statements. The valuation of these assets continues to be carried at historical cost in accordance with the Company's accounting policy.

It is noted that the Company is in the process of reviewing and streamlining the carrying values of its Property, Plant, and Equipment (PPE). As this process is still on-going, we are unable to comment on any adjustments, if any, that may arise upon completion of this exercise.

8. We draw attention to note no. 3.36(a) to the accompanying standalone financial statements, which describes that the outstanding loans to the tune of Rs. 51,793.79 lakhs including interest accrued and due thereon from banks and financial institutions have been declared as non-performing assets (NPA) by the lenders in earlier years as the repayments and interest against these loans have become overdue. The Company is in active discussion with the lenders for resolutions of their debts.

Our report is not modified in respect of above-mentioned matter.

#### **Key audit matters**

9. Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.
10. We have no matters other than described in the Basis for Qualified Opinion, Material uncertainty related to going concern and Emphasis of Matter section to communicate in our audit report.

#### **Information other than the financial statements and auditor's report thereon**

11. The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

#### **Management's responsibilities for the standalone financial statements**

12. The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, including other comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of

the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

13. In preparing the standalone financial statements, Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.
14. The Board of Directors is also responsible for overseeing the Company's financial reporting process.

#### **Auditor's Responsibilities for the audit of the standalone financial statements**

15. Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.
16. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
  - Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
  - Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
  - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
  - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
  - Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
17. Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.
18. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

19. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
20. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

#### **Report on Other legal and regulatory requirements**

21. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the 'Annexure A', a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
22. As required by Section 143 (3) of the Act, we report that:
  - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
  - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
  - c) The Balance Sheet, the Statement of profit and loss including Other comprehensive income, Statement of changes in equity and the Statement of cash flows dealt with by this Report are in agreement with the books of account
  - d) In our opinion, the aforesaid Financial Statements comply with the Accounting Standards specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended;
  - e) On the basis of the written representations received from the directors as on March 31, 2025 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2025 from being appointed as a director in terms of Section 164 (2) of the Act;
  - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company with reference to these Financial Statements of the Company and the operating effectiveness of such controls, refer to our separate Report in 'Annexure B' to this report;
  - g) In our opinion, the managerial remuneration for the year ended March 31, 2025 has been paid/ provided by the company to its directors in accordance with the provisions of section 197(16) of the Act, as amended;
  - h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
    - i. The Company has disclosed the impact of pending litigations on its financial position in its Financial Statements;
    - ii. The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts;
    - iii. There were no amounts which were required to be transferred to the Investor Education and Protection fund by the Company during the year ended March 31, 2025.
    - iv. The Management has represented that, to the best of its knowledge and belief:

- a) No funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity (“Intermediaries”), with the understanding, whether recorded in writing or otherwise, that the intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
- b) No funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity (“Funding Parties”), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
- v. During the year, the Company has not declared any dividend.
- vi. Based on our examination which included test checks, the Company has used an accounting software for maintaining its books of accounts which has a feature of recording audit trail facility and the same has operated throughout during the year for all relevant transaction recorded in the software during the year. Further, during the course of our audit, we did not come across any instances of audit trail feature being tampered with.

**Annexure “A” to the Independent Auditor’s Report**

(Referred to in paragraph 20 under the heading “Report on Other Legal & Regulatory Requirements” section of our report of even date to the members of Alliance Integrated Metaliks Limited)

Based on the audit procedures performed for the purpose of reporting a true and fair view on the standalone financial statements of the Company and taking into consideration the information and explanations given to us and the books of account and other records examined by us in the normal course of audit, and to the best of our knowledge and belief, we report that:

(i) In respect of the Company’s Property, plant and equipment:

- (a) *As stated in the paragraph 7 of the independent auditor’s report, we have relied on the physical verification report submitted by an independent Chartered Engineer, which confirms that the machinery physically located at the Company’s plant forms part of the fixed assets disclosed in the financial statements. Further, the relevant details of right-of-use assets has been maintained properly.*
- (b) As stated in the paragraph 7 of the independent auditor’s report, the verification report of the property, plant and equipment performed by an independent Chartered Engineer has been provided by the Company.
- (c) Based on our examination of the records for land on which building is constructed, provided to us, we report that, the title in respect of self-constructed buildings and title deeds of all other immovable properties disclosed in the financial statements included under Property, plant and equipment are held in the name of the Company as at the balance sheet date.
- (d) The Company has not revalued its property, plant and equipment (including right-to-use assets) during the year.
- (e) No proceedings have been initiated during the year or are pending against the Company as at March 31, 2025 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.

- (ii) (a) According to the information and explanations provided to us, the physical verification of inventories has been carried out by the management at regular interval. The frequency of the physical verification, in our opinion, is reasonable having regard to the size of the Company and nature of business. Further, there were no discrepancy noticed for each class of the inventory.
- (b) The Company has not been sanctioned working capital limits in excess of five crore rupees, in aggregate, from banks or financial institution on the basis of security of current assets during the current year. Further, the working capital limit sanctioned in the earlier year has been classified as non-performing assets by the lender on July 31, 2017. Also, refer note no. 3.16 to the accompanying financial statements.
- (iii) During the year, the Company has not made any investments in, provided any guarantee or security, or granted any loans or advances in the nature of loans, secured or unsecured to companies, firms, limited liability partnerships or any other parties and hence reporting under clause 3(iii) of the Order is not applicable.
- (iv) In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of section 185 and 186 of the Act in respect of loans, investments, guarantees, and security.
- (v) The Company has not accepted any deposits and also there were no amounts which are deemed to be the deposits. Hence the directives issued by the Reserve Bank of India and the provisions of Sections 73 to 76 or any other relevant provisions of the Companies Act, 2013, and the rules framed there under, do not apply to this Company.
- (vi) The maintenance of cost records has been specified by the Central Government under section 148(1) of the Companies Act, 2013. We have broadly reviewed the books of account maintained by the Company pursuant to the Companies (Cost Records and Audit) Rules, 2014, as amended, prescribed by the Central

Government for maintenance of cost records under Section 148(1) of the Companies Act, 2013, and are of the opinion that, prima facie, the prescribed cost records have been made and maintained by the Company. We have, however, not made a detailed examination of the cost records with a view to determine whether they are accurate or complete.

- (vii) (a) According to the records, the Company is generally regular in depositing undisputed statutory dues including Goods and service tax, provident fund, employees' state insurance, income-tax, sales-tax, service tax, duty of customs, duty of excise, value added tax, cess and all other material statutory dues with the appropriate authorities and there were no arrears of statutory dues as at March 31, 2025 for a period of more than six months from the date they became payable.
- (b) According to the records of the Company and the information and explanations given to us, there were no statutory dues referred to in sub clause (a), which have not been deposited on account of any dispute.
- (viii) According to the information and explanations given to us and based on our verification, there were no transactions which are not recorded in the books of account have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43) of 1961.
- (ix) a) *The Company has defaulted in repayment of loans or in the payment of interest thereon to any lender. Amount of default is as under:*

<b>Nature of borrowings</b>	<b>Name of lender</b>	<b>Amount not paid on due date (In Rs. Lakhs)</b>	<b>Whether principle or interest</b>	<b>No. of days delay or unpaid</b>	<b>Remarks</b>
Term loan	Prudent ARC	13,857.72	Both	2801	The lenders have classified the amount as non-performing assets. Refer note no. 3.14 and 3.16 to the standalone financial statements.
Term loan	Punjab National Bank	11,107.23	Both	3052	
Term loan	UCO Bank	13,017.16	Both	3166	
Working capital loan	Prudent ARC	13,811.69	Both	2071	

- b) The Company has not been declared wilful defaulter by any bank or financial institution or any other lender.
- c) The term loans were applied for the purpose for which loans were obtained.
- d) On an overall examination of the financial statements of the Company, funds raised on short-term basis have, prima facie, not been used during the year for long-term purposes by the Company.
- e) The Company has not taken any funds from any entity or person on account of or to meet the obligations of associates.
- f) The Company has not raised any loans during the year on the pledge of securities held in its subsidiaries, joint ventures or associate companies. Accordingly, clause 3(ix)(f) of the Order is not applicable.
- (x) a) The Company did not raise any money by way of initial public offer or further public offer (including debt instruments) during the year. Accordingly, clause 3 (x)(a) of the Order is not applicable.
- b) The Company has not made any preferential allotment or private placement of shares or convertible debentures during the year. Accordingly, clause 3 (x)(b) of the Order is not applicable.
- (xi) a) According to the information and explanations given by the management and based upon the audit procedures performed, no fraud by the Company and no material fraud on the Company has been noticed or reported during the year.

**ALLIANCE INTEGRATED METALIKS LIMITED**

- b) No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government during the year and up to the date of this report;
- c) As represented to us by the management, there were no whistle blower complaints received by the Company during the year.
- (xii) In our opinion and according to the information and explanations given to us, the Company is not a Nidhi Company. Accordingly, clause 3(xii) of the Order is not applicable.
- (xiii) According to the information and explanations given to us and based on our examination of the records of the Company, transactions with the related parties are in compliance with sections 177 and 188 of the Act where applicable and details of such transactions have been disclosed in the financial statements as required by the applicable accounting standards.
- (xiv) a) In our opinion, the company has an adequate internal audit system commensurate with the size and nature of its business;
- b) We have considered the reports of the Internal Auditors for the period under audit;
- (xv) According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not entered into non-cash transactions with directors or persons connected with him. Accordingly, clause 3(xv) of the Order is not applicable.
- (xvi) In our opinion, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act 1934, and is not a core investment Company (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016 and hence reporting under clause 3(xvi) and sub-clauses of the Order are not applicable.
- (xvii) The Company has incurred cash losses amounting to Rs. 4,433.50 lakhs in the financial year and Rs. 5,980.20 lakhs in the immediately preceding financial year.
- (xviii) There has been no resignation of the Statutory Auditors during the year. Accordingly, reporting under clause 3(xviii) of the Order is not applicable to the Company.
- (xix) As stated in the paragraph 5 of the independent auditor's report, the Company has incurred a net loss of Rs. 7,276.85 lakhs (before adjustments of exceptional items) for the year ended March 31, 2025 resulting in erosion of its net worth, the same stands at Rs.26,359.15 lakhs (debit balance) as on March 31, 2025. Further, the Company's current liabilities far exceeds its total current assets. The outstanding loan to the tune of Rs. 51,793.79 lakhs including interest accrued and due has been classified as non-performing assets ("NPA"). These events and conditions indicate that a material uncertainty exists which may cast significant doubt about the Company's ability to continue as a going concern.
- (xx) The provisions of section 135 are not applicable to the Company and hence reporting under clause 3(xx) and its sub-clauses of the Order are not applicable.
- (xxi) The reporting under clause 3(xxi) of the Order is not applicable in respect of audit of standalone financial statements. Accordingly, no comment in respect of the said clause has been included in this report.

## Annexure “B” to the Independent Auditor’s Report

### Report on the Internal financial controls under clause (i) of sub-section 3 of section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of Alliance Integrated Metaliks Limited (“the Company”) as of March 31, 2025 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

#### Management’s Responsibility for internal financial controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal financial controls over financial reporting issued by the Institute of Chartered Accountants of India (‘ICAI’). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### Auditors’ responsibilities

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

#### Meaning of internal financial controls over financial reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

#### Inherent limitations of internal financial controls over financial reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future

## ALLIANCE INTEGRATED METALIKS LIMITED

periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on audit of Internal financial controls over financial reporting issued by the Institute of Chartered Accountants of India.

## Notes to the Financial Statements

### 1. Company Overview and Significant Accounting Policies

M/s. Alliance Integrated Metaliks Limited (hereinafter referred to as “AIML” or “the Company”) was established in the year 1989 under the name of B. S. Holdings and Credit Limited. The name of the company was changed to its present name in the year 2004.

The company has its production facility in Punjab to serve the Government and Private sector companies engaged in implementation of Power Plants, Roads, Bridges and Highways in India by fabrication and supply of related Heavy Steel structures and Equipment.

The customer list of the Company includes Delhi Metro Rail Corporation [DMRC], Patel Infrastructure, Mega Construction, L&T, BHEL, AFCONS, HCC, Gyatri Projects Ltd, Ashoka Bulcons Ltd, Sadbhav Engineering Ltd., S P Singla Pvt. Ltd. Gawar Construction , DRIPL , VRC Construction etc.

The Registered office of the company is situated at DSC- 327, Second Floor, DLF South Court, Saket, New Delhi-110017. The shares of the company are listed on Bombay Stock Exchange.

### 2. Significant Accounting Policies

#### 2.1 Basis Of Preparation Of Financial Statements

These financial statements are prepared in accordance with Indian Accounting Standards (IND AS) under the historical cost convention on the accrual basis except for certain financial instruments which are measured at fair values; the provisions of the Companies Act, 2013 (Act) (to the extent notified and applicable); and guidelines issued by the Securities and Exchange Board of India (SEBI). The IND AS are prescribed under Section 133 of the Act read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 the relevant amendment rules issued thereafter.

Accounting policies have been consistently applied except where a newly issued Indian accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

The year-end figures are taken from the source and rounded to the nearest lacs.

#### 2.2 Use Of Estimates

The preparation of the financial statements in conformity with IND AS requires management to make estimates, judgments and assumptions. These estimates, judgments and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the period. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

##### 2.2.1 Useful lives of property, plant and equipment

The company reviews the useful life of property, plant and equipment at the end of each reporting period. The reassessment may result in change in depreciation expenses in future periods.

##### 2.2.2 Valuation of deferred tax assets / liabilities

The company reviews the carrying amount of deferred tax assets / liabilities at the end of each reporting period.

##### 2.2.3 Provisions and contingent liabilities

A provision is recognized when the company has a present obligation as a result of past event and it is probable than an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are discounted to its present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date adjusted to reflect the current best estimates. Contingent liabilities are not recognized in the financial statements. A contingent asset is neither recognized nor disclosed in the financial statements. However, if the realization is virtually certain then the related asset ceases to be a Contingent Asset and therefore recognized.

### 2.3 Revenue Recognition

Revenue is measured at the fair value of the consideration received or receivables. Amounts disclosed as revenue are exclusive of GST and net of returns, trade allowances, rebates, discounts, and value added taxes.

The Company recognizes revenue when the amount of revenue can be reliably measured, it is probable that future economic benefits will flow to the Company and specific criteria have been met for each of the Company's activities as described below.

#### a. **Sale of goods**

The Company recognises revenue when control over the promised goods or services is transferred to the customer at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods or services. Revenue is adjusted for variable consideration such as discounts, rebates, refunds, credits, price concessions, incentives, or other similar items in a contract when they are highly probable to be provided.

The amount of revenue excludes any amount collected on behalf of third parties. The Company recognizes revenue generally at the point in time when the products are delivered to customer or when it is delivered to a carrier for export sale, which is when the control over product is transferred to the customer. In contracts where freight is arranged by the Company and recovered from the customers, the same is treated as a separate performance obligation and revenue is recognized when such freight services are rendered.

In revenue arrangements with multiple performance obligations, the Company accounts for individual products and services separately if they are distinct i.e., if a product or service is separately identifiable from other items in the arrangement and if a customer can benefit from it. The consideration is allocated between separate products and services in the arrangement based on their stand-alone selling prices. Revenue from sale of products are included in revenue. Revenue from sale of goods is recognised when delivered and measured based on the bilateral contractual arrangements.

#### b. **Contract balances**

##### i. **Contract assets**

A contract asset is the right to consideration in exchange for goods or services transferred to the customer. If the Company performs by transferring goods or services to a customer before the customer pays consideration or before payment is due, a contract asset is recognized for the earned consideration including Trade receivables.

##### ii. **Contract liabilities**

A contract liability is the obligation to transfer goods or services to a customer for which the Company has received consideration from the customer. If a customer pays consideration before the Company transfers goods or services to the customer, a contract liability is recognised when the payment is made or the payment is due (whichever is earlier). Contract liabilities are recognised as revenue when the Company performs under the contract including Advance received from Customer

##### iii. **Refund liabilities**

A refund liability is the obligation to refund some or all of the consideration received (or receivable) from the customer and is measured at the amount the Company ultimately expects it will have to return to the customer including volume rebates and discounts. The Company updates its estimates of refund liabilities at the end of each reporting period

##### iv. **Construction contracts**

When the outcome of a construction contract can be estimated reliably, revenue and costs are recognised by reference to the stage of completion of the contract activity at the end of the reporting period, measured based on the proportion of contract costs incurred for work performed to date relative to the estimated total contract costs, except where this would not be representative of the stage of completion. Variations in contract work, claims and incentives payments are included to the extent that the amount can be measured reliably and its receipt is considered probable.

When the outcome of a construction contract cannot be estimated reliably, contract revenue is recognized to the extent of contract cost incurred that it is probable will be recoverable. Contract costs are recognized as an expense in the period in which they are incurred.

When it is probable that total contract costs will exceed total contract revenue, the expected loss is recognized as an expense immediately.

### c. **Dividend and interest income**

Dividend income from investments is recognized when the shareholder's right to receive payment has been established (provided that it is probable that the economic benefits will flow to the Group and the amount of income can be measured reliably).

Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the Group and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.

## 2.4 **Employee benefits**

### a. **Long Term Employee Benefits**

The liability for gratuity & leave encashment is determined using Projected Unit Credit [PUC] Method and is accounted for on the basis of actuarial valuation in Accordance with IND AS - 19. The Company recognizes the net obligation of a defined benefit plan in its balance sheet as an asset or liability. Actuarial Gains and losses through re-measurements of the net defined benefit liability/(asset) are recognized in other comprehensive income. The current service cost is included in the employee benefit expense in the statement of profit & loss account. The interest cost calculated by applying the discount rate to the net balance of defined benefit obligation, is included in the finance cost in the statement of profit & loss account.

### b. **Short-Term Employee Benefits**

Short-term employee benefits include performance incentive, salaries & wages, bonus and leave travel allowance. The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees are recognized during the year when the employees render the services.

## 2.5 **Borrowing costs**

Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the interest costs. Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use are capitalized as part of the cost of the asset.

Processing fee paid for borrowings is amortized over the term of long term loan through statement of profit & loss. All other borrowing costs are expensed in the period in which they occur.

Preference Shares are separated into equity and liability components based on the terms of the issue / contract. Interest on liability component of preference shares is determined using amortized cost method and is charged to the statement of profit & loss.

## 2.6 **Depreciation & amortization**

The Company depreciates property, plant and equipment over their estimated useful lives using the straight-line method. Depreciation methods, useful lives and residual values are reviewed at each reporting period. Depreciation on additions/deductions to property, plant and equipment is provided on pro-rata basis from the date of actual installation or up to the date of such sale or disposal, as the case may be.

## 2.7 **Impairment of Assets**

The Company at each balance sheet date assesses whether a financial asset or a group of financial assets is impaired. Ind AS 109 requires expected credit losses to be measured through a loss allowance. The company recognizes lifetime expected losses for all contract assets and/or all trade receivables that do not constitute a

financing transaction.

## **2.8 Income taxes**

Income tax expense comprises current and deferred income tax. Income tax expense is recognised in net profit in the statement of profit and loss except to the extent that it relates to items recognised directly in equity, in which case it is recognised in other comprehensive income.

Deferred income tax assets and liabilities are recognized for all temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realised. The Company offsets current tax assets and current tax liabilities, where it has a legally enforceable right to set off the recognized amounts and where it intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Minimum Alternative Tax [MAT], as may be applicable, paid in accordance with the tax laws, which gives rise to future economic benefits in the form of adjustment of future income tax liability, is considered as an asset if there is convincing evidence that the company will pay normal income tax in future periods. Accordingly, MAT is recognized as an asset in the balance sheet when it is probable that future economic benefits associated with it flow to the company and the asset can be measured reliably.

## **2.9 Property, Plant and Equipment**

Property, plant and equipment are stated at cost, less accumulated depreciation /amortization and impairment, if any. Costs directly attributable to acquisition are capitalized until the property, plant and equipment are ready for use, as intended by management. The cost of property, plant & equipment also includes initial estimates of dismantling cost and restoring the site to its original position, on which the site is located. For transition to IND AS, the company has elected to continue with carrying value of all its property, plant and equipment recognized as on 01.07.2015 measured as per the previous GAAP in accordance with the principles of Part B of Schedule II of the Companies Act, 2013.

## **2.10 Financial Instruments**

The company recognises financial assets and financial liabilities when it becomes a party to the contractual provisions of the instrument. All financial assets (except net investments) and financial liabilities (except borrowings) are recognised at fair value on initial recognition, except for trade receivables and security deposits, which are initially measured at transaction price. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities that are not at fair value through profit or loss are added to the fair value on initial recognition.

Financial liabilities are subsequently carried at amortised cost using the effective interest method, except for contingent consideration recognised in a business combination, which is subsequently measured at fair value through profit and loss.

For trade and other payables maturing within one year from the balance sheet date, the carrying amounts are approximately at fair value due to the short maturity of these instruments.

### **De-recognition of financial instruments**

The Company de-recognises a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for de-recognition under IND AS 109. A financial liability (or a part of a financial liability) is de-recognized from the company's balance sheet when the obligation specified in the contract is discharged or cancelled or expires.

## **2.11 Borrowings**

Borrowings are initially measured at fair value, net of transaction costs incurred. Borrowings are subsequently measured at amortized cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognized in profit or loss over the period of the borrowings using the effective interest method.

Preference shares are separated into liability and equity components based on the terms of the issue / contract. On issuance of the preference shares, the fair value of the liability component is determined using a market rate

for an equivalent instrument. This amount is classified as financial liability and is measured at amortized cost (net of transaction costs) until it is extinguished on conversion or redemption. The remainder of the proceeds is recognized and included in equity. Transaction costs are deducted from equity, net of associated income tax. The carrying amount of the equity component is not re-measured in subsequent years.

## 2.12 Investments

### a. Investment in subsidiaries

Investment held by the company in subsidiaries as on the date of transition date i.e. 01.07.2015 is valued at cost. Investments made in subsidiaries, after the transition date, have been valued at Fair Value through Other Comprehensive Income [FVTOCI].

### b. Investment in associates / Joint Ventures

Investment held by the Company in associates / joint ventures as on the date of transition date i.e. 01.07.2015 is valued at cost. Investments made in associates / joint ventures, after the transition date, have been valued at Fair Value through Other Comprehensive Income [FVTOCI].

### c. Investment - Others

#### Current Investments

Quoted financial assets have been classified as FVTOCI and unquoted financial assets have been classified as Fair Value through Profit & Loss [FVTPL].

#### Non-Current Investments

Quoted long term investments have been classified as FVTOCI and unquoted long term investments are have been classified as FVTPL.

## 2.13 Inventories

- a. **Raw Materials:** Goods under process and Finished Goods are valued at cost (Net of provision for diminution) or \*Net Realisable value, whichever is lower.
- b. **Waste and Scrap:** Waste and scrap is valued at Net Realisable Value.
- c. **Valuation of Raw Materials:** Cost of inventories of Raw Materials and stores and Spares is ascertained on FIFO basis.
- d. **Valuation of WIP:** Cost of goods under process comprise of cost of materials and proportionate production overhead. Cost of material for this purpose is ascertained on FIFO basis.
- e. Provision for obsolescence in inventories is made, whenever required.

\*Net Realizable Value is the estimated selling price in the ordinary course of business less any applicable selling expenses.

## 2.14 Earnings per equity share

Basic earnings per equity share are computed by dividing the net profit attributable to the equity holders of the company by the weighted average number of equity shares outstanding during the period. Diluted earnings per equity share is computed by dividing the net profit attributable to the equity holders of the company by the weighted average number of equity shares considered for deriving basic earnings per equity share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares. The dilutive potential equity shares are adjusted for the proceeds receivable had the equity shares been actually issued at fair value (i.e. the average market value of the outstanding equity shares). Dilutive potential equity shares are deemed converted as of the beginning of the period, unless issued at a later date. Dilutive potential equity shares are determined independently for each period presented. The number of equity shares and potentially dilutive equity shares are adjusted retrospectively for all periods presented for any share splits and bonus shares issues including for changes effected prior to the approval of the financial statements by the Board of Directors.

### 2.15 Cash and Cash Equivalents

Cash and cash equivalents comprise cash on hand and demand deposits, together with other short term, highly liquid investments that are readily convertible into known amounts of cash and which are subject to an insignificant risk of changes in value.

### 2.16 Cash Flow Statement

Cash flows are reported using the indirect method, except in case of dividend which has been considered on the basis of actual movement of cash with corresponding adjustments of assets and liabilities and where by profit for the period is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and items of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

### 2.17 Dividends

Final dividends on shares are recorded as a liability on the date of approval by the shareholders and interim dividends are recorded as a liability on the date of declaration by the Company's Board of Directors.

### 2.18 Leases

As a lessee, the Company recognises a Right-Of-Use of asset and a lease liability at the lease commencement date. The Right-Of-Use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentives received. The right-of-use asset is subsequently depreciated using the straight-line method from the commencement date to the earlier of the end of the useful life of the Right-Of-Use asset or the end of the lease term. The estimated useful lives of Right-Of-Use assets are determined on the same basis as those of property and equipment. In addition, the Right-Of-Use asset is periodically reduced by impairment losses, if any, and adjusted for certain re-measurements of the lease liability. The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the interest rate implicit in the lease or, if that rate cannot be readily determined the Company's incremental borrowing rate. Generally, the Company uses its incremental borrowing rate as the discount rate. Lease payments included in the measurement of the lease liability comprise the following: a) Fixed payments, including in-substance fixed payments; b) Variable lease payments that depend on an index or a rate, initially measured using the index or rate as at the commencement date; c) Amounts expected to be payable under a residual value guarantee; and d) the exercise price under a purchase option that the Company is reasonably certain to exercise, lease payments in an optional renewal period if the Company is reasonably certain to exercise an extension option, and penalties for early termination of a lease unless the Company is reasonably certain not to terminate early.

The lease liability is measured at amortised cost using the effective interest method. It is re-measured when there is a change in future lease payments arising from a change in an index or rate, if there is a change in the Company's estimate of the amount expected to be payable under a residual value guarantee, or if company changes its assessment of whether it will exercise a purchase, extension or termination option. When the lease liability is re-measured in this way, a corresponding adjustment is made to the carrying amount of the right-of-use asset, or is recorded in profit or loss if the carrying amount of the right-of-use asset has been reduced to zero.

#### Short-term leases and leases of low-value assets

The Company has elected not to recognise Right-Of-Use assets and lease liabilities for short-term leases of assets that have a lease term of upto 12 months. The Company recognises the lease payments associated with these leases as an expense on a straight-line basis over the lease term.

### 2.19 Offsetting financial instruments

Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously.

## 2.20 Fair Value Measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either in the principal market for the assets or liabilities, or in the absence of a principal market, in the most advantageous market for the assets or liabilities. The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use. The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the Financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities

Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable

Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is Unobservable

For assets and liabilities that are recognised in the Financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period or each case.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above. This note summarizes accounting policy for fair value. Other fair value related disclosures are given in the relevant notes.

- Disclosures for valuation methods, significant estimates and assumptions.
- Quantitative disclosures of fair value measurement hierarchy.
- Investment in unquoted equity shares
- Financial instruments

## 2.21 Current versus non-current classification

All assets and liabilities have been classified as current or non-current as per Company's normal operating cycle and other criteria set out in the Schedule III to the Act.

**3.33 Segment reporting**

According to Ind AS 108, identification of operating segments is based on Chief Operating Decision Maker (CODM) approach for making decisions about allocating resources to the segment and assessing its performance. The business activity of the Company falls within one broad business segment viz. Fabrication & Erection of Steel Structure and the Revenue generated is within the country. Hence, the disclosure requirement of Ind AS 108 of ‘Segment Reporting’ is not considered applicable.

**3.34 Going Concern**

The Company’s financial statements are prepared on a going concern basis, which contemplates the realization of assets and the satisfaction of obligations in the normal course of business. It has to be noted that the company has accumulated losses and negative net worth as on 31/03/2025. The current liabilities are exceeding the current assets due to the reason that the Term/Working Capital loans including interest accrued which has been classified by the lenders as NPA are accounted under the head Current liabilities. The Company is actively engaged in discussions with lenders for a resolution of the outstanding debts. As part of the One-Time Settlement (OTS) proposals submitted in previous financial years, the Company has deposited upfront amounts with all the concerned lender banks as part of OTS proposal. Considering the continuity of the operations, positive EBITDA, Central Government thrust on the development of Infrastructure projects in the country and the encouraging order book of the company, maintaining a going concern basis of accounting is appropriate.

**3.35 Dues of micro and small enterprises**

\* Amounts due to micro and small enterprises as defined in the “The Micro, Small and Medium Enterprises Development Act, 2006” has been determined to the extent of information received from the suppliers regarding their status under “The Micro, Small and Medium Enterprises Development Act, 2006” (MSMED Act) and the same has been relied upon by the auditors.

**Note. 3.36 Other disclosures**

- a) The loan of Rs. 51793.79 Lakhs including interest accrued and due thereon from Banks & Financial Institutions have been declared as non performing assets (NPA) by these lenders in earlier years as the repayments and interest against these loans have become overdue. The Company is actively engaged in discussions with the lenders for a resolution of the outstanding debts. As part of the One-Time Settlement (OTS) proposals submitted in previous financial years, the Company has deposited upfront amounts with

all the concerned lender banks as part of OTS proposal, Further the Company has classified all its borrowings from Banks & Financial Institutions as current liabilities.

- b) A Provisional Attachment Order No. 09/2024, issued via email dated 13.09.2024 by the Deputy Director posted at the Gurugram Zonal Office, Directorate of Enforcement, New Delhi, has been passed against the Company. This order pertains to the provisional attachment of immovable properties held in the Company's name, vide reference number F.No.ECIR/GNZO/14/2024, dated 05.09.2024, and includes the attachment of shares held by the promoter company. This order, however, does not affect the business operations or the ongoing activities of the Company. Therefore, no adjustments are required to be made to the financial results on account of this matter.
- c) As part of the Company's annual fixed asset verification exercise for the year ended 31st March 2025, the management undertook a physical verification of the Plant and Machinery. This exercise was carried out by Mr. Jaspal Singh, an independent Chartered Engineer and a Government-approved valuer for plant and machinery. 'We have relied on the report submitted by the said Chartered Engineer, which confirms that the machinery physically located at the Company's plant forms part of the fixed assets disclosed in the financial statements. The valuation of these assets continues to be carried at historical cost in accordance with the Company's accounting policy. It is noted that the Company is in the process of reviewing and streamlining the carrying values of its Property, Plant, and Equipment (PPE). As this process is still ongoing, we are unable to comment on any adjustments, if any, that may arise upon completion of this exercise.

**3.39 Fair value measurement**

The management considers that the carrying amounts of financial assets and financial liabilities recognised in the financial statements approximate their fair value unless otherwise stated.

**3.40 Financial risk management objectives and policies**

The Company's principal financial liabilities comprise loans and borrowings, trade and other payables. The main purpose of these financial liabilities is to finance the Company's operations and to support its operations. The Company's financial assets include Investment, loans, trade and other receivables, and cash & cash equivalents that derive directly from its operations. Since all the term loans have already been catergorised as NPA and turned as payable on demand the impact of Market risk and Liquidity risk have not been considered.

**Credit risk**

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. Credit risk encompasses of both, the direct risk of default and the risk of deterioration of creditworthiness as well as concentration of risks. Credit risk is controlled by analysing credit limits and creditworthiness of the customers on a continuous basis to whom the credit has been granted after obtaining necessary approvals for credit. Financial instruments that are subject to concentrations of credit risk principally consist if trade receivables, investments, cash and cash equivalents, bank deposits and other financial assets. None of the financial instruments of the Company result in material concentration of credit risk, except for trade receivables.

**Cash & cash equivalents and bank deposits**

Credit risk related to cash and cash equivalents and bank deposits is managed by only accepting highly rated banks and diversifying bank deposits and accounts in different banks across the country.

**Trade receivables**

The cutstomer credit risk is managed by the Company's established policy, procedures and control relating to customer credit risk management. The Company closely monitors the credit-worthiness of debtors through internal system that are configured to define credit limits of customers, thereby, limiting the credit risk to pre-calculated amounts.
